Departure From District Is Regretted

A large number of the residents of Sherbrooke and St. Eleanors gathered at the spacious home of Mr. Charles Yeo, Sherbrooke on the evening of July 23rd to bid farewell to Mr. and Mrs. Leonard Small of Sherbrooke who through ill health have found it necessary to sell their farm and stock and move to another community.

Mr. Leonard Pickering was the chairman of the evening and he called upon Mr. James Chappel who read an address to Mr. and Mrs. Small and presented them with a substantial cheque on behalf of the members of the community. The address expressed regret at their departure from the community but recognized its necessity and said that their former neighbors wished them improved health and happiness in their new surroundings. The address further referred to the fact that Mr. Small had always been interested in anything for the betterment of the district and had served for many years as secretary of the Board of School Trustees and as a director of the telephone company.

Following this, an address was read to Mrs. Small by Mrs. Eric Chappel and a presentation of a beautiful silver locket was made by Mrs. Brewer Linkletter on behalf of the Women's Institute. Reference was made to Mrs. Small's untiring interest in the institute and her readiness at all times to help the sick and needy. Mrs Small spoke in reply on behalf of Mr. Small and herself and thanked their friends and neighbors for their kindness and thoughtfulness. After this a pleasant social evening was spent and a delicious lunch was served.—S.

NEWS FROM CAMP BUCHAN BY RED PINE

CAMP BUCHAN, July 28th —The Honor Patrol flag was wrested from Mink Patrol by the Beaver Patrol of Abe Zakem after a close inspection and then Tall Timber took his class on pioneering for a timber-felling period when they felled enough timber to put up a tower when they have completed their lashing instruction. Most of the boys worked on their Athlete's Badge in the afternoon and several boys completed the test for it. The names of boys who have passed the various badges will appear in the newspapers on the completion of camp.

In the evening the camp was visited by Mr. P.R. McCormick, President of the Queen's District Council, who spoke to the boys at their Council Fire. Several original skits were presented to the boys who expressed their approval with the Scout cheer "Zigamala" and then the camp quietened down for a good night's sleep.

CAMP BUCHAN, July 29th — Immediately after inspection, which was won by the Mink Patrol again, Church Service was held for the Protestants and Roman Catholics. The Protestant service was taken by the Camp Chief, the Rev. S.J. Davies and Father Francis MacDonald, assisted by a Seminarian. Mr. David McTague held the service for the Roman Catholics.

In the afternoon parents and friends of the Scouts visited the camp and went around and inspected the boys Patrol Sites and were very well pleased with the condition in which they found everything. At supper the boys enjoyed ice cream which was brought out by Mr. Joseph Kays in the afternoon, and after supper their canteen was added to by chocolate bars brought out by Mr. P.R. McCormick and plums from Mr. Albert Zakem. Because of the wet weather the Council Fire was held in the dining shelter when Thundercloud and Tall Timber serenaded the boys with guitar and harmonica melodies with added attractions by Carmon Thompson, Bill Sitland, Jimmy Ibbott and Red Pine. The Chief also displayed his versatility and brought down the house with his contribution and the Council Fire ended with the singing of "Abide With Me", "Now The Day Is Over" and Taps.

Kensington Establishes Town Planning Board

The town of Kensington has taken up the matter of Town Planning in connection with post war reconstruction in a most enthusiastic and commendable manner. Three meetings on the subject have been held there within the past week.

First was a meeting of the Town Council with some 35 or more citizens present by invitation. His Worship Mayor Russel C. Champion presided.

Mr. O. B. Darrach was asked to furnish some details of the existing briefs as prepared by the Provincial Reconstruction Committee for presentation next week at Ottawa.

Mr. Darrach outlined the proposed educational program as well as financial assistance that may be given incorporated towns to aid them in manipulating post-war reconstruction plans. He emphasized the great need of the Town of Kensington for a modern water and sewerage system. Another point which he stressed would be the advantage of the Regional High School system for Prince Edward Island as contained in the reconstruction program for this province.

Mr. Darrach's remarks were followed by an "open forum" in which practically every citizen present spoke and endorsed the town's need for a water and sewerage system along thoroughly modern lines.

Before adjournment of this enthusiastic gathering the Mayor announced a special session of the Council to be held the following noon-hour for the express purpose of appointing a community planning board under provincial legislation (Bill 41) which had been assented to by His Honour the Lieutenant Governor on April 19, 1945, entitled the "Town Planning Act."

At this meeting the Mayor presided over a full Board and there was appointed a Town Planning Board, with personnel and retiring terms of office as follows:—

O. B. Darrach, James E. MacNeill and F.M. Davidson, (to serve Board for a term of 6 years).

Frank R. Nauss, Wilfred Taylor and Dr. W. P. McBride, (to serve 4 years).

W. L. Delaney, Wm. Semple and Keir Clark, (to serve 2 years).

All these are subject to reappointment.

The Councillors appointed to the Board to serve on a yearly basis were Councillors R. S. Humphrey, W. H. Darrach, and J. L. Davidson.

The Mayor of the town will be a member of this Board from year to year, ex-officio.

The new planning board as chosen by the Council met on Thursday, July 26th at 9 a.m. in the Masonic Hall, with a full attendance of members. His Worship the Mayor called the meeting to order and the election of officers to serve on the Board followed.

These comprised: Frank R. Nauss, Manager of the Bank of Nova Scotia, as chairman; Dr. W. P. McBride, vice chairman; O. B. Darrach, secretary-treasurer.

To complete the organization of the Board it was unanimously suggested that the town assessors, A. Layton Rogers and Charles Kennedy, be invited to sit in on all Board meetings.

The work of preparing the subject-matter of the proposed briefs was then completed.

The secretary was authorized to acquire the necessary maps, which along with various graphs and texts comprising the factual data of the town as it exists today, will be submitted for approval prior to the filing of the adopted official plan.

It was unanimously agreed by a standing vote that each member would assume his full responsibility in the duties assigned to him.

This series of meetings was outstanding in importance from the fact that they marked the establishment of the first official planning board to be inaugurated in the Province.

BRADALBANE W.I.

The regulr monthly meeting of the Bradablane W.I. was held on July 3rd at the home of Mrs. Allan Hickox, with an attendance of seven members. The president presided and the meeting opened by singing the Ode and repeating the creed. The reports of the committees were given and the sick committee, Mrs. Somers and Mrs. Mayne, were re-appointed. Mrs Woodside reported that the school children had been treated with chocolate bars and plums at the school closing. It was decided to clean the school before the reopening, the date to be set at the August meeting. A committee of five were appointed to get the "soldiers box" ready for the convention. A sum of money was voted for same.

Mrs. Morrison extended an invitation to meet at her home for next meeting, roll call to be answered with a get well or sympathy card. Meeting closed by singing the National Anthem.
