A Hard Corner!

The age of 30 is a hard corner for women to turn, and 35 is still harder. She feels that she is fast leaving her youth behind her. But there is no reason why a woman should be faded and *passe* at 35, or even at 45. The chief cause of the early fading of Ameriean women is found in the fact that many of them suffer from some form of female weakness or disease which robs the face of its bloom, draws dark circles about the eyes, brings early wrinkles and sallowness, and stamps the face and figure with signs of ill-health. Dr. Pierce's Favorite Prescription will cure all these troubles, will bring back the lost bloom, and remove the pains and ailments which make women grow old before their time. Guaranteed to give satisfaction in every case, or price ($1) refunded.

A ton of coal yeilds nearly 10,000 feet of gas.

Originated by a Physician, Johnson's Anodyne Liniment is prescribed by many regular doctors.

To every 100 males in London, there are 1123 females.

If it's sciatica, bathe with Johnson's Anodyne Liniment, pressing the muscles and nerves hard.

The theatres in London regularly employ over 12,000 people.

Johnson's Anodyne Liniment, used externally, cures rheumatism; not in a minute however.

Rheumatism Cured.

Soldier's Cove, N.S., Jan. 30, 1890.
W. H. COMSTOCK, Brockville, Ont.

Dear Sir,—Your Dr. Morse's Indian Root Pills are the best medicine for rheumatism that I have ever used. La t Spring I was troubled greatly with it in my leg; I used one box of Morse's Pills, and was cured.

Yours gratefully,
ALLEN CAMPBELL.

A REMEDY that is endossed by Physicians must have some merit, for no physician of any standing will place his seal of approval on a preparation unless he knows it to be good. Now Estey's Emulsion of Cod Liver Oil is not only endorsed by Physicians but largely used by them in their practice.

Alexandria possesses the largest artificial harbor in the world.

ESTEY'S Iron Tonic works like magic reaching every part of the human body through the blood, giving to all renewed life and vigor.

Grief or expectation, or mental application to any favorite persuit, destroys appetite.

PHILODERMA is a positive cure for Burns and Scalds. It acts like magic.

A disordered state of the digestive organs impedes the free exercise of the mental powers.

FOR softening, improving, and beautifing the Skin, no preparation that has ever been introduced equals Estey's Fragrant Philoderma. Druggists sell it.

It has been computed that in a single cubic foot of the ether which fills all space, there are locked up 10,000 foot-tons of enery which has hitherto escaped notice. To unlock this boundless store, and subdue it to the service of man, is a task that awaits the electrician of the future.

Five o One.

Dear Sirs:—Last winter I had five large boils on my neck and was advised to use B. B. B. Before I had finished the first bottle I was completely well and think B. B. B. cannot be excelled as a blood purifier.

JOHN WOOD, Round Plains, Ont

A horse will travel 400 yards in 4½ minutes at a walk, 400 yards in 2 minutes at a trot, and 400 yards in 1 minute at a gallop. The usual work of a horse is taken at 22,500 lbs raised 1 foot per minute for 8 hours per day. A horse will carry 250 lbs. 25 miles per day of 8 hours.

Knights of Labor.

The Knights of Labor aim to protect their members against financial difficulties, etc. Hagyard's Yellow Oil protects all who use it from the effects of cold and exposure, such as rheumatism, neuralgia, lumbago, sore throat and all inflammatory pain. Nothing compares with it as a handy pain cure for man and beast.

The Cherokee form of marriage is. perhaps, the simplest and most expressive of any. The man and woman merely join hands over a running stream, emblematic of the wish that their future lives, hopes and aspirations should flow on in the same channel.

A General Overcome.

Dear Sirs,—I suffered from general weakness and debility and my system was completely run down and I found B. B. B. the best medicine I ever tried I would not be without it for a great deal.

Miss NELLIE ARMSTRONG,

Hogs are largely used to hunt for truffles in France. As soon as the animal takes the roots of the fungus in his mouth he is dealt a sharp blow across the nose and drops the truffle, when it is bagged by the hunter.

Easily Caught.

Croup, colds, sore throat and many painful ailments are easily caught in this changeable climate. The never-failing remedy is just as easily obtained in Hagyard's Yellow Oil, which is undoubtedly the best of all the many remedies offered for the cure of colds or pains.

The night-flowering cactus usually open their blossoms at seven or eight in the evening, are full-blown by eleven, and by three or four in the morning they fade. Sometimes from six to ten flowers open on the same plant in one night.

Attacked by an Enemy.

Dear Sirs,—About a year ago I had a very bad attack of dyspepsia. For nearly four months I never ate a meal without suffering pain after. I had got so weak I could scarcely walk, when one day I saw an advertisement for B.B.B, and thought I would try a bottle Four bottles cured me completely, and I am now strong and healthy.

The first record we have of Coal is about three hundred years before the Christian era. Coal was used as fuel in this country as early as 852, and in 1234 the first charter to dig for it was granted by Henry III. to the inhabitants of Newcastle-on-Tyne,

Cold, cough, consumption, to cure the first and second and prevent the third use Hagyard's Pectoral Balsam, the never-failing family medicine for all diseases of the throat, lungs and chest. A marvel of healing in pulmonary complaints.

Story of a Postage Stamp.

HOW VON MOLTKE REWARDED KINDNESS TO A LITTLE BOY.

Some four years ago, among the letters received by the ex-Ameer of Cabul at Mussooria was one addressed to "His Majesty, King of Afghanistan" which ran nearly as follows: "Your majesty: I am a little German boy and am making a collection of stamps. I wish very much to procure some stamps of your majesty's kingdom, and shall be very much obliged if your majesty would send me some." The letter was made over to the English political officer in charge of the ameer, who good-naturedly answered the letter, inclosing a small collection of Cabul stamps. In due course came a reply from the little German boy: "Kind English Officer: The stamps which you so kindly sent me have arrived, and are valued by me in my collection. I showed them and your letter to the distinguished German officer who is now staying at my father's house, and he is so pleased with the kindness of an English officer to a little German boy that I asked him to give me his photograph to send to you, which he has done, and I hope you will accept it." The letter contained a photograph, with the autograph, "Von Moltke, Field Marshal." The little German boy was the son of a well known manufacturer who had been most liberal in providing benevolent institutions for workmen in Germany and who was the field marshal's host during the manœuvres in the neighborhood of his property.
