Mother Gave Her Child Away.

Had Given up all Hope of Living. Heart Trouble was Cured by Milburn's Heart and Nerve Pills.

Mrs. Andrew Savoy, Grattan's, N.B., writes:—"In the year 1905 I was taken sick and did not think I could live any length of time. My trouble was with my heart and people told me that nothing could be done for a case like mine. I consulted the very best doctors but they could do me no good. For seven weeks I could hardly cross the floor. I had no pain, but was so weak nobody in the world can believe how I felt. I had given up all hopes of living and had given my little girl to my sister-in-law.

"One day a friend came to see me, and calling me by name, said, 'Lizzie, if I were you I would try a dose of Milburn's Heart and Nerve Pills as they are good for heart trouble.' My husband got me a box, but for two days I was not feeling any better, but on the fourth day my husband said, 'I believe those pills are doing you good.' I was able to say, 'Yes, I feel a good deal better this morning.' He said, 'Well, I will get you another box right away.' I took two boxes and three doses out of the third one, and I was perfectly well and have not been sick since then.

"I will never be without them in my home for God knows if it had not been for Milburn's Heart and Nerve Pills, I would not have been alive now."

Price 50 cents per box, 3 boxes for $1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Only a Common Cold,

BUT IT BECOMES A SERIOUS MATTER IF NEGLECTED.

Pneumonia, Bronchitis, Asthma, Catarrh or Consumption is the result. Get rid of it at once by taking Dr. Wood's Norway Pine Syrup.

Obstinate coughs yield to its grateful soothing action, and in the racking, persistent cough, often present in Consumptive cases, it gives prompt and sure relief. In Asthma and Bronchitis it is a successful remedy, rendering breathing easy and natural, enabling the sufferer to enjoy refreshing sleep and often effecting a permanent cure.

Mrs. Henry Smallpiece, Bradwall, Ont., writes:—"I was always subject to a cough and could get nothing to relieve me until I saw an advertisement of Dr. Wood's Norway Pine Syrup and thought I would try a bottle, and when I had taken a few doses I found I was getting relief, and when I had finished it I was cured. I procured a bottle for my baby, who had a cough, and a few doses cured him. I would advise anyone having a cough, to give Dr. Wood's Norway Pine Syrup a trial and I am sure they will never be without it."

Dr. Wood's Norway Pine Syrup 25 cts. per bottle at all dealers. Put up in yellow wrapper, and three pine trees the trade mark. Refuse substitutes. There is only one Norway Pine Syrup and that one is "Dr. Wood's."

OVERFLOW OF QUEEN'S COUNTY

A. Eck of Spokane, says the Spokesman Review, has sold his farm of 640 acres on Rattlesnake flat to A. M. Gillis of Washtucna for $18,000. This is the largest real estate deal in this section for six months. Mr. Eck was formerly a rancher in this county. He will invest in Spokane city property. The A. M. Gillis referred to in the above is a brother of J. D. Gillis who lately returned from the diamond mines Joannusburg, South Africa. Mr. Gillis visited his old home in Garfield, P. E. I., two years ago and on his return he purchased a section of land in Washtucna for $20,000.

John Horne shipped eight draft horses last Tuesday to parties in North Sydney, two greys, two chest nuts, two bays, one black and one dark brown, all weighing over twelve hundred pounds. Dr. J. Henderson, V. S., examined the lot and gave Mr. Horne certificates for soundness. The doctor being asked what he thought of the lot remarked "They are I think the best bunch of horses I ever examined." He also remarked "I would be safe in granting Mr. Horne a certificate for soundness without seeing the animals, providing Mr. Horne bought them for sound animals, knowing he is one of the best horse dealers and knows a good one every time."

At a meeting of the League of the Cross held on Sunday the 10th inst. the following resolution was unanimously passed signed by Spurgeon Gallant, Andrew Butler and Stanislas Acquaid. Whereas it has pleased almighty God in his infinate wisdom to call from earth the estimable mother of our brother Thomas Flynn and whereas the members of the League of the Cross deeply feel the said affliction thus brought on our brother member and his home. Therefore be it Resolved. That we extend our most profound sympathy to brother Thomas Flynn and other members of his bereaved home in this hour of sad affliction and may kind providence look in mercy upon them. And be it further resolved that a copy of this resolution be presented to Brother Flynn and spread on the minutes of our Society and a copy be sent to the press for publication.

At the regular meeting of the Labors Protective Union held in their hall on Jan. 11, 1909 the following kind words were unanimously passed signed by Stanilus McCabe, Patrick Dennis and Edward Nicholson. Whereas it has pleased Our Heavenly Father in his infinite wisdom to call from her earthly home to her everlasting happiness the wife of our worthy Brother Patrick Flynn. Therefore we the members of the L. P. U. hereby extend to Brother Flynn and sorrowing family our sincere and heartfelt sympathy, in their sad bereavement. But we would remind them that they are not as those who "sorrow without hope" as after a period of patient suffering she died in the full hope of a glorious immortality. Therefore resolved that we send a copy of these resolutions to Brother Flynn also to the press for publication and also inscribe them on the Minute Book of our organization and that we drape the charter of our Union for thirty days.

A number of distinguished names appear among the contributors to the January number of The Canadian Magazine. Prof. Goldwin Smith writes a timely and most interesting consideration of The Crisis in India, and Sir Charles Tupper writes on An Incident of Confederation. These two contributions alone would make the number one of more than ordinary interest, but there are as well important features, including The Head-hunters of Formosa (illustrated), by Thurlow Fraser; Five Famous Empty Chairs (illustrated), by Frank Yeigh; The Lovelis Ladye of Holyrood (illustrated), by Jean Blewett; Plays of the Season (illustrated), by John E. Webber; The Modern Olympia, by H. J. P. Good; Bulgaria: A Study in History (illustrated), by J. Castell Hopkins, with short stories by Lilian Leveridge, Hesden Hill, Carl Ahrens, and poems by Isabel Eccleston Mackay, Virna Sheard, George Herbert Clarke E. M. Yeoman, Jean Blewett, James P. Haverson and Louise C. Glasgow.

Gentlemen,—I have used MINARD'S LINIMENT from time to time for the past twenty years. It was recommended to me by a prominent physician of Montreal, who called it the "great Nova Scotia Liniment." It does the doctors' work; it is particularly good in cases of Rheumatism and Sprains.

Yours truly,
