SUNDAY SCHOOL LESSON

LESSON VII.—AUGUST 18.

THIRD QUARTER.

THE DAY OF ATONEMENT.

Lev. 16: 5-22 Memorize verse 22

GOLDEN TEXT.

Wherefore he is able also to save them to the uttermost that come unto God by him.—Heb. 7:25.

EXPLANATIONS.

Vs. 5-6. He—Aaron, who has been prepared for the work (vs. 1-4). Congregation—The whole people. Goats—(See also 4:4) Sin offering—For sins committed ignorantly. Burnt offering—(See Lev. 1:2 5). Himself—Conscious of his sin. House—The sin of Nadab and Abihu shows the need of this.

Vs. 7-10. Present—The choice was to be in the presence of the people. Lots—A common mode of selection. Scapegoat—To represent the putting away of sin, by the imposition of hands. Sin Offering—(See vs. 20-22). Let him go—Symbolically carrying away the sins of the people to an unknown place.

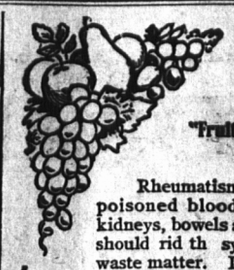
Vs. 11-14. Kill—Necessary in order that Aaron might be fitted to enter the holy of holies, for even the high priest could not enter without blood. Censer—With coals from the altar. Vail—Disappearing from sight.—Incense—Symbol of prayer. Die not—In the awful presence of a holy God. Blood—To make atonement first for himself (See Heb. ch. 9). Seven—Meaning completely or perfection of the service.

Vs. 15-16. People—Sacrificing this goat for the people, as he had previously made atonement for himself. Holy place—Sprinkling the mingled blood of bullock and goat.

Vs. 17-22. No man—Only the high priest could enter the holy of holies, and only he could purify the holy place. Live goat—Already presented before the Lord (v. 10). Hands—Transferring the nation's guilt to the animal. Away—A typical reference to Christ who bears away our sins.

PRACTICAL THOUGHTS.

1. Christ was a holy, harmless, perfect, divine sacrifice. 2. He was made sin for us that we might be free from sin. 3. There is no salvation possible except in and by the atonement of Christ. 4. We accept Christ as Saviour by faith, repentance, confession.



The Natural Cure For Rheumatism

"Fruit-a-tives" remove from the blood the poison which causes Rheumatism.

Rheumatism means poisoned blood. The kidneys, bowels and skin should rid the system of waste matter. If either of these vital organs become weakened or diseased, the body cannot throw off this waste fast enough.

One of these body poisons is UREA, which is eliminated both by the kidneys and skin. If the skin action is poor—if the kidneys are inflammed—urea stays in the system—is changed into uric acid—carried by the blood to the nerves and joints—and causes Rheumatism.

"Fruit-a-tives" cure Rheumatism because they eliminate urea, by increasing the action of bowels, kidneys and skin.

This is the only possible way in which Rheumatism can be cured to stay cured. And "Fruit-a-tives" is the only remedy in the world that completely eradicates the disease from the system.

"Fruit-a-tives" will cure almost any case of Rheumatism, Sciatica, Neuralgia.

"Fruit-a-tives" are fruit juices in which the natural medicinal action of fruit is many time increased by the process of combining them.

Then tonics and antiseptics are added and the whole made into tablets. 50c a box—6 for $2.50. At all dealers or from Fruit-a-tives Limited, Ottawa. 111

How Dunlop Heels Save the Nerves

Altho Dunlop Rubber Heels are fixt to the shoes, they actually fit in between each of the thirty-one joints of the spine.

They supply a cushion for the fall of the foot and thus absorb the jar that is sent thru the spine when the heel strikes the ground in the motion of walking.

Hard leather heels are good enough for walking over soft footing, but when solid pavements and hard floors have to be stept on, something is needed that will ease the force of the contact.

Most any rubber heel will help some, but Dunlop "Comfort" Rubber Heels will help most and wear longest—last as long as leather heels. They are made of live rubber thru and thru, and they will give spring to the step down to the last point of wear.

Everything in Dunlop rubber is made to uphold the reputation of the name "Dunlop" and worthy to bear this trade mark.

Put on by all Shoedealers.
