## Saints Claim First Place By Holding P. W. C. Team To Draw In Fast Game

Holding a surprisingly strong Prince of Wales squad to a 6-all draw in a game that wound up with the fastest third period witnessed on Forum ice this winter Saint Dunstan's City Hockey League entry last night clinched top honors in the League and will now automatically enter the finals for the League crown against the winners of the Army-Navy semi-final series.

As was fully expected that two rival seats of learning put up a whale of a battle all the way through the piece. They were tied 2-2 at the end of the first period; Prince of Wales after being two goals down in the first half of the second came back to whip in three goals in the fag end of the session to take a 5-4 lead but the Saints countered twice in the first twelve minutes of the final period to again take the lead only to have the City team whip in the tying counter with only 61 seconds of play remaining.

It was fast, wide-open all the way with both teams playing as if a Maritime title were at stake. For the entire game the fast clip was maintained and as a result the largest crowd of the season hadn't a dull moment as the two teams put on the high scoring display. But the highlight of the game was the sensational unassisted goal scored by Joe Mahar of the Saints in the second period. Stickhandling like a wizard as Prince of Wales vainly tried to check him the Saints player had the fans on their feet as he skated in close to whip the rubber into the cage from ten feet out, it was one of the prettiest efforts of the season and the young centre man got a great hand.

The first score came like a bolt out of the blue. Hodgson of P. W. C. got the puck from the face off, passed to Nicolle at the enemy line and then picked up the return pass to dent the twines at exactly ten seconds

Saints took a little better than two minutes to recover from this shock and the LaMontagne brothers put on their act, R. LaMontagne passing to L. LaMontagne, the latter scoring from five feet out. Three minutes and a half later Mahar picked up a loose puck at centre and as he went over the line passed to Bradley who scored with a high shot to the top of the net. Mac Beck rugged P. W. C. defenceman tied the game at 2-all on a play with Blanchard at the half way mark taking a return pass from Binchard in close to score with a low drive to the right hand corner of the net.

The LaMontagne brothers sent Saints into the lead for the second time when they teamed up at 8.15 with R. LaMontagne doing the scoing after taking a final pass in front of the net from his brother. Three minutes later Mahar came through with his beautiful effort to give the Saints a 2-0 lead but again the P. W. C. boys took up the slack and before the period had ended had shot three counters to take a 5-4 lead. Robertson shot the thrd P. W. C. goal on a play with Beck and Blanchard; a minute and a half later on another three-way passing play Moreside drilled one home as Nicolle and Bagnall drew assists while Moreside sent his team into the lead as he picked up Beck's pass, after the latter had broke away to pick the upper left hand corner of the cage with a beautiful angle shot

For the first ten minutes of the final session play raged up and down the ice with neither team having an edge. But suddenly within the space of a minute and a half Saints struck for two goals that again gave them the lead. R. LaMontagne did the scoring with L LaMontagne and Morris getting assists on the first one and Morris slamming home the final Saints goal on a play with L LaMontagne.

There were but 61 seconds of play remaining when P. W. C. knotted the count. Moreside broke into the clear just outside his own blueline and as he skated into S. D. U. territory he passed to Nicolle who went in close to pick the open corner neatly.

LINEUPS:

P. W. C : Goal, Proude; defence, Beck, Hodgson, Wellner; forwards, Nicolle, Moreside, Bagnall, Blanchard, Murphy Robertson.

## Midget Royals Practice Tonight

A practice of the Midget Royals hockey team is called for tonight at 6 oclock at the Upper Queen Street Rink. Members of the team are asked to bring their birth certificates.

The prospects are that the Midget Royals will enter a team in the Provincial playdowns, it was learned last night In addition there is the possibility of an Army Cadets midget team being entered.

## South Shore Hockey

The Middleton Bombers defeated the Summerside Olympias 6-3 at Bedeque, on Monday, Feb. 14th, in the last regular South Shore League game; and by their win forced a tie with Summerside for the league title. These teams must now play a sudden-death game; the winners drawing a bye into the finals for the South Shore championship, and Simmons and MacFarlane Cup.

Fast skating Albert DesRoches started the Bombers off on the right foot, by scoring two pretty goals in the first period, Muttart, flashy stick-handler of the winners really hit the jack-pot by sinking the remaining four Bomber goals.

The Olympias, playing with only one spare, put up stiff opposition throughout the game, but could not hold the high flying Bombers. MacLean picked up one in the opening canto, while French and MacCormack added the other two goals, as their team was ganging desperately in the third period.

Noonan and Frizzel rival net janitors blocked well, the latter having the misfortune of receiving a blow on the face in the second period.

The three star selection was—DesRoches, Muttart, MacLean.

Lineups:

Middleton, Goal, Noonan; Defence, Cameron MacWilliams; Forwards, Des Roches, McKenna, R. Bradshaw, M. Bradshaw, Muttart.

## REMEMBER WHEN

(By The Canadian Press)

Just three years ago tonight Boston Bruins ran an unbeaten streak to 22 games by holding the Toronto Maple Leafs to a 2-2 draw. This improved a National Hockey League record they established five days earlier when they broke New York Rangers' mark of 19 undefeated games set in the 1939-40 season Bruins extended their record streak another game —to 23 — before being stopped by the Rangers.

### BELIEVE IT OR NOT

When sent in cold storage, Canada's beef, pork and dairy products win deserved acclaim in Britain. When they reach the Base Post Office en route — packed in a cardboard container, wrapped in brown paper and addressed to a soldier on the other side of the Atlantic, the reception they get from the men of the Canadian Posal Corps, is far from cordial

Today the Officer Commanding the Base Post Office reported an almost unbelievable incident— yet there it lay, a damaged parcel in the Repair Section containing several pounds of beefsteak, a roast of pork and a pound of butter — along with a suet pudding.

Postal authorities might seem to be labouring the point when they again remind the general public that items such as raw beefsteak and pork, to say nothing of butter and suet pudding, do not make the best travelling companions in heated railway mail cars or when packed with thousands of other parcels in the holds of ships for trans-ocean military destinations. It will be recalled that in recent weeks somebody else mailed a well browned turkey drumstick to a soldier 3,000 miles away and prior to that a soldier's parcel at the Base Post Office was found to contain a clod of earth and a few hundred worms.

Another unfortunate angle of the present case apart from the waste of valuable time it occasioned at the Base Post Office — was the fact that the sender must have expended valuable ration coupons to purchase the meat and the butter to send to that boy over there. Ironically enough, the Customs Declaration accompanying this parcel was labelled "consaivre," which as a Canadian Postal Corps member remarked, was the only visible attempt at "preservation." The sender of the parcel was notified by the Postal authorities that such items should not be mailed.

Again Postmaster General Mulock asks the public, in their own interest and that of the men and women overseas to whom parcels mean so much, not to mail untinned meats, cardboard cartons of butter or any sort of foodstuff that will spoil in transit and cause damage to the surrounding mail.

AMERSHAM, England —(CP)— Because soldiers jitterbugging in army boots damaged the floor of St. Michael's Hall, the church council banned further dances in the hall.

FALSE ALARM —The firemen responded to a call from Bruce Stewart & Co. last evening at 7.01 It was reported that the alarm was false.

AIR CASUALTY— Among those killed on active service in the latest Casualty List of the R. C. A. F. is Sergeant John Halifax Casselman. Sgt. Casselman's next of Kin is his wife, Mrs. J. H. Casselman, Summerside, P. E. I.

REPORTED WOUNDED—Among those reported wounded in the latest Canadian Army Casualty list is Pte. Emmett Trainor, who was serving with a Nova Scotia-Prince Edward Island Regiment. Pte. Trainor's next of kin is his wife, Mrs. Gertrude Trainor, Summerside, P.E.I.

DEBATE CONTINUES — In the Provincial Legislature yesterday Mr. Walter G MacKenzie, first Queen's followed Premier Jones in the Draft Address debate. He spoke only a few minutes before moving the adjournment. The House adjourned until 11 o'clock this morning.

FUNERAL— The funeral of Miss Winnifred Jean MacLeod was held yesterday afternoon from the Cutcliffe Funeral Home. The services at the home and grave were conducted by Rev. R. Noble. The pall-bearers were: Edgar Dennis; Wilfred MacKenzie; Eldon Burke; Ted Carter; Allison Yeo; and Charles Cudmore. Interment was in the People's Cemetery.

FLIGHTS TO MAGDALENS— Capt Carl Burke of Maritime Central Airways flew two round trips to the Magdalen Islands yesterday, carrying mails and passenger. One of the persons making the return trip was Miss Rae MacKenzie who was at the Gulf Islands for some time with the Red Cross establishment there She is being replaced by Nursing Sister A. Corbett it was understood The home towns of the nurses were not learned.

TRAIN AND FERRY — Mainland trains running behind schedule delayed the sailing of the car ferry from Tormentine until 10.47 last night. The boat docked at Borden at 1.19 this morning and the train was expected to reach Charlottetown about 4 o'clock. Earlier yesterday the ferry had little difficulty with ice.

FUNERAL MONDAY — The remains of the late Mrs. Annie McQuaid will be forwarded this afternoon from Frank Hennessey's Funeral Home by rail to No. Wiltshire thence to the residence of her son, Emmett McQuaid at South Melville from where the funeral will take place Monday at 9.45 to St. Joseph's Church, Kelly's Cross. Interment in the Church Cemetery.

DRILLING TO RESUME SOON —Drilling at the exploratory oil well in Hillsboro Bay, seven miles from here, will be resumed about March 1, it was learned yesterday. Operations were discontinued in mid-December when the hole was 3,700 feet deep. In the meantime repairs have been made to cribwork which was damaged somewhat by drift ice earlier in the winter. It is believed now that the work has been secured from further damage. Steel piling has been driven to guard the wooden cribwork from the cutting action of ice which caused the original damage. The central of the three cribs, the one which supports the drilling rig, was not moved by the ice.

PATIENTS AT SAN ENTERTAINED— Recently through the kind permission of Major A. S. Robertson of Beach Grove Camp patients at the Sanatorium were once again delighted with music rendered by the Beach Grove Orchestra under the capable leadership of L-Bdr. Ding Connolly. The entertainers for the evening were Miss Mary Arsenault and Gnr. Celland. Yesterday through the kindness of Adj. Mercer of the Salvation Army the patients were privileged to hear Evangelists Rev. and Mrs. Mallory render several vocal duets and musical selections on the guitar and piano accordion Following the regular program, which was broadcast, they visited many of the patients in their rooms and sang several request numbers.

REPEAT PERFORMANCE —Last night Trinity Young People's Union presented a repeat performance of its comedy three-act play, "Aunt Tillie Goes to Sea," in Heartz Memorial Hall sponsored by the Gratia Club of the Central Christian Church and Trinity Y. P. U. Pansy MacAusland presided. Piano selections by Miss Helen Stewart and vocal solos by Miss Jean Enman and Mr. Preston Beck accompanied by Miss Marionne Saunders were very pleasingly rendered. A great deal of the success of this play can be attributed to the work of the Properties Committee Lorne Finley and Bobby Downe, who gave very liberally of their time and talents to the erection of the staging, placing of chairs and making a special lighting system for the occason. At the close of the programme, Mrs. Vere Beck, president of the Gratia Club, moved a vote of thanks to Trinity Y. P. U Warrant Officer Eaton of the R. A. F is to be congratulated on his splendid work as director of the play.

ADDRESSES Y'S MEN'S CLUB —National physical fitness was the subject of an interesting address before the Y's Men's Club last evening by Dr. B. C. Keeping. The Dominion Government, he said, has proposed establishing such a plan and has agreed to contribute a substantial sum, annually, of which a certain amount will be apportioned to the provinces on a per capita basis, providing each province agrees to certain conditions as set forth in the Dominion plan. The national council on physical fitness will consist of a director and nine other persons (one representative on the council for each province participating). It is considered that each province will best be able to develop such a programme for its own pepole The object is to extend physical education in schools colleges, universities, and other institutions; to train teachers, lecturers and demonstrators; and to organize sports and athletics on a nation-wide scale. Mr. Walter Cox presided at last night's meeting at which Sgt, Arthur Lawson, Sgt. Jennings, Mr. McCurdy Bell, Mr. Gordon Starrett, Dr. Clarkson and M. Fred Cameron were present as guests.

## Canadian Society Of N. Y. Holds Annual Dinner

### Dr. John Sutherland Bonnell B. A., B. D., D. D., LL. D., Former Prince Edward Islander Is Keynote Speaker.

The Canadian Society of New York held its annual dinner at the Hotel Biltmore, New York City, on the evening of February 5th, at which were gathered members of the Society, together with many distinguished guests and friends.

As in the past the Roof Ballroom of the Biltmore was attractively decorated with flags of the British Commonwealth of Nations and the Stars and Stripes. Pipe Major Sebastan rendered popular Scottish airs and piped the guests to their tables. The ballroom was full to overflowing with prominent New York Canadians and their friends, as this is one dinner during the year to which ladies attend as guests of the members. Colorful evening gowns of the ladies together with the formal black and white of the members, interspersed with British and American uniforms, made it an unforgetable picture, The tables had silken flags of Canada, the Union Jack and the Stars and Stripes for center decorations together with beautiful souvenir programmes and place cards.

During the dinner music was provided by the Biltmore Concert Orchestra under the direction of Jeno Bartal, and by Pipe Major Sebestan. Miss Mona Paulee, soprano soloist and a member of the Metropolitan Opera Company rendered several solo numbers which were appreciatively received. She hails from Edmonton, Alberta.

Mr. Frederick Ashplant, president of the Canadian Society, acted as toast master and welcomed the guests. He introduced the distinguished gentlemen seated at the dias and presented the two featured speakers of the evening, Dr. John Sutherland Bonnell, Minister of the Fifth Avenue Presbyterian Church, New York City and Mr. Leonard W. Brockington, K.C., distinguished Canadian official who has appeared before at Canadian Society dinners, and whose eloquence throughout the Empire is well known. Mr. Brockington outlined in some detail the contribution that Canada has made to the United war effort, reminding his audience of the gigantic strides that has been accomplished by a country of only eleven million people. His facts, so interestingly presented and his literary quotations and humor won him a tremendous ovation.

No less popular as a speaker was Dr. Bonnell, former Prince Edward Islander and now minister of one of America's greatest churches. Dr. Bonnell choose as his subject "My Discovery of America", in which he traced the origin and friendship of United States and Canada and their unfortified border as an example to all the world. Dr. Bonnell is a veteran of the last war in which he served as a Sergeant-Major of the Canadian Artillery and was twice wounded in France. In the dark days of 1941, Dr Bonnell carried a message of good will to the people of Britain and at that time conferred with many British Government leaders including the First Lord of the Admiralty, the Archbishop of Canterbury and Lord Beaverbrook. Since the United States entered the war, he has visited most of the army camps and naval installations on the Eastern Seaboard, where his words have been [illegible]ration to officers and men.

During the dinner, traditional toasts to the President of the United States and to The King, at which time the respective flags were broken out from flag staffs erected in the balcony.

Among the distinguished guests seated on the dias were representatives of New Zealand, Australia and other British nations, together with the officers of various patriotic orders including the St. Andrew's Society, St. Georges Society and St. David's Society. Mr. Francis E. Evans, newly designated British Consul General was present for the first time

Among the former Prince Edward Islanders at the dinner were Mr. and Mrs. John E. Lockerby, Mr. and Mrs. A.W. Wadman, Mrs. C.O Van Gorder and Harold R. M. Gordon. Mr. Lockerby is a native of Alberton while Mrs. Lockerby was Sylvia Gordon of Georgetown. Mr. Wadman formerly lived in Victoria, P.E.I. Mrs. C. A. Van Gorder is the daughter of Mrs. Lockerby H.R.M. Gordon, formerly of Georgetown, P.E.I., is a son of Mrs. John A. Gordon, Brudenell River.

### SPRING BROOK W. I.

The Spring Brook W. I., held their regular monthly meeting at Mrs Dan. MacKay's on Feb. 8th, with the Vice-president presiding. Meeting opened with the creed and the roll call was answered by 5 members and there was one visitor.

Minutes of previous meeting were read, approved and signed.

A letter of thanks was read from LAC. Joseph Harding thanking the members for Christmas parcel, also a letter of thanks from the Kinsmen Club for help in 1943, and hoping we would help again this year.

Sick committee reported having sent cards to the sick and bill of 10 cents was paid. A bird contest was put on and enjoyed by all. Next meeting to be at Miss Hattie MacLeod's. Lunch was served and the meeting closed with the National Anthem.

## Youthful Major Awarded D. S. O.

LONDON, Feb. 17 —(CP)— The story of a heroic assault by a battalion of the City of London Regiment of the Royal Fusiliers has been disclosed by the award of the D.S.O. to 26-year-old Maj. Cedric George Delforce

After the battalion commander and second-in-command were wounded, Delforce reorganized the battalion to attack two German battalions supported by 16 tanks which had recaptured San Lucia village in the Volturno River fighting in Italy.

"The Boche must have thought an earthquake had hit him," Delforce said, describing the fury of the assault launched by the assortment of cooks, storemen, clerical staff "and even the battalion boot repairer" which he gathered to make up the battalion's losses in the first German counter-attack.

A soldier paid this tribute to the youthful major: "One would think from the way he popped up here and there, always at the most vital centre of operations, that we were on an exercise in England."

## Value Sanitation And Disinfection

The best step to take in preventing parasites is the adoption of a system of strict sanitation and disinfection. The poultry house itself should have floors and foundations that are rat-and vermin-proof, and impervious to moisture. It should admit plenty of sunlight, and an abundance of fresh air in all kinds of weather. Poultry quarters, roosts nests, feed and water utensils should be cleaned and disinfected regularly. The quality of the disinfectant used should be one recommended by a veterinarian, to make sure it will do the proper job. If, in spite of these precautions the chickens do become infected with some parasite, a veterinarian should be consulted so the proper treatment may be given.

Sanitation must be practised, also, in the poultry yard, otherwise soil contamination will build up and continue the old cycle of disease and parasites for years. Many poultrymen now raise their chicks without direct contact with the soil, for this reason; some use sun porches with wire mesh or slat bottoms, or small yards surfaced with concrete or asphalt. Good results, too, have been obtained by rotating the poultry range, so the birds will be on fresh ground each season

## April 30 Deadline For '43 Income Tax

OTTAWA, Feb. 17 —(CP) —A National Revenue Department Department spokesman said tonight that no extension beyond the April 30 deadline will be permitted for payment of the balance of 1943 income taxes.

He said the table of tax deductions at the source provides for collection of 95 per cent of taxes due, that this works out at a little less than 95 per cent of the taxes payable by tax-payers in the higher salary brackets.

Consequently, they may have a balance of from five to 10 per cent of taxes to pay by April 30.

bey intermittently and fighter-bombers continued to rake it with explosives.

The house-to-house fighting inside the town of Cassino was less intense than in recent days, the Allies perhaps slackening their pressure there pending the expected capture of Mount Cassino, from which they would dominate Cassino itself.

Patrols were active on the British 8th army front, some sent out by newly-arrived Polish troops. Canadian artillery fire caused a large explosion and fire near Francavilla.

In addition to pounding the attacking Germans on the beachhead Allied bombers ranged blasted railroad yards throughout the battle area. The sweeping air offensive hit 15 main and secondary rail lines around Rome, and dive-bombers for the second straight day scrambled rail yards inside the Italian capital itself.
