God has called our father from us, To the realms of headless light, There to Rest with Him forever, Where all things are pure and bright.

Entered into rest at his home in Nine Mile Creek, Tuesday evening, May 23, 1916, Albert Ernest, dearly beloved son of Allan and Mrs. Livingstone at the early age of 28 years. He was not in robust of health for some time and was going about until three days previous to his death, and on the date mentioned above he passed peacefully away to be with Jesus, which is much better. He being of a kind and cheerful nature, always willing to help others, was much loved by all who knew him. Besides his sorrowing parents he leaves to mourn six sisters and two brothers namely Mrs. Wm. Taylor Jr., St. Peters Island; Mrs. James Cowan, Providence, R. I., who arrived home to attend the funeral, Mrs. Hugh MacDonald, Nine Mile Creek, Bellefleur for a nurse at Falconwood Hospital, Charlottetown, Ada, Sadie, Dan and Fletcher at home. Much sympathy is felt for the bereaved parents and family as only a short time ago their eldest son and brother David died in Winnipeg. The funeral which took place on the 26th was largely attended and the esteem in which he was held. The services were conducted by his pastor the Rev. D. MacLean. The call bearers were Robbie Currie, John Livingstone, Martin MacDonald, Ptes. Neil MacEachern Oiver MacDonald and Stanley Taylor. Though we here may meet no more, Yet there is a brighter shore.

There relieved from toll and pain, There we all may meet again.

The death of Owen Clarkin which occurred in Elmwood, Lot 31 was felt with sincere regret throughout the community.

The deceased a son of the late Owen Clarkin, who pre-deceased him three years, was a young man twenty-nine years of age, of a good moral character, a kind and genial disposition, had a ready wit and a true love for all men. He was intelligent, prudent and thrifty, reputed by all his acquaintances as a noble citizen, giving at all times his heartiest support to anything that had for its object the betterment of the country.

He was an earnest worker and a most successful farmer in which capacity he had displayed the same efficiency which characterized his work elsewhere. May it suffice to say that he had the honorable distinction of owning one of the best properties in Lot 65 parish. The deceased was a strong, active and healthy young man, until a few months ago when he contracted a severe cold, which gradually grew worse till finally it was beyond the power of medical skill to aid him, and it was evident that the end was fast approaching, and on May 22nd he passed peacefully to rest, well fortified by the rites of the Catholic Church which he had thoroughly supported.

His funeral took place on the 24th to St. Ann's Lot 65 where a requiem high mass was sung by the Rev. Faithor Curran, and all that was left of a highly respectable young man was laid to rest in the church yard, there to await the judgment morn.

He leaves to mourn four brothers and three sisters besides a large number of friends and relatives.—Patriot please copy.

Mr. Peter Martin, New Acadia, Lot 43, has received the following letter from his son Anthony now in England.

No. 469131 Signaller Anthony J. Martin Signal Section 64th Batt. C. E. F., Otterpool Camp, Sandling, Kent Co., Eng.

Dear Father:—I am writing you a few lines to let you know I am well, hoping this will find you the same. I am enjoying myself fine over here now and we are getting plenty to eat. It has been raining for three days and there is mud over our boot tops. When we landed in England we went to Bramshot Camp. Since then we have moved. Now we are only a few miles from the English Channel and on a clear day we can see the coast of France as it is only 25 miles across the water.

England is a fine place to see. I have been to London for six days leave. I had a fine time I saw all the fine buildings inside and it is worth while to take the trip to see them. I saw the King and Queen and I was so close to them I could have touched them with my hand. I also saw where they live. London is the largest city in the world. I would never have missed it.

I have not received any letters from you yet. I have received about a dozen from some of my old girls in Canada. I want you to write to me every week. I will do the same for it takes 14 days to take a letter to Canada.

I could tell you a lot of news if we were allowed to write it but we are not so I have not much to tell you this time. I will write every week. The mail leaves Halifax from here every Friday and Saturday so you know when to write.

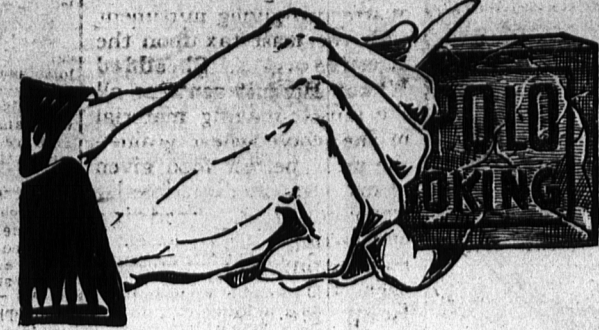

I think I will close for this time hoping to hear from you soon.

I remain your loving son,
ANTHONY,

To H. J. Mabon Esq.,
Dear Friend:—We regret to learn

The KEY to a BETTER SMOKE

Your pocket-knife is all you need to discover what

real sweetness you can get out of your old pipe.

GET A POLO BLOCK OF SMOKING TOBACCO

and whittle off a fresh pipeful just before you smoke and you will find that your smoke will be sweeter, slower-burning, cooler than you ever got from a bag or tin of tobacco.

That's because the only way to keep all the moisture in tobacco is to press the choicest leaves into a plug and protect it with a natural leaf wrapper.

that on account of the serious loss you sustained this spring, in the destruction of your business premises by fire, and the delay and expense of re-building, you have decided to remove to Montague.

Since settling here several years ago, you have taken your part in promoting the growth and development of the town, and lately we came to look

upon you as one of our permanent citizens. We are sorry therefore to lose you, even though we know the change will benefit our sister town—but our regret is not so great as if you were leaving the Province.

We hope to see both Mrs. Mabon and yourself quite frequently, and in order that you may not forget us at all, we ask you to accept as a souvenir

this smoking gown and cap, so that when enjoying a quiet whiff of the fragrant weed your mind may go back to the friends in Souris and to some of the pleasant hours spent there. Signed on behalf of the citizens of Souris by

J. B. MATTHEW,
Mayor.
