TUESDAY MORNING, NOVEMBER 28, 1907.

THE COLCHESTER ELECTION.

The by-election in Colchester where the voting takes place today bids fair to be a spirited contest. The vacancy is caused by the appointment of the late member, Mr. Lawrence, to a judgeship of the Supreme Court of the Province The political record of the county is as follows:

1867	McLellan	(Lib)	360	majority
1872	Pearson	(Lib)	425	"
1874	McKay	(Con)	116	"
1878	McKay	(Con)	276	"
1882	McLellan	(Con)	435	"
1887	McLellan	(Con)	627	"
1891	Patterson	(Con)	863	"
1896	Dimock	(Con)	177	"
1900	Gourley	(Con)	279	"
1904	Lawrence	(Lib)	191	"

A stiff fight is being put up by the Conservatives to capture the seat and regain a foothold in the Province which is now entirely represented by Liberals in the Commons. The Liberals are fighting with confidence to retain Colchester, and with it their unique political solidarity in Nova Scotia.

THE MEETING OF PARLIAMENT.

Parliament assembles at Ottawa today, for what is expected to be the last session of its present term, although there will still be time for another sitting. There will, no doubt be prolonged and animated discussion along party lines, and many members from their seats in the Commons will be making speeches to the country. From the Prince Edward Island standpoint a matter of prime interest will be to learn whether any decided action will be foreshadowed by the Government in regard to the construction of the Tunnel. It devolves upon our representatives to press this matter to the front with all the energy and skill they can command

The Czar's Government meets the new Parliament with a deficit of $94,500,000 The expenditure for the last year was $1,217,000,000 The burdens of the Russian people aggravated by the late disastrous war, are crushing as the masses are poor.

The members of the Caledonia Club will foregather at their fine new rooms in the Newson Block tonight. The date is a little earlier than usual, but nothing ever prevents the annual celebration of St. Andrews Day from being one of the brightest and most enjoyable reunions of the year.

Any of our young people who have contemplated going to the States this fall should bear in mind that thousands there have been recently thrown out of employment and many thousands more will be in the same condition this winter. The present is a good time for Islanders to stay at home in the Garden of the Gulf.

A gentleman recently returned from the Northwest reports that in Saskatchewan nearly all the wheat was frozen this year, and one farmer with whom he had conversed was unable to sell his wheat for twenty-five cents. Raising oats in Prince Edward Island at 48 to 50 cents per bushel is better business than growing wheat in the Northwest this year.

Are You a Woman Needing Strength?

Not long ago you were able to enjoy life.
You had vigor, strength, ambition—did everything with zest and pleasure.
Upon your cheeks was the hue of health, in your eyes the sparkle of vim and animation.
Today—all is a drudge.
Not actually sick, but if your work were less imperative, how gladly you would rest.
You are breaking down.
Nervous system is out of gear.
Digestive powers are weak.
Blood lacks nourishment.
Just one thing to do—Build up—Winback your health with Ferrozone.
No remedy restores so fast, builds up so permanently, instills such vigor or surplus strength like Ferrozone.
A case showing how Ferrozone acts is illustrated by the following from Mrs. H Wright of Enfield, N. S.
"Six months ago I experienced a serious illness. I commenced with splitting headache, dull pains through my chest and shoulders. I found it hard to get satisfying sleep—would roll and toss and in the morning felt tired all over. Then, I grew nervous, lost flesh, got pale and had heavy dark circles under my eyes. My strength go so low I couldn't do housework. I was worried and unable to eat and feared I would not get well. Ferrozone braced me up in a few weeks. It seemed to supply wonderful strength. I gained in flesh, looked better and was able to sleep. In all I took twelve boxes of Ferrozone and my cure was complete."
If Ferrozone doesn't help and cure you—then nothing ever will: your druggist sells it in 50c boxes—Better try Ferrozone.

HOT AIR HEATING

Was your home comfortable last winter? If not you'll be chilly proposition again shortly and one of our Improved Hot Air Furnaces will prove a warm friend with the glass below zero. With one of these up-to-date Furnaces, your fire may be kept the entire winter at an even temperature day and night. On a cold winter's night the cheerful effect of a well-heated home more than repays you for the cost. It is economical too in the small amount of fuel it consumes for the heat it radiates. Come in and talk the matter over.
