THE GREAT AMERICAN HAIR TONIC.

BOGLE'S celebrated Hyperion Fluid, for the growth and preservation of the Hair, is well known to be without a rival on this continent. Hundreds of imitations have started into an ephemeral existence since the introduction of this unrivalled Hair restorative, and their doom been sealed, whilst Bogles's Hyperion Hair Fluid, with a popularity never attained by any other article, goes on 'conquering and to conquer.' There is no malady, which can affect the Hair but can be cured by this incomparable preparation. To ladies it is invaluable; and on children's heads it lays the foundation of a good head of Hair. It is now patronized by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe.

BOGLE'S ELECTRICK HAIR DYE converts red or grey hair into a beautiful black or brown, the moment it is applied, literally dyeing the hair without staining the skin and leaves the Hair soft and glossy without injuring its texture in the least; a decided superiority over all other Hair dyes.

Bogle's Amole Shaving compound renders that usually unpleasant operation (shaving) a decided luxury.

Bogle's Hebeaiona removes Freckles and tan from the face in the shortest possible time, and is acknowledged to be the very best article for beautifying the complexion.

To be had, wholesale or retail, of W. Bogle, 227 Washington street, Boston, U. S.

ANOTHER INSTANCE OF TAPE WORM CURED BY THE USE OF DR. M'LANE'S CELEBRATED VERMIFUGE.

NEW YORK, October 15, 1852.

This is to certify that I was troubled with a tape worm for more than six months. I tried all the known remedies for this dreadful affliction, but without being able to destroy it. I got one of Dr. M'Lane's Almanacs, which contained notices of several wonderful cures that had been performed by his Celebrated Vermifuge. I resolved to try it; and immediately purchased a bottle, which I took according to directions; and the result was, I discharged one large tape worm, measuring more than a yard, besides a number of small ones. MRS M. SCOTT, No. 70, Cannon Street.

P. S. Dr. M'Lane's Celebrated Vermifuge, also his Liver Pills, can now be had at all respectable Drug Stores in this city.

☞ Purchasers will please be careful to ask for, and take none but Dr. M'Lane's Vermifuge. All others, in comparison, are worthless.

SICK HEADACHE AND GENERAL DEBILITY.

These complaints are in almost every instance, caused by weakness of the stomach and impaired digestion. Many persons who suffer from simple debility of the physical system, imagine themselves the subjects of numerous and indescribable diseases, and despair of finding a remedy for their peculiar complaints.

To all such, we say, try the Oxygenated Bitters; they give immediate relief in the most troublesome cases, by imparting tone and energy to the natural functions and strengthening the whole system.

Dr. A. JOHNSON'S
American Anodyne Liniment,

FOR the cure of Coughs, Colds, Influenza, Bronchitis, Asthma Pain in the Sides or Breast, Rheumatism, Cramp in the Stomach, Spitting of Blood and all Lung Complaints.—Manufactured by I. S. JOHNSON, Bangor, Maine.

Dr. Johnson's AMERICAN ANODYNE LINIMENT, an entirely vegetable preparation, prepared and intended for Internal and External application.

The inventor of this article was in the constant practice of medicine for 20 years, and by a long course of experiments upon the various diseases for which this Liniment is recommended, he became perfectly satisfied of its efficacy, and offer it with full confidence to the afflicted, as the result of his long experience, and best efforts.

This has long been a standard medicine, and enjoys the singular privilege of being known and patronized by a large portion of the medical Faculty, wherever it has been introduced.

With the firm conviction that it is the best remedy of the present age for all diseases for which it is recommended, the proprietor offers his Liniment to the Public; not doubting that it will sustain the high reputation it has already acquired. We do not affirm that this article is a cure for the ten thousand ills humanity is heir to, but let those who are afflicted with the following diseases, try it, and we can assure them they will find relief.

Inflamation of the Bronchia or Bronchitis, Rose Cold, Catarrh, Hard dry Cough, Whooping Cough, Hoarseness and common cold, Pain and Soreness in the Lungs, Stomach and Sides, caused by lifting or otherwise, Asthma and Influenza, for Sore Throat and Weak Lungs, for Chronic Diarrhea caused by Rheumatism in the bowels, for Cramp in the Stomach, for Stranguay, Gravel and Stone, Blind Piles, &c.

Externaly it will have the most happy effects, in all cases where any other Liniment would be used, especially for Rheumatic Affections, Chillblains, Chapped Hands and sore Lips; it is a sovereign remedy for the bites of flies, and other insects. There is nothing of equal efficacy to this for Horses and Oxen, where they are corked, cut, bruised, strained or chafed by the harness, and it possesses more than double the power of any other Liniment.

Inflammation of the Bronchia or Brochitis, for the cure of this disease it has been wonderfully successful. Those who had cases of long continuance have found permanent relief. S. D. Ward, Esq. (No. 10 Court Street Boston) who had a case of three years standing, has kindly permitted us to refer to him in proof of the efficacy of this valuable medicine; also in the case of a Rose Cold. This cold comes on when the flowers bloom in the Spring, and continues till the leaves fall in Autumn—if this disease is not attended to in season it ends in consumption. Take of the Liniment according to directions and a cure will result.

Catarrh, and noise of confusion in the head may be cured by a faithful trial of this Liniment, drop one or two drops in each ear at night before going to bed, and take it internally according to directions.

In all Coughs, the Anodyne Liniment is a well known remedy, particularly for Whooping Cough. The first symptoms should be checked, and not the least difficulty will occur in the cure of this complaint. For children half a teaspoon full of Liniment night and morning.

This Anodyne Liniment for sore throat and weak lungs, that complaint so common inallcountrie, sespecially in this climat stands unrivalled; and in every case, a complete trial will be marked by the most complete success.

The Blind Piles. The Anodyne Liniment has in a great number of instances of this distressing disease, made permanent cures. In connection with taking the Linimest internally external application should be made

The sale of this invaluable medicine is rapidly increasing, and the Proprietor can say with confidence that he has been the favored instrument of giving relief to thousands of the afflicted and suffering. The following certificates are genuine and he earnestly solicits all who may be afflicted, to give this Anodyne Liniment a fair trial, satisfied that if taken with a full determination to test its ability they will find relief.

Dr. A. JOHNSON'S
Jaundice and Dyspeptic Bitters,

These Bitters are not recommended to raise the dead, or perform any such miracles, but as a moderate Cathatic, and first rate article where a Bitter is needed. They give a good appetite, cure Jaundice and all Bilious affections,—operating on the Liver and Kindeys, and assisting nature in her efforts to purify the blood, and keep the human system in order.

Each Label will bear the signature of the inventor,
A. JOHNSON.
