Twelvetrees Brothers' Soap Powder

(in entirely new invention.)

IS the cheapest, safest, best, and most effectual article for all washing purposes, a packet of which is equal to ten Pennyworth of Soap!

The saving of Time and Labour is so astonishingly great, that a WEEK'S WASH can be accomplished BEFORE BREAKFAST—no rubbing being required.

This wonderful Article is MORE SERVICEABLE THAN SOAP, as it produces a softer and much quicker lather, and is adapted for purposes for which Soap cannot be safely or effectually used.

It will not injure the hands, or the most delicate material; but whilst it is incomparable for permanently whitening Linens, &c., after they have become discoloured by age, or injured by bad Washing, it is also unsurpassable for improving the colors of FLANNELS, BLANKETS, WOOLLENS, COLORED PRINTS, MUSLIN and LACE. LIST OF

British Periodical Publications.

FORWARDED by mail, under the provisions of the late Post Office Act, at merely nominal rates.

1. *The London Quarterly Review* (*Conservative*).
2. *The Edinburgh Review* (*Whig*).
3. *The North British Review* (*Free Church*).
4. *The Westminster Review* (*Liberal*).
5. *Blackwood's Edinburgh Magazine* (*Tory*).

Those Reprints have been in successful operation in this country for *twenty years*, and their circulation is constantly on the increase, notwithstanding the competition they encounter from American periodicals of a similar class, and from the numerous *Eclectics* and Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on firm basis, and will be continued without interruption.

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their *literary* character which gives them their chief value, and for this they are confessedly far above all other journals of their class. *Blackwood*, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Balzac and other literary notables, written for that magazine, and first appearing in its columns, both in Great Britain and in the United States. Such works as "The Caxtons!" and "My New Novel," (both by Bulwer), "My Peninsular Medal," "The Green Hand," and other serials, which have appeared in rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, and it has been issued by Messrs. Scott and Co., so that Subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.
