Two Prayers.

A mother bowed beside a cot where still and white there lay
A tiny babe whose stiffened lids shut out the light of day;
Wild in her grief she moaned and cried and kissed the dimpled face,
And held the tiny form by whiles in passionate embrace.
Scarce twenty years had passed her by—her brow was smooth and fair;
Her great life lesson still unlearned—how much the heart can bear.
And as she groped her way to God through sorrow's storm-cloud wild,
The cry went up, "Oh ease the weight and give me back my child!"

When years had gone with blight and bloom, and o'er her face there lay
A calm like twilight still, that steals, grey-garbed, twixt night and day.
She knelt again, above a face, death-fixed and wan and white,
And moaned, "Ah, when your eyes were closed my life had lost its light!"
She stroked the scant grey hair that lay untossed from aching brow,
And chid herself from bitter grief to say, "He's resting now;
I've lived almost the fourscore years, the parting's not for long,"
And then she prayed, not "ease the weight," but "make my shoulders strong."

MADGE MERTON.

MAKES FLESH AND BLOOD.—When the system is all run down and there seems to be no hope of obtaining nourishment for the body by the ordinary process of food supply and digestion, when the body is sinking fast, then is the time to use Miller's Emulsion of pure Norwegian Cod Liver Oil. It always works wonders, because it is a flesh and blood maker and contains all the constituents for nourishment found in wheat, in fact, Miller's Emulsion is a perfect "staff of life," and has saved and cured thousands. In big bottles 50c. and $1 at Charlottetown drug stores.

The typhus and black smallpox epidemics are spreading across the frontier of Austro-Hungary into Galicia.

By looking at the quotations of the Virginia tobacco markets it will be found that the highest price paid for "fillers"—which is the tobacco which forms the body of the plug—very closely corresponds with the invoiced price of tobacco leaf imported into Ontario. As over four-fifths of all the leaf imported into the Province is for "Myrtle Navy" stock, this fact is official proof of the claim that the "Myrtle Navy" is made of the finest Virginia leaf.

The cost of legislation for the Dominion for a year is $932,187, and of civil government $1,308,846. In Ontario legislation cost $191,475, and civil government $219,863. In Quebec the figures for these services are $231,763 and $224,544. The cost of government and legislation in the smaller Provinces must aggregate nearly half a million a year, making the total cost of the machinery of government in Canada nearly three and a half millions.

A REMEDY that is endorsed by physicians must have some merit, for no physician of any standing will place his seal of approval on a preparation unless he knows it to be good. Now Estey's Emulsion of Cod Liver Oil is not only endorsed by physicians but largely used by them in their practice. febl 1m

PHOSPHOLEINE

when they became smooth and soft.

SCROFULA AND SALT RHEUM.

Dear Mr. Eager.

I have much pleasure in giving you a record of the effect produced by the use of your PHOSPHOLEINE. The following cases have come under my particular attention while visiting the sick and poor: A case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparillas in use, but for the past 19 years obtained no relief. After taking three bottles of your PHOSPHOLEINE his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption: The cough was eased, and the patient regained flesh and strength. This case is past curing, and the patient was pronounced so by physicians; but had she obtained of your medicine sooner, would no doubt have been cured. A case in which patient had given up the use of alcohol: The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health and strength by using your PHOSPHOLEINE. I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself. I remain yours, &c.,

E. C. NEWBERY.
