IS REMANDED— Charged with hit-and-run driving, Clarence Sanderson of Morell was remanded until Monday when he appeared before Stipendiary Magistrate G. J. Tweedy in Charlottetown yesterday. Sanderson is charged with failing to stop at the scene of an accident at Southport Sunday last. Mrs. Stella Duffy, Charlottetown, was hit by a car there as she was about to board a bus which stopped for her. Both her legs were broken and she was taken to the Prince Edward Island Hospital where she is still a patient. The car failed to stop and the R.C.M.P., started a search for it. There were four other occupants in the car which Sanderson was driving and which police believe was the car which hit Mrs. Duffy.

In Memoriam

AUDREY STEWART

It was with a deep sense of sorrow that the people of Belle River and vicinity heard of the passing of Audrey, small daughter of Mr. and Mrs. Simon Stewart on August 7th.

Seldom has any community been more saddened by the call of death. Death at all times is sad, but when a bright and lovable child of seven years is called it is doubly so. After a very brief illness Audrey passed on to her Heavenly home to be with her Saviour who loved little children so well and placed such a high value upon them.

The service was conducted by the Rev. W. B. MacPhail, assisted by the Rev. E. C. Evans of St. John's Belfast Church who brought a message of help and comfort to the bereaved parents. The hymns sung were By Cool Siloam's Shady Rill, Jesus Loves the Little Children, When Mothers of Salem their Children Brought to Jesus. "Jesus said unto them, Suffer the little children to come unto me and forbid them not; for of such is the Kingdom of God."

Card of Thanks

Mr. and Mrs. Simon Stewart wish to thank all the kind friends and neighbours who sent flowers, messages of sympathy or in any way assisted during the short illness and death of their oldest child, Audrey.

Temporary Ration Cards For Fishermen

OTTAWA, Sept. 29 — (CP) — Special temporary ration cards good for 10-week periods will be issued to commercial fishermen on coastal and inland waters to replace former ration regulations applying to such workers, the Wartime Prices and Trade Board announced tonight.

Formerly, commercial fishing crews in Canada were in the "institution" category, and were required to buy all their goods from one supplier or use special requisition forms. Both these methods have been discarded as unworkable, the board said.

The first method was found unsuitable because fishermen are accustomed to buy supplies at different points on their voyages, and the second is open to abuse, board officials said.

The cards will be provided on applications to ration offices in behalf of commercially engaged fishing crews of two or more persons. They may be renewed by turning in the card covers

Fishermen obtaining temporary ration cards will be permitted to keep their regular permanent coupon books, so that they will have the normal source of individual supply, in addition to that provided for fishing crews as such, and the latter will not, as hitherto, be tied to one supplier.

Boys' School Hit By Nazis

LONDON, Sept. 29 — (CP) — Rescue workers today recovered 20 bodies from the ruins of a southern England boys' School which German raiders shattered with a high explosive bomb this morning.

Twenty-eight others were injured. Because of uncertainty as to the number of boys present in the school at the time of the bombing, it was not known how many still are missing. Rescuers continued to dig in the wreckage throughout the night.

In low-level raids at other points in southern England at least 12 more persons were killed. A small hospital was among the buildings hit.
