All Humors.

Are impure matters which the skin, liver, kidneys and other organs can not take care of without help, there is such an accumulation of them.

They litter the whole system.

Pimples, boils, eczema and other eruptions, loss of appetite, that tired feeling, bilious turns, fits of indigestion, dull headaches and many other troubles are due to them.

Hood's Sarsaparilla and Pills

Remove all humors, overcome all their effects, strengthen, tone and invigorate the whole system.

"My health was poor and I suffered much from hives and kidney trouble. After taking two bottles of Hood's Sarsaparilla I was cured. I regard this medicine as superior to all others." MRS. JOSEPH HOLLINSHEAD, Harrison, Ontario.

Hood's Sarsaparilla promises to cure and keeps the promise.

A GRIEVANCE HUNTER.

The Halifax Chronicle among the Liberal organs is in one respect a good deal like Minister Tarte in the Liberal Cabinet. It is constantly putting forward new, strange and impracticable political doctrines that can never find acceptance among its press contemporaries. Two of a kind cannot always agree and the Chronicle cannot agee with Mr. Tarte. With irritating aptness it says the Minister's trouble is chiefly with "his vocal organs, which are too powerful for his mental organs." The trouble with the Chronicle under its present management, which contrasts very strongly with Mr. Fielding's editorial days, is that it is not one whit more reliable as a cabinet organ than is Mr. Tarte as a Cabinet Minister. Like him it is given to "sloshing about", an unreliable fighter, who gives as much trouble to his friends as to his foes.

We sympathise with Messrs Fielding and Borden in the trials they must have with their principal organ. But this by the way. Having antagonized as far as it could the churches and the temperance people of Nova Scotia, The Chronicle the other day turned its a tack against the British government and the relations existing between the Mother Country and the Dominion. It finds a new grievance in the recent message sent by Colonial Secretary Chamberlain to the Dominion Government in which he thanks Canada for the service of the Special Service Battalion at Halifax. To the minds of most persons thanks for service rendered are always in order, and Mr. Chamberlain seems to have observed the form sanctioned by long usage. But it strikes the Chronicle grievance hunter, that though the message may be well intended, it is "patronising" and "scarcely elevating to Canadian selfrespect or soothing to Canadian dignity."

Having found a new grievance The Chronicle man proceeds to lash himself into a fury about it. He hopes the colonial status will not be longer tolerated; that the days of duns for contributions from us to the Government of the United Kingdom must cease. We are now blind subjects of our fellow fubjects in the Old Country!" shrieks the irate editor. "We occupy a degraded and most degrading position. We must proceed to get out of it at the earliest possible moment. Six millions of Canadians in contented dependency is a pitiful sight. The longer it continues the more pitiful it will become," &c., &c. This is simple, nauseating twaddle—unmitigated "rot". The Chronicle, which has been ably conducted in past years can ill afford to be made the vehicle for such offensive rubbish. The Finance Minister, when he returns to Canada will do well to give a little attention to his Haligonian organ, if only for the party's sake.

JEWELLERS ON STRIKE.

TORONTO, September 26.—Sixty men employed in the jewellery factory of P. W. Ellis & Company, went out on strike this morning. They demand a reduction of hours from 55 per week to 49. Other jewellers are also being approached by the union, and five of the fourteen firms have capitulated.

THE AGONIZING PAINS OF RHEUMATISM.

Swollen, aching joints, muscles are stiff and sore, every movement accompanied by pain. The most potent remedy is Polson's Nerviline, which has five times the pain-subduing power of any other preparation. Apply the Nerviline copiously, rub it on well and then bind in a hot flannel bandage. This will cure the worst cases in a short time. Try Nerviline for Rheumatism, Neuralgia, Sciatica or Lumbago—it's all right and only costs a quarter.

DR. HAMILTON'S PILLS CURE CONSTIPATION.

FASHIONABLE WEDDING.

In Which Islanders Participate.

At the residence of Mr. and Mrs. Lendall C. Clifford at 119 Wilmot street, Portland, Me., at eight o'clock, Monday evening, September 15th, their daughter, Miss Ethel Louise Clifford, who has been one of the teachers in the training school, was united in marriage to William Melville Howatt, junior member of the firm of C. B. Howatt & Sons. Early in the evening the members of the immediate family began to assemble and at a few minutes before the appointed hour all gathered in the parlor which was beautifully lighted in green and white and which had as floral decorations green asperagus, white roses and asters. The double ring service was used and Rev. Bowley Green was the officiating clergyman. The costume of the bride was white crepe de chene and she carried bridal roses. Her sister, Miss Ella H. Clifford, who was the maid of honor, was attired in muslin de soir, while she also carried pink sweet peas. The best man was John P. Goudy of Allston, Mass. a nephew of L. A. Goudy of this city. The ushers were H. W. Shaylor, Jr., A. E. Nele and G. A. Knight, all of Portland. A young miss who performed a notable part of the ceremony was little Georgiana Shaylor, a cousin of the bride. The wedding march was played by Miss Isabel R. Clifford, a sister of the bride.

Following the ceremony there was a reception which continued until 10 o'clock. This took place in the parlor, the library which was decorated in white berries and evergreen and in the dining room which was decorated with green asparagus and pink and white sweet peas. The parents of the bride and groom assisted in receiving, Mrs. Howatt being dressed in black silk and Mrs. Clifford in dark blue silk. The dining room was in charge of Mrs. M. J. Hawkes, an aunt of the bride. Ice cream was served by Miss H. W. Shaylor, Jr., and Miss Helen Peters assisted by Misses Prindable, Watts and Louise Clifford. Mrs. A. E. Neal served punch in the library and she was assisted by Misses Leard and Charlotte Clifford. While the reception was in progress music was furnished by Miss Manchester, violinist and Miss Clifford, pianist.

The guests from out of town were: Misses Clifford of Waterville, Mrs. W. H. Clifford and Miss Brown of Benton, Mrs Charles Brown and son of New York, John P. Goudy of Alston, Mass., and Mrs. J. W. Anderson of New Mexico.

That Mr. and Mrs. Howatt have hosts of friends is attested by the large number of beautiful presents which they received. After a short trip they will be at home to their friends at 75 Washington Avenue after November 1.

Wm. M. Howatt, above referred to is the only son of Charles B. Howatt, formerly of Tryon and a nephew of Bowley Howatt, Tryon, and a grandson of Peter Warren, North River.

NEW MARINE ENGINE.

LONDON, September 26.—A Londoner named John Wills has patented a novel engine for marine propulsion, which he claims will reduce the crossing of the Atlantic to a three days' journey.

"IMPOSSIBLE, for you to enjoy the happiness of motherhood," says the doctor. Sometimes he qualifies the statement, and says: "Impossible without an operation." Yet both these "impossibles" have been made possibles by the use of Dr. Pierce's Favorite Prescription. Many times the hindrances to motherhood are to be found in womanly diseases or weaknesses, which are perfectly and permanently cured by "Favorite Prescription." This great medicine for women cures irregularity and dries debilitating drains. It heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"I wish to add my testimony to hundreds of others as to the value of Dr. Pierce's medicines," writes Mrs. Ida M. De Ford, of Latona, Hubbard Co., Minn. "Have doctored with a great many physicians—some specialists; have twice been in a hospital for treatment. My case has been regarded as a hopeless one, and they knew not what the trouble was. Heart was bad; stomach all out of order, tired out; severe pains in all parts of the body; sinking spells, and nearly every ailment a woman could have. I took many a bottle of 'patent medicines' without effect. I began taking Dr. Pierce's Favorite Prescription, and ten months afterward I gave birth to a ten-pound boy. *All physicians had stated as a fact that I never could bear a child.* Both the baby and myself were strong, and I got along splendidly—thanks to your medicine."

The Common Sense Medical Adviser, 1008 large pages, in paper covers, is sent *free* on receipt of 31 one-cent stamps to pay expense of customs and mailing *only*. Address Dr. R. V. Pierce, Buffalo, N. Y.

Ch'town Business College
—AND—
WRITING ACADEMY
CH'TOWN, P. E. I.

This College re-opened for the Fall and Winter Course on

THURSDAY, AUG. 14, PROX

Intending students will consult their own interests by entering as soon as possible after the date of opening. Last year we were most successful in placing our students in positions. To enable us to do the same this year they MUST enter early in the session. There are lots of splendid positions waiting for competent persons to fill.

Business men are acquainted with our course and method of instruction and apply to us for competent young men and women. Come and get a live education; one with some backbone in it. If, perchance, you have made a mistake in the past, try an education in which you will be rewarded as you exert yourself. The past is gone, the future is yours. A special course in Shorthand and Typewriting will be given as soon as the term begins. "Phonography What it is and What it Does," by Ben Pitman; also full particulars relative to the College will be cheerfully furnished on application to

L. B. MILLER, Principal
