DOWN - THE - BACK STRETCH

When those notes appeared last Saturday there was an uncompleted day's racing of Old Home Week program and it proved one of the most exciting of the week. In the 2.19 Trot and Pace the St. Croix Stables', Calais, Me., Kavola, 2.06¾ driven by Joe O'Brien, won the first heat in a nose-out finish from the trotter Tracey Hanover. Tracey made a break in the second heat but headed all but Kavola to the wire. The third heat was one of the best two-horse races we have ever looked at. From the quarter pole to the finish Tracey raced on the outside of Kavola, nose and nose, and the spectators went nearly wild as they entered the stretch and came down it in the same relative positions. Tracey got the decision but it was just by a whisker. Time 2.10, equalling his trotting record. It was the second race for him during the week, he having taken part in the Classified Trot on Tuesday, finishing 2 2 in the first two heats won by Christie Budlong, and winning the third in 2.10¾. What a wonderful old horse—that is if you call 13 years old, for a horse that has been racing since he was a two-year-old, taking a record of 2.03¼ on the pace. Curiously enough Tracey disliked the pace and it was difficult to get him away, but he shows no signs of sourness as a trotter. Just the same driver Walker deserves a whole lot of credit for Tracey Hanover's rejuvenation. Other summaries in that race were O. U. Volo (Stead) 3 3 3; Watt N'See (Kelly) 4 6 4; Uhl Abbe (Ringuette) 6 5 5. Time: 2.08, 211¾, 2.10.

—o—

The 2.24 Trot (second division) was won by High Tide, owned by Harry O'Brien of Alberton and driven by Joe O'Brien with 1 1 2. Purple Valley (Jabalee) was 6 6 1; Lusticia (L. Kelly) 2 2 5; Eva Worthy (McIntyre) 2 5 4; Flo Direct (Walker) 4 4 3. our other starters. Time: 2.14; 2.15; 2.15¼.

—o—

By the way, the victory of Purple Valley in the third heat of the above race was a most unexpected one and the mutuels returned the fortunate holders of winning tickets $82.50. Purple Valley is a nice trotter but has his peculiarities, chief of which is he will not race to a bike sulky. Hooked to a cart in the third heat he was a paragon of perfection, never lifting his nose and winning off by himself.

—o—

The three-year-old futurity was won by Quaker's Boy in straight heats, driven by Johnny Conroy. The much over-looked Prince Budlong (Cudmore) was 3 2 2; C. Harry Budlong (Collins) 2 4 4; Bonnie Dale (W. Kelly) 4 4 3; Professor Clegg (Sibley) 5 5 5; June Morning (McDonald) 6 6 6; Marlene Budlong (O'Meara) 8 8 7; Margery Laurel (McVeigh & Schuman) 7 7 dr. Time: 2.20; 2.18; 2.17¼. Quaker's Boy is owned by George S. Turner, Dartmouth, who raced Quaker Girl so successfully some years ago, giving her a record of 2.03¼ on the pace. She was by Peter Volo, 2.02, and her dam was by Rawah, 2.03. Her son is sired by Calumeta Budlong 2.02¾ and certainly has the breeding to go on to a very low record. Everyone was pleased to see Mr. Turner a winner again with a son of the popular Quaker Girl 2.03¼.

Old Home Week of 1945 will go down in the records as one of the most exciting of all time. The racing was "tops" and the spectators went almost frantic urging on their favorites in many of the heats. The sum of $8,350.00 was distributed in purses, prizes, premiums and awards, the largest sum ever paid out at a Maritime meet. The track trotting record, 2.07¾, was lowered to 2.07¼ by Watchim, 2.03¾, owned by Alderman Frank Adams of Halifax, and $50.00 was awarded to Mr. Adams and $20.00 to driver Hood for wiping out the old mark. The British Consols Trophy for leading driver, donated by the Macdonald Tobacco Co., of Montreal, and $20.00 by the track went to Joe O'Brien. Johnny Conroy and A. Ringuette tied for second honors and in the draw Johnny won the $10.00. Driver Hood est heat trotted and driver Charles received $10.00 for driving the fastest heat paced with Widow's Pride Trimble $10.00 for driving th efast 2.05¾. Every winning driver of a race received $10.00 and every winning caretaker $5.00, and every owner will receive a beautiful rosette ribbon with the event won stamped on it in gold. The starter was Otto Irvine of Warren, Maine, who handled a very difficult three-days' meeting very satisfactorily.

The new Sydney race track has held two meets since its opening on August 8th and on both occasions have had splendid attendances. Our limited space allows only a short review of the various meets since Old Home Week. The 2.28 trot and pace at Sydney was won by Commodore Stout owned by E. Ratchford after Peter At Court had won the first heat. Best time 2.17 made by Peter At Court. Pearl Bumpus, winning her third race in a row made it three straight in the 2.22 trot and pace, best time 2.13¾. In the 2.17 Trot and Pace Grace Abbe won the first heat in 2.13, then the community-owned ex-Ohio pacer Cyclonic came on and won the next two and race, in 2.11¾, 2.11, showing that he is rounding into form or rather getting acclimated to our heavier atmosphere. The 16-year-old Clayton McLeod of Westville, N. S. won all three heats of the free-for-all with The Walnut Abbe, 2.06, and in the second set up a new track record pacing of 2.09¼.

—o—

Les Bickerton held a two-afternoons meet over his popular Amherst track last Wednesday and Thursday with good fields of horses taking part, fast time being made and a very fine meeting being enjoyed all the way through. The 2.25 trot and pace was won by Royal Tell driven by Barbine, with 1 1 2. The four-year-old Lillian Budlong, owned by Emmet Bourke, Charlottetown, driven by Clarence Schuman won the third heat and incidentally took a mark of 2.20¼. This mare is sired by Calumet Budlong and her dam is Plucky Scott 2.06. She has license to be a real one. No. 1 Classified was won by W. G. Stewart's Lee Reynolds, driven by Harley Harrison, 1 1 5. Dr. Seaman's Just Betty, driven by Johnny Conroy, 2 3 1. Four other starters. Best time 2.13 in the first heat. The No. 2 Classified was won by Harry Breen's Jacob Withrow, driven by Billy Hood, in three straight. Previous (Conroy) 2 2 2; Nell Kalmuck (Kelly) 3 3 4. The free-for-all, purse $750.00 saw the biggest upset on a Maritime track this season when Royal At Law, who had been repeatedly in the rear end of most of the races he took part in, with the exception of a win at Sydney, opening day, showed his heels to three of the top pacers on the circuit, winning with 1 1 1. He had changed hands at Charlottetown with Heber Sweeney turning him over to Walter Hennessey. Fitted with a set of light pacing shoes and the hopples let out two holes, and 19-year-old, 120-lb. Joe Hennessey up behind him he reeled off three heats in 2.09, 2.03¾, 2.10; Mighty Hanover (Harrison) 2 2 2; Josedale Hoosier (Hood) 2 3 3; Gay Law (Conroy) 4 4 4; The Great G (Dauphinee) 5 5 5.

—o—

Thursday's racing at Amherst saw each of the four events won in straight heats, Patrick Abbe (Harrison) taking the No. 1 Classified with Bonnie's Boy second and Judd third. Best time 2.11½. The No. 2 Classified was won by Nitro Hal, Queen's Dewey 4 2 2. Flo Direct 2 3 4. Best time 2.17¾. The 2.14 Pace was won by Colleen Scott (Harrison), Peter Brooke 2nd second, Bright Spot third. Four other starters. In the Junior Free For All, Rhea Mae upset the winning streak of the good pacer Wilkin that "Pomp" Bailey has had so much success with this season. Wilkin was 2 3 2; trotter Tracey Hanover 4 2 3, and Nate Hanover 3 4 4. Time: 2.09; 2.09; 2.11.

—o—

St. Stephen's three-day meet got off to a splendid start on Wednesday with a large attendance of spectators and good racing. The 2.26 Trot and Pace was won by Sister Henley, driven by Joe O'Brien, with 1 2 1. Iola Henley was 2 1 3. Five other starters. Best time 2.14¼, by Carnation Lady, winner of the third heat. The 2.20 Trot and Pace was won by John Farmer's, Kinkora, Winnie Scott, driven by Teddy Weir, in three straight. The three-year-old Cardinal, purchased last fall for a long price, and driven by Billy Keyes was 2 2 4; Peter Reamore (Joe O'Brien) 5 7 2. Five other starters. Time: 2.15; 2.13¼; 2.15½. The Junior Free For All was won by Jack Mehan's trotter Sunnymeade. Mehan was thrown in the first heat and the horse finished fourth. Sunnymeade won the next two heats, driven by Walker, driver of Tracey Hanover. R. A. Grattan, (J. O'Brien) 1 3 2; Peter Piper (Keyes) 3 2 3; All Grattan (Kirkpatrick) 3 4 4. Time: 2.19½; 2.10; 2.11.

—o—

Good racing was evidenced on Thursday at St. Stephen also. The Classified Trot was won by George Brookins' Buddy Moko with 1 1 5; Mae Todd (Keyes) 2 2 1; High Tide (O'Brien) 3 3 3. Two other starters. Buddy lowered his record to 2.13 in the second heat. The 2.14 Trot and Pace was won by Milt Bell's former pacer Hal McKinney 2.06, with 2 1 3, it being the best summary of three heats. Alcyone, driven by Joe O'Brien and McGibbon, was 1 6 4. Joe was thrown from the sulky scoring for the second heat and McGibbon substituted. Jimmy Power's Gifline, driven by Teddy Weir was 5 3 1. Three other starters. Time: 2.10½; 2.12½; 2.15. The Free For All Trot and Pace had four starters and Widow's Pride, driven by Tremble, made every heat a winning one. Tip Abbe (J. O'Brien) was 2 2 2; Harry Direct (Walker) 3 3 3; Lew McKinney (Clark) 4 4 4. Best time: 2.07¼.

—o—

The Twilight matinee meeting at Covehead Wednesday evening showed the following winners: Class A. Pace, Lady Hal (Moreside) 1 1 2; O. U. Volo (Stead) 2 2 1. Three other starters. Class B. Trot & Pace, Just Flicka (O'Meara) 3 2 1 1; Royal Jim (L. Kelly) 2 1 2 3; Geo Mac (Stead) 1 3 2 2. Two other starters: best time 2.16½ by Royal Jim. Classified Race: Nellie Worthy (Carr) 1 1 1; Bonnie Spruce (O'Meara) 2 2 2; Trixie Budlong (McKenna) 4 3 2. Five other starters. Best time 2.16½.

One of our most popular visitors whose presence we look forward to annually is Dr. F. W. Christopher, leading dentist of Boston, Mass. The Doctor always plans his holidays for Old Home Week and renews old acquaintances with hundreds of horsemen friends. Years ago he raced one or more horses and very frequently drove them himself. He is an authority on breeding, training and horse management generally and his retentive memory makes it easy for him to remember an apt poetical quotation that fits in very happily in conversation.

—o—

Over 80 years of age but in good physical condition and with a keen eye to the winners was Dr. J. A. Johnston who was accompanied by his devoted son, now a resident of Massachusetts and a prominent dentist. We always know where to find them—in the centrefield—and always think afterwards why couldn't we have had more time and enjoyed more conversation with them. But that's the way it seems. One just has time for a nod or a handshake with those whom we would like to spend a long, long time with.

—o—

Our Bank of Manhattan banker friend from New York City sends us a page from the New York Sunday News with photos taken at Roosevelt Raceway, Westbury, New York, where thousands come nightly to see the trotters and pacers under the lights. Number 1 is a great big farm wagon, drawn by four heavy horses arriving with eighty persons from farms in the vicinity. Number two is a good cut of Peter Song Jr., watched by a large throng of spectators, being harnessed for his race. Number three is drivers putting slips in the declaration box with names of horses they are entering in the night event. They vary in age from thirty to fifty years and are among the best in the great U.S.A. Number four shows the bettors at the $2 wicket and believe it or not they are jammed just as tightly as at the pari-mutuels Old Home Week. The record for a night's betting was $424,181, the largest sum ever to be wagered for a harness horse meeting. The final, which covers the bottom of the page shows the spectators with their minds on their wagers, their eyes on the race, awaiting the winner. They are all standing, there being no seats in the section of the track where this snap was taken. In this connection we may say that standing has been the rule most everywhere this season. The new Sydney track's grandstand seats 1800 and there were over 8,000 at its opening meet. Good Time Park, Goshen, New York, seats 4500 and there were 14,000 to see Titan Hanover win the Hambletonian. Charlottetown seats between 5500 and 6000 if packed full as it was Old Home Week. On Thursday there were 2000 season ticket holders present and 7,983 strip ticket buyers.

Harness horse racing is going over big in Montreal, a place formerly devoted entirely to the runners. As a matter of fact the runners have been slipping badly the last three years but no one in their wildest imaginings believed that the trotters and pacers would invade Blue Bonnets track, put on a show and draw crowds that knocked the attendance of the best runners' meet this season into a cocked hat. Just listen to what our own Maritime Elmer Ferguson has to say in his widely-read column, the Herald, Monday, August 13th:—"A new chapter was written on the week-end into the saga of what our more eloquent writers and speakers were pleased to term "historic" Blue Bonnets. The new chapter was the advent there of harness horses, the premier racing plant in these parts lending itself for the first time to the breed of horses who race pulling sulkies and in harness. The fastest mile ever paced in Canada, 2.00¾, was turned in by Guy H., now Quebec-owned but last season in the Wathen stable, Fort Fairfield, Maine. There were around 5000 fans out for the first day's racing and at least 10,000 yesterday. Never in this observer's recollection have there been so many automobiles at Blue Bonnets as yesterday, this including the halcyon days when the track attracted big gatherings.

—o—

"In front of the barns you saw huge vans with insignia unusual to those who have followed thoroughbred racing for a generation or two. The trucks were flamboyantly labelled as being from Sorel, St. Hyacinthe, Quebec City, Sherbrooke, St. John and such places, these being among the parts where harness racing flourishes and holds as keen a grip on the sports public as, for instance, does baseball or hockey here."

—o—

Elmer ends up with the following: "We judge that for a week-end sport harness racing could go over big here. If trimmed up, a news centre developed for disseminating facts and news by someone qualified to write or speak about harness racing, which is a rather intricate subject and requires a specialist to properly deal with it. More accurate plus a better and more informative program and a certainty that the fields advertised would be on hand." (Note: Our friend Elmer hints at dirty work at the crossroads, intimating that some of the other tracks to fill out their own programs, contacted owners at Blue Bonnets and whisked them away to their meetings by bribes or some such subtle method.) Yes, and rightly so. Why can't the parent association under which they are racing, prevent this?

—o—

Our Montreal correspondent has very kindly sent us clippings from Quebec papers giving summaries of various race meets during the past week and an ad for Blue Bonnets' harness race meet, the admission to which is $1.00 with extra of 50 to 75 cents for grandstand. He also sends a cut from the Herald of a racing scene from New York's Belmont Park on V-J holiday. The picture shows only a portion of the huge gathering watching Willing Spirit win. There must have been a hundred thousand people on the grounds that day, certainly a sight worth seeing. Most of the clippings are from French language papers but one can follow pretty well the winners and it is easy to see that harness racing is making vast strides in popularity in Quebec. Thanks, Harry, and we hope you saw Guy H. step that Canadian record pacing mile in 2.00¾.

Christie Budlong Winner Of Free-For-All At St. Stephen Meet Yesterday

ST. STEPHEN, N. B., Aug. 24—(CP) — Though all three races were decided in straight heats, today's harness race card here provided the closest and keenest competition of the three-day meet.

The best competition came in the Free-For-All Trot and Pace where George Brookins of Kensington, P. E. I., brought his Christy Budlong from behind in each heat to chalk up a popular win.

An accident marred the program for the third day in a row, when Diana O. Grattan and Sweet Marie Lee collided in front of the stands in the 2:23 Trot and Pace. Driver W. Jardine, reining the Grattan horse, was thrown about 20 feet but escaped uninjured.

Scotty Budlong, owned by Ronny English of Pictou, N.S., took that event, while Kavola with Joe O'Brien in the sulky won the 2:17 Trot and Pace. Kavola is owned by the St. Croix Stables of Calais, Maine.

Cards Win 1-0 From Cubs In Pitching Duel

(By The Associated Press)

National League pennant possibilities rode on almost every pitch yesterday as St Louis and Chicago opened an important three-game series, and it wasn't pitching laxness, but a "break" of the game that gave Cardinals a 1-0 victory.

Hank Borowy, recently waived out of the American League and acquired from New York Yankees by Cubs, and Harry Brecheen hooked up in one of the tightest pitching duels of the season in Chicago and kept a crowd of 44,732, including 37,227 paid admissions, almost breathless.

Card's victory reduced Cubs' lead in the National League pennant race to 4½ games.

Brecheen gave the Cubs only four hits, all singles, in winning his ninth game, and Borowy allowed only three. It was a play at first base that gave St. Louis the break that led to the victory and Borowy's second loss, against four wins, since joining the Cubs.

Whitey Kirowski hit a low bounder to Len Merullo at shortstop. In his haste to get the ball to first base, he threw high, forcing Phil Cavarretta to leap straight up into the air to stop the ball. Kurowski touched first before Cavarreta had dropped down to the bag, and was called safe by umpire "Dusty" Boggess.

Cincinnati Reds weathered a last inning drive by the Pirates to gain a 2-1 victory before 12,723 fans at Forbes Field in Pittsburgh.

Veteran Ed Heusser limited the Bucs to eight scattered hits to win his ninth triumph of the season and snap his teammates' six-game losing streak.

Feller Pitches Indians To 4 - 2 Victory

(By The Associated Press)

Rapid Robert Feller blazed his strike-out pitch past 12 Detroit Tigers last night in his first major league appearance after nearly four years in the navy to hurl Cleveland Indians to a 4-2 victory over the American League leaders.

Feller hurled hitless ball for the last 6 2-3 innings as he limited Tigers to four singles to hand Detroit ace Hal Newhouser his eighth defeat against 20 victories.

A roaring crowd of 46,477 Cleveland fans cheered Feller's triumph as Pat Seerey blasted his 13th home run with one aboard in the first inning to give Cleveland a 2-0 lead.

Capt. Judy will be tendered a supper by the Kennel Club at Dalvay on Sunday evening.

As stated in this paper before Capt. Judy has travelled extensively and is a nationally known figure wherever dog shows are held and his appearance here will add just that much more to the Charlottetown Show which already promises to be the outstanding one of the season in the Maritime Provinces.

Large entry lists, already there are over 125 dogs entered which includes many different breeds, preparations that are up to the minute, and a hard-working band of officials assures one that the show will go over in a big way and it is fully expected that the attendance at the Forum next Wednesday will far surpass last year's good crowd.

Graziano Wins By Kayo Route From Cochrane

NEW YORK, Aug. 24 — (AP) — For the second time within two months, Rocky Graziano, the dead end kid from the East Side, flattened welterweight champion Freddie (Red) Cochrane of Elizabeth, N. J., in the 10th and last round of a non-title bout in Madison Square Garden.

In chalking up his fifth straight kayo in a row Graziano floored the game but outclassed champ seven times in the last two rounds, all for counts of nine.

On Cochrane's last trip to the canvas the count had reached four when referee Benny Leonard waved his hands, indicating it was all over. The official time was 2:37 of the round against the 16 seconds of the 10th round in which Graziano flattened Red in their first meeting June 29.

Cochrane, who had won four of the nine rounds, was knocked cold. He sat on his stool for fully five minutes and, as he tried to stand up, his legs buckled under him. He virtually was carried from the ring.

Graziano, at 154 pounds, had a nine-pound advantage over the champion.

A crowd of 18,071 paid the second largest gate of the year, $100,469, to watch the bout turn into a slaughter once the favored Rocky got the range in the seventh.

The turning point came midway of the seventh when Rocky tagged Red on the chin with a mighty right and followed up with two lefts that snapped Red's head back. The champ seemed ready to go down as the bell rang.
