Ye Puritan Maid.

Ye Puritan maid, with gentle pride,
Her snowy kerchief neatly tied,
In woollen gown of sombre hue.
Demurely dropped her eyes of blue,
And sober in bonnet wide.

And yet, with roguish glance aside,
Her beauty's power she slyly tried,
And suitors prim oft came to woo
Ye Puritan maid.

But though with down-cast face she sighed,
The smiles about her mouth they spied;
The little witch her power well knew,
Which many a youth precise did rue,
And matrons oft did sternly chine
Ye Puritan maid.

Thenceforward the dog carefully watched his master after dinner, and, the moment the second tumbler was finished, he got up and gravely left the room. REPORT on the LORNE HIGHLAND WHISKEY:

"We have visited the bottling stores of Greenlees Brothers, and have selected from the vats, samples of their Lorne Highland Whisky, and have subjected them to careful examination and analysis. The samples were very fragrant, mellow, and of pleasant flavor, and possessed all the characteristics of pure and well-matured Scotch Whisky of the first quality."
