LATEST NEWS.

The Steamer Lady Le Marchant arrived on Thursday, from Pictou, she brought the following items of Foreign news, being four days later than that furnished by the last English Mail:

By Telegraph to Merchant's Exchange Reading Room.

HALIFAX, July 24.

The American Mail Steamer Pacific, arrived at New York this morning, bringing Liverpool dates to 12th July.

No battle of importance as yet in the Baltic.

The fleet had withdrawn from Cronstadt, Prussia forcing Russia into new negotiations —strong suspicions entertained regarding the good faith and sincerity of Austria.

Money market reported tighter—Consols quoted at 91½.

Flour dull, at a decline of 9d. to 1s per barrel.

Wheat declined 4d. to 6d. per bushel less than last week.

Corn in demand at previous prices.

MELAOHOLY ACCIDENT.—We regret to state that James Grimes, a servant in the employ of William Heard, Esq., who had ascended the roof of Mr. Heard's house for the purpose of removing a flag which had been displayed on the occasion of the Temperance Demonstration, missed his footing and was precipitated into the street, he was so injured by the fall that he survived the accident but about half an hour. It would appear that some bricks on the top of the chimney to which the staff was fastened and by which the unfortunate man was holding, gave way, and led to the catastrophe. An inquest was held, and the jury returned a verdict in accordance with the circumstances. We are sorry to be obliged to add that the deceased has left a widow and six children.

On Thursday, the 23th instant, a Tea Party, under the auspices of the Sons of Temperance, (Agricola Division, No. 23,) was held at White Sands, Lot 64. At three o'clock the Sons walked in procession from the Division Room, to the beautifully shaded grove, over which, fluttered the banner emblematical of the three grand principles of the Order: Love, Purity and Fidelity. The Tables were bountifully supplied, and tastefully decorated, in a manner highly creditable to the fairer portion of the community, evidently showing their ability and willingness to assist in any laudable or praiseworthy undertaking. Upwards of two hundred took Tea, after which the company were addressed by several gentlemen from a distance, who ably, briefly and lucidly reasoned on Temperance, and expressed their earnestness to use all their influence, to promote and extend the noble reform, after which the declining day reminded the happy party that, however much we may wish the pleasant hours to linger, Time, with his ceaseless and noiseless wings, can not be bound, or caused to loiter on his way, the company separated, highly gratified with their evening's repast and social interview.—*Com.*

The Presbytery of Prince Edward Island will meet at Prince Town on Wednesday the 2d of August.

CHANCE TO MAKE MONEY

THE SUBSCRIBER intending in a few weeks to remove out of this Island, offers to sell at moderate rates, the following freehold property's, viz:—

A small Farm at Seven Mile Bay, Lot 27. An inclosed Farm of 50 Acres, with a House, with or without the Saw Mill, and the water privileges (formerly Maxfields Mill) Lot 25. Also 82 acres of Land on the east side of Hillsborough River, adjoining on Lot No. 8, 450 acres at 15 Point, and fourteen Town Lots at Sommerside, also a 10 acre Wood Lot at same place, also the Leasehold of the Farm, House and Stores at Indian River, formerly occupied by Mr. P. Power. Should the above Properties remain unsold until Tuesday the 25 day of this month, they will be offered at Auction at Summerside, notice of which will be given in Hand Bills.

J. WEATHERBIE.

Charlottetown, July 8th, 1854.

Valuable Property for Sale.

TO BE SOLD, by Private Contract, a valuable FREEHOLD PROPERTY, on which the owner, the REV. C. LLOYD, now resides. It is situated eight miles from Charlottetown, on the Princetown Road, at Milton; and comprises 273 acres, of which one hundred are in high cultivation, and about 50 more in new pasturage, nearly ready for the plough; the rest is in green wood. There is an excellent Residence ready for immediate occupation of a gentleman's family. It is as good as new, favorably placed as regards the Farm, with a fine prospect, and combining the usual requisites for comfort with convenience. There is a pump well of unfailing water at the back door.

The Farm Buildings are sufficient for all purposes, on a well conducted system of Agriculture, and contain an effective Threshing Machine. The Land is chiefly fenced with Posts and Rails, and is so well circumstanced with water, as to adjudge it being all used in Pasture, if desired, although the most of it is high lying ground.

To a practical Agriculturist, the above Property would now furnish the means of obtaining a livelihood, as considerable sums have been expended to make it productive, while to others, should Property in the neighbourhood of Charlottetown, increase in value, it would prove a profitable investment of money. For terms or further particulars, apply to the owner, the REV. C. LLOYD, Milton, by Post, or on the Premises.

Milton, July 15, 1854. tf

PERRY'S HUNGARIAN BALM.

For Restoring Preserving and Beautifying the Hair.

THIS elegant preparation is an effectual remedy for Baldness, or falling off of the Hair It prevents and completely eradicates Scurf and Dandruff, strengthens the Roots of the hair; causes it to grow luxuriantly; gives it a rich, dark, soft and glossy appearance, and prevents it turning gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of scurf, dandruff and other impurities, which so frequently cause premature decay and loss of the hair.

The Hungarian Balm is especially adapted to ladies' use; and those who have tried the various obnoxious nostrums, will be benefited, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less pulled out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it at once and you will be convinced of its superiority over all other compounds for the hair.

Much more might be said in favor of this inestimable compound, but it is deemed unnecessary. The proprietor feels confident that ONE TRIAL will convince the most incredulous of its rare and manifold virtues. Therefore,

If you have lost your hair and wish to restore it,
If you are losing your hair and wish to preserve it,
If you are troubled with Dandruff and wish to remove it,
If you have any humour of the Scalp and wish to cure it,
If you are troubled with Nervous Headache and wish to cure it,
If you have hair eaters at the roots of the hair and wish to destroy them,
If you have harsh dry and wiry hair, and wish it to become soft, pliable and beautiful as silk; and if you wish to preserve rich, graceful and luxuriant tresses to the latest period of life, use PERRY'S HUNGARIAN BALM.

Price 25 and 50 cents, in large bottles.
