Stock Markets At A Glance

CHICAGO, March 20 — (AP) — Grain futures followed an uneven trend in today's trade. Wheat and rye responded quickly to light offerings and dropped as quickly as the buying power dried up.

WINNIPEG, March 20—(CP) — United Kingdom interests purchased 1,000,000 bushels of wheat in the form of flour today on the Winnipeg Grain Exchange. Unconfirmed reports said a cargo of Canadian rye has been sold to Russia.

TORONTO, March 20 —(CP)— The Stock Market rise was halted by a run of profit-taking and the close was down for all index groups although the losses were trimmed in the final period. The golds closed only .11 off for the day while the Base Metals were down .42 and the Western Oils lost .54.

NEW YORK, March 20—(AP) — The Stock Market today suffered another of its worst stumbles in nearly two weeks.

Transfers of 920,000 shares compared with 1,070,000 yesterday.

The Associated Press 60-stock composite was off .7 of a point at 60.8, widest dip since March 9.

Canadian issues were easy. McIntyre lost 1-2 and Distillers Seagrams 3-8. Canadian Pacific slipped 1-4 and Dome mines 1-8.

MONTREAL, March 20 — (CP) Losses scored a grand slam in the indices in transactions today on the Stock Exchange and Curb Market. Nervous fluctuation was shown among mining issues which have risen spectacularly during the past 10 days or so. In several cases early rises were reduced while in others decreases were substituted for gains. In the non-mining list caution, promoted by apprehension over post-war possibilities, prevailed generally in dealings.
