Considerable interest has been awakened among the literary circles of Berlin by the sale of an edition de luxe of the complete works of Frederick the Great for 2,000 marks.

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr

THE tobacco of Martinico was once the favorite with the smoking world, and when old Father Hennipen descended the Mississippi about 1680 the Indians were much surprised to see a European with such an excellent sample of their native plant. But the smokers of the Myrtle Navy would give but a poor account of the once celebrated Martinico. Their favorite brand is as much superior to it as it was to the raw and uncured leaf which the Indians of that day smoked. ....

A characteristic bit of charming verse from James Whitcomb Riley was recently addressed to a friend:—

"Hain't a-goin' to worry any more—
Hain't a-goin' to fret and fuss about it!

Er, thank God! we'll git along without it!"
