Notice to Travellers.
IT has become an established fact that accidents will happen notwithstanding the care and attention which may be paid to the safety and convenience of travellers. Explosions will take place, bridges will be left open, and cars run off the track as usual.
It is well enough for the public and legislators to caution companies to "beware," and "take heed," yet these casualties will occur, which result in severe contusions, broken limbs, burns, bruises, &c.

The Mexican Mustang Liniment,
Upon such occasions, is invaluable! The wonderful effects of its soothing and healing properties have induced many, who have tried it, to always carry a bottle of it with them when they are travelling.
Frequent tests have proven it to be efficacious in curing Lameness, Sore Throat, Contracted diseases, Corns, Ulcers, Old Sores, Neuralgia, Toothache, Earache, &c. Also Spavin, Ring-bone, Scratches, Cracked Heels, Chafes, Galls, &c., on *Horses* and *other animals*. It is also a sure remedy for Rheumatism, and we GUARANTEE it to cure PERMANENTLY in every case for which we recommend it.
Many Physicians use it because they can depend upon it—so can their patients.
Farmers and Livery-stable Keepers.
Say they WILL have it, and will not be satisfied without it, after giving it a fair trial. Therefore we say to these parties, give the Mexican a good and *use the Mustang Liniment!* It has become so thoroughly introduced throughout the United States, British Possessions, and West Indies, that it is almost impossible to step off the cars at any Station without beholding the gay banner of the "Mustangs."
The prices are as follows:—25 cents, 50 cents, and $1 per bottle; the 50 cents and dollar three times as large as the 25 cent size, and the $1 size nearly three times as large as the 50 cent size, so that the large bottles are cheap.

Elkington & Co's. Patent Electroplate.
HAS now been before the public since 1841, and after the most severe test of wear, in the vessels of the Royal Mail Steam Packet Company, the Peninsular and Oriental Company, the General Screw Steam Ship Company, the Pacific Steam Navigation Company, and numerous Club Houses, Hotels, and Private Families in every part of the world, continues to give the most unqualified satisfaction, supplying as it does all the advantages of silver in utility and beauty at a cost which will be found less than the interest of money upon the cost of silver Goods for a period of seven years, is alone sufficient to purchase Electro Plate, and this, with the now established fact of its extreme durability, makes it a matter of great importance to all purchasers of such articles. It must be evident that the wear of all articles depends on the thickness of the deposit, and the Patentees refer with great satisfaction to the award made by the Royal Commission of the Great Exhibition, 1851, of THE FIRST CLASS OR COUNCIL MEDAL for these productions.
A large assortment of the above Goods has just arrived per Ciccly, direct from the manufacturers, and is now ready for sale.

MRS. WINSLOW.
An experienced Nurse and Female Physician, presents to the attention of Mothers, her
SOOTHING SYRUP,
For Children Teething.
For the Nervous Affections, Convulsions, Fever, Inflammation of the Bowels, and all pains attendant this period of children, she recommends it as sure to produce the desired effect, giving *Rest to the Mother, and Relief and Health to the Infant.*
A child in Congress-Street was cured by the Soothing Syrup, of Infantile Dysentery or Diarrhœa after being given over by the attending Physician.
Mr. Blackman, of Eddington says, it has never *failed to cure* the Dysentery or Diarrhœa in children whenever used in the village. Lots of it is sold.
One parent informs us that it has sufficed to an alarming extent, with Flatulence or Wind Cholic. Lately they have used the Soothing Syrup, and it always effects a *speedy cure.*
Hundreds of like instances might be enumerated.
PROOF POSITIVE.
Messrs. CURTIS & PERKINS:—Please send us a further supply of Soothing Syrup. We are selling large quantities of it, and from what we can learn, it is *well with satisfaction* among both by children and adults, in all cases of Dysentry or Diarrhœa.
Yours respectfully,
W. D. CRUMBIE,
J. MORRELL.

We cheerfully comply with the request of a friend to insert the following letter which we are assured is from a lady of the first respectability, residing in Lowell, Mass., believing that a vast amount of suffering may be prevented, and many valuable lives saved, by calling the attention of mothers to this valuable prescription of an old and experienced nurse:
Dear Sir:—I am happy to be able to certify to the efficiency of Mr. Winslow's Soothing Syrup, and to the truth of what it is represented to accomplish. Having a little boy suffering greatly from teething, who could not rest, and at night by his cries would not permit any of the family to do so, I purchased a bottle of Soothing Syrup, in order to test the remedy, and when given it to the boy according to the directions, its effect upon him was like magic, he soon went to sleep, and all pain and nervousness disappeared. We have now no trouble with him since; and the little fellow will pass through with comfort, the excruciating process of teething, by the sole aid of Mrs Winslow's Soothing Syrup. Every mother who regards the health and life of her children, should possess it.

Last spring, had a very violent attack, which laid me up, when I made use of the *Cramp* and *Pain Killer*, prepared by Messrs. Curtis & Perkins, of Hungry. It gave me immediate relief, and I do not hesitate to say, that it is the best article I ever used. I cheerfully recommend it to all who may be afflicted with similar complaints.

HUNTER'S PULMONARY BALSAM.
Hear what the Daily Mercury of Bangor says of Hunter's Pulmonary Balsam.
Hunter's Balsam. It is not often that we can say anything favorable of patent medicines, on the testimony of those with whom we are acquainted, who have used the article in question. But in regard to Hunter's Balsam, put up by our fellow citizen, Jeremiah Curtis, Esq. we have the testimony of many of our most respectable citizens, and neighbouring towns, unanimous in its praise. The testimony of one individual with whom the public are acquainted, carries with it more weight than whole columns of certificates from strangers, whose faces we never saw, and whose certificates, for aught we know, may have been procured by fraud. INDIAN DISPEPSIA PILLS,
For cure of Costiveness, Acidity of the Stomach, Bilious Habits, Headache, Dizziness, Heart Burning, Pain in the Side, Loss of Appetite, &c.
DYSPEPSIA AND INDIGESTION,
With Costiveness, Acidity of the Stomach, Heart Burning, Bilious Complaints,—producing Headache, Pain in the side, Loss of Appetite, and general Debility,—can be rendered, in a short time, and entirely cured, by the use of the *Indian Dispepsia Pills.* These Pills have effected the most astonishing cures in hundreds of cases of the above complaints, and are an invaluable remedy, in an especial manner, for Dispepsia. They are a mild and gentle Cathartic, operating mostly upon the blood, cleansing and purifying the same, and causing the digestive organs to perform their appropriate duties, with regularity.
COSTIVENESS.
Habitual Costiveness is, if not removed in time, a cause of more than half of the miseries and pains to which humanity is subject. The medicines too generally had recourse to, do more harm than good, as they weaken the peristaltic action of the bowels, and thus aggravate the evil of costiveness ten-fold.
Also, in all Bilious Diseases, attended with Pain in the Side and Right Shoulder Blade, with a dull, yellow complexion, as well as Fever and Ague and IFever, Bilious Fever and sick headache, they are an valuable Remedy.n
They will be found the best Family Physic in the world, purifying the blood, restoring the appetite, keeping the stomach and bowels in a healthy state. Price 25 cents per box.
For purifying the Blood we do not believe these Pills have their equal in the world.

The Great British Quarterlies, and Blackwood's Magazine!
LEONARD SCOTT & CO. New York, continue to Re-publish the following British Periodicals, viz.:
1. The London Quarterly Review (Conservative.)
2. The Edinburgh Review (Whig.)
3. The North British Review (Free Church.)
4. The Westminster Review (Liberal.)
5. Blackwood's Edinburgh Magazine (Tory.)
☞ The present critical state of European affairs renders these publications unusually interesting. They occupy a middle ground between the hastily written news items, crude speculations and flying rumours of the daily Journal, and the ponderous Tome of the Philosophical historian, writes after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that people must look for the only reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.
Arrangements are made for the receipt of early sheets from the British Publishers, by which we are able to place all our Re-prints in the hands of subscribers, about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the Periodicals at the same low rates as heretofore, viz:—

	Per an.
For any one of the four Reviews	$3 00
For any two of the four Reviews,	5 00
For any three of the four Reviews,	7 00
For all four of the Reviews,	8 00
For Blackwood's Magazine,	3 00
For Blackwood and three Reviews,	9 00
For Blackwood and the four Reviews,	10 00

Payments to be made in all cases in advance.
They can be received by Mail at a very small additional postage.

The Renowned Remedy;

HOLLOWAY'S OINTMENT.
A MOST ASTONISHING CURE OF SCROFULOUS ULCERS.—A CASE CERTIFIED BY THE MAYOR OF BOSTON.
Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.
To Professor HOLLOWAY.
Dear Sir,—Mrs. Sarah Dixon, of Liquorpond street, Boston, has three duty opened before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body; and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.
Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symptoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules, as to diet, &c., she was perfectly cured, and now enjoys the best of health.
I remain, Dear Sir, yours truly,
(Signed) J. NOBLE.
Dated August 12th, 1852.
AN EXTRAORDINARY AND RAPID CURE OF ERYSIPELAS IN THE LEG, AFTER MEDICAL AID HAD FAILED.
Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bognor, Sussex, dated January 12th, 1853.
To Professor HOLLOWAY,
Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent amendment, when I resolved to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighborhood similarly afflicted, who derived equal benefit.
I am, Sir, your obliged and faithful Servant,
(Signed) ELIZABETH YEATES.
A DREADFULLY DISEASED ANCLE CURED AFTER being GIVEN UP BY THE FACULTY, AT MALTA AND PORTSMOUTH HOSPITALS.
The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King-st., Norwich.
Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 19th, 1853.
To Mr. DIXON,
Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's valuable medicines:—Mr. John Walton, late in Her Majesty's Service, in the British fleet at Malta, had a very bad ulcerated ancle, and after having been in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inpatie four months, there, as at Malta, refusing to have the limb amputated, as he was turned incurable. He then came to Yarmouth, and was under a medical gentleman for about three months, but his ancle became worse, and at last the limb was lost. At this period, by my advice, he tried Holloway's Ointment and Pills, which, by unremitted application, healed all the ulcers, and restored him to perfect health and strength.
I remain, Dear Sir, yours very truly,
(Signed) JOHN SMITH.
Albert Hotel, Great Yarmouth.
SURPRISING CURE OF A BAD BREAST, NERVOUS DEBILITY, AND GENERAL ILL HEALTH.
Copy of a Letter from Mr. T. F. Ker, Chemist, &c., Lower Moss-lane, Manchester, dated February 12th, 1853.
To Professor HOLLOWAY,
Dear Sir,—I have great pleasure in forwarding to you the particulars of a very extraordinary cure of a bad breast, effected solely by the use of your celebrated Ointment and Pills. Mr Martha Bell, of Pitt-street, in this town, had been for a considerable time laboring under nervous debility, loss of appetite and general ill health, occasioned by ulcerated wounds in the breast. She had had much experience in the use of all the known remedies for the cure of ulcers, but without any beneficial result; in fact she would have lost all faith and hope of a cure being effected. In this distressing and painful condition of body and mind, she was persuaded to have recourse to your invaluable Ointment and Pills, which she immediately did, and in the course of a very short time the effect produced was most astonishing: her appetite was speedily improved, and the sores and ulcers in the breast gradually healed, and the nervous excitement of her system was wholly removed.
I remain dear Sir, yours faithfully,
(Signed) FORSTER KER.
