ARENA RINK SITE OF BIG CHAMPIONSHIP BOXING BOUT

Gigantic Arrangements Made To Handle Huge Crowd Expected At Title Bout This Evening—Bowers, Capetown, And Driscoll, H. M. S. Heliotrope For Lightweight Championship Of British Navy.

The chief topic of interest in the city at the present time is the championship boxing bout and other boxing attractions being staged at the Arena Rink this evening, the announcement of which is advertised elsewhere in this issue.

H. M. S. Capetown now in port has aboard two exponents of the manly art who will fight tonight for the lightweight boxing championship of the British Navy

Seaman Bowers, champion of the North Atlantic and West Indies Squadron will defend his title against Seaman Driscoll of H. M. S. Heliotrope, one of the fastest and cleverest lightweights amongst England's blue jackets. This bout which is the main attraction is scheduled for 10 rounds to a decision.

Four preliminaries are on the card and every bout is looked forward to with the greatest interest. Seaman Moir, lightheavyweight will meet either a local man or an opponent from the Capetown.

Jack Connolly, welterweight champion of Prince Edward Island is scheduled to fight O. C. Humphries of the Capetown.

Kaney McDonald, lightweight champion of the Island is matched with Seaman Milton and Stanley Steele, city will stack up against "Boy" Kerrigan also representing the Capetown.

These bouts which have attracted city wide attention will start at 9 o'clock sharp, doors opening at 8 o'clock.

It is needless to say that never in the history of boxing on the Island has there been such a card offered to the public and a capacity audience is anticipated.

His Worship Mayor Miller interviewed on the subject yesterday expressed himself most enthusiastically saying that boxing to his mind is one of the best methods of physical development for our young men. He strongly approves of tonight's attraction and sincerely hopes that the sport will receive every encouragement in the city of Charlottetown.

The stand taken by His Worship in this matter is really commendable and ranks Charlottetown, even at this early date among the foremost boxing centres in Canada—or even the United States.

The management in an endeavor to stage the attraction a la Tex Rickard style have made every arrangement for up-to-date ring accommodations, so much so that the squared circle will resemble in every way, shape and form the regulation boxing rings of the leading American cities. The public are invited to visit the Arena this afternoon, where the finishing touches are being added prior to the big bout.

Inaugural Service

The inaugural service of the Glen Wood United Church was held on Sunday afternoon, August 14th, 1927. This church is a union between the members of the West Point Presbyterian Church who favored union with the United Church of Canada and the members of the former Methodist church at Milburn, the church building from Milburn having been moved to Glenwood to form the meeting place. The inaugural service was commenced by the pastor, the Rev. J. M. Hooker. The sermon which was a most inspiring one, was preached by Rev. Clarence MacKinnon, D. D., Principal of Pine Hill Divinity Hall, Halifax. Doctor MacKinnon took his text from Numbers 25:13, making "Zeal" his subject. The musical part of the service was in the hands of the very able organist, Mrs. Edward MacDougall. An enlarged choir led the singing. To accommodate the congregation that packed the building extra seating arrangements had to be made.

The organization of the new churches is not yet completed, but everything is well under way. The name of the church as above has been decided upon. The Sunday School that had previously been held in the Glenwood Hall under the Superintendency of Mr. T. Gorrill, now meets in the Church. The Christian Endeavor meeting is also held there. As soon as possible the building will be enlarged. The ground for the site of the church has been given by Mr. Alfred Gorrill, while Mr. W. MacDonald has given ground for the shed to be built upon.

THE E. C. ADAMS IN PORT

As trim a looking craft as ever sailed into this Harbour is at present unloading a portion of her cargo —molasses and sugar— at Buntain and Bell's Wharf for DeBlois Bros., Ltd. The "E. C. Adams," under the command of Capt. H. G. Corkum, arrived in Charlottetown from Barbadoes after an eighteen days voyage a voyage attended by such weather which the Captain declares was the most perfect of any he has yet experienced during his forty-four years at sea.

Capt. Corkum belongs to Lunenburg, N. S. His first voyage to sea was at the age of ten. From his fifteenth year he has been continually a sea going man. But he states he is about to retire after forty-four years a sea-faring man, for thirty-one of which he has held master's papers. During that time Capt. Corkum has met with numerous experiences. "They would fill a page if I recounted them all," he said to a Guardian representatives. Tales of comedy and tragedy compose his repertoire of stories. About fourteen years ago while captaining a vessel he ran into a storm. For three days and nights lashed to the wheel, he fought the fury of the ocean. At last conquering, he brought his ship safely to port but at a tremendous cost. His son who was cook aboard ship was washed overboard along with the mate and a sailor. A harrowing experience it was for him but what must be faced by those who "go down to the sea in ships." His experiences is the basis of the play "Men of the Sea" written by the playwright Miss Lope Bartnett of New York who made a trip to the Barbadoes on his ship in order to get data for her stories. Capt. Corkum was in command of the first ship to safely navigate through the Irish Channel during the month of February in the second year of the war.

The E. C. Adams after discharging that part of her cargo consigned to DeBlois Bros., will sail next week for Summerside to unload the remainder.

THE MARKETS

MONTREAL, Que., Aug. 19. —The export trade in Canadian grain on the Montreal market today was inactive there being only small demand from foreign buyers. A moderate amount of business was worked in oats in the domestic market and prices were steady. The feature of the flour trade was the easier tone that developed for spring wheat grades and prices were reduced twenty cents per barrel. This was attributed to the reduction in the prices of wheat at Winnipeg. First patents were quoted at $8.70, second patents at $8.20, and strong bakers at $8.00 per barrel. Prices for winter wheat flour were well maintained under a fair demand. The undertone of the market for shorts and middlings continued strong owing to the good demand and the small supplies offered. Bran was quiet and steady. Extreme dullness marked the cheese trade and prices ruled steady. Western grades were quoted at 18 1-2 cents to 18 3-4 cents per pound. The receipts were 8,960 boxes. The demand for butter showed no improvement and prices were again inclined to be irregular. No. 1 pasteurized was quoted at 37 1-4 cents per pound. The receipts were 2,435 packages. The egg trade was dull and featureless, prices were unchanged. The receipts were 832 cases.

Ottawa, Ont., Aug. 19 — (Eggs) —A feature of the egg market situation today is the report of increasing receipts from south western Ontario. Markets on the whole showed little change with the firm position well maintained.

Toronto—This market is steady and unchanged with dealers quoting country shippers for ungraded eggs delivered extras 39, firsts 36—37, seconds 31—32.

Montreal—This market is advancing under light receipts. Sales are being made in a jobbing way at extras 45, firsts 40, seconds 35, although some small lots of extras have changed hands at as high as 46 1-2. With supplies short price is now a secondary consideration. A small lot of United States eggs which passed inspection as fresh seconds changed hands at 43 1-2.

Edmonton—The egg market here is steady. Prices to retailers are extras 40, firsts 37, seconds 31.

Calgary—This egg market is unchanged in tone and prices. Weather is cold for the season and receipts are very light.

Vancouver— Effective today paying prices to producers on this market for ungraded eggs delivered advanced to extras 36, firsts 34, nullet extras 31 with one firm quoting 2c higher. Prices to retailers are now extras 41, firsts 39, seconds 36.

St. John—The egg market here is firm with receipts light and jobbing prices have advanced 1c. Several distributors are now drawing on storage stocks.
