Made for Service

When we began the manufacture of Steel Ranges we decided there was only one thing to do and that was TO MAKE THE BEST

The wisdom of this course has been amply justified by results. Today the Enterprise Monarch Steel Range

is being sold in every province in Canada and is steadily growing in popularity. There is only one reason for this, and that is, the real merit it possesses.

Send for partial list of those having it in use or ask your dealer to show it to you. REMEMBER, every MONARCH is guaranteed to be perfect in fit, finish and operation.
