Storage For Shoes Is Problem

Shoes are such a problem. Not only is it difficult to buy them, but there is the bother of having the right pair for the occasion and the costume. Then, the heels need fixing, or they need a shine.

But the hardest problem is where to put shoes. If carelessly dropped on the closet floor or under the bed, they collect all that dusty fuzz if you aren't a good housekeeper. And, some days when you are late, you have to go down on your hands and knees to find the mate to the left shoe. If it's dark and you are sleepy, you may do what one well-dressed woman did last week. She blithely stepped into a Fifth Avenue bus with one black and one navy pump.

The only answer is some form of orderly storage. What form this is to take depends on each individual's habits, desires, and pocketbook, as well as space available.

The simplest shoe rack is a metal contraption you can purchase in notion and closet departments. These may be attached to walls or the backs of closet doors.

You may prefer a shoe bag to match your garment bags and the decorative binding or ruffling you may use to edge the shelves. These have six, nine and twelve pockets. Well-fitting shoe trees or heart-shaped shoe pads stuffed in the toes to keep them in shape are desirable. These shoe bags also hang on a wall or door.

SMALL SHOE CHESTS

While in the closet shop, you may take a look at the small cardboard chests covered in plastic treated papers. Those selected carefully are very decorative. You may buy one with six individual drawers each large enough for a pair of shoes and a top dawer for hosiery, and a matching one with well-placed shallow drawers for lingerie and personal belongings. If space is limited, use these two to create a dressing table by placing in front of a window just far enough apart so that you may have knee room when sitting.

Then have a glazier cut a piece of heavy window glass (you do not need plate but the edges should be smooth), and fit over both chests and the intervening space. With a standing mirror, presto. . . you are set.

TRY TO FIND A CARPENTER

If none of these ideas appeal, try to find a carpenter and have slanting shelves built into your closet under the section where suits, skirts and blouses hang, or narrow shelves from ceiling to floor where nothing else can go. Sometimes you can find these shelves ready-made in well-stocked closet stores. You can place them where you want in your closet and have them painted to harmonize.

If there isn't room in your closet and you have space on either side of your radiator in your bedroom, have cabinets placed on either side of the radiator, the height of the radiator or seating height if desired. Place your shoes on slanting shelves with a molding placed to catch the heel.

Prices Firm On Montreal Market

MONTREAL, Sept. 26— (CP)— Traders were wary today on the stock exchange and curb market and kept their eye on New York. At the end, as on Wall Street, prices were fairly firm. Papers and industrials, down in the indices at noon, were higher but utilities were even after being improved.

In papers, better marks were set by Quebec Pulp Preferred, which jumped 2, Abitibi Preferred, Brown M and O, Bathurst, Great Lakes and MacLaren. Price, Consolidated, International and Donnacona were uncertain but were ahead at the bell. Fraser, B. C. Forest and Abitibi Common wiped out deficits. Lake St. John was weaker.

Better in industrials were Dosco, which opened lower, National Steel Car, Vickers, Gypsum, Cockshutt, Tar, R. Mitchell and B. C. Packers "B". Losers were Canadian Car, Woods, Montreal Locomotive, and Canada Sugar. Cement, Building Products and General Steel Wares recovered from stumbles. Celanese and Dominion Textile were stronger in textiles. In liquors, Seagrams, Walker and Canadian Breweries reversed their trends and finished advanced and United Distillers, Melcher and Alco "A" and "B" were up all day.

Montreal Power converted a loss into an increase in utilities and harder were Bell, Brazilian, Power Corporation, B. C. Power "B" and Winnipeg Electric. Shawinigan faltered. Royal and Commerce pushed up in banks and Nova Scotia was shaded. C. P. R. was a winner in carriers and steamship backed up.

Better in metals were Aluminum, H. B. Mining and Smelters. Nickel was down temporarily and Noranada slipped. McColl was on the downside in oil refineries, Petroleum gave up a tilt and Imperial deleted a loss. Lake Shore was in the win column in golds. In junior mines, moving up were Sullivan, Santiago, Elder, Normetals and Formaque. O'Brien, Central Cadillac and Joliet retreated.

At higher levels in miscellaneous were Ogilvie, Famous Players, General Bakeries and Lewis. Off were Lowney, Southam, Purity, Chemicals and Agnew-Surpass.

Trading box score: Total sales: 195,700 shares; mines, 150,700; industrials 45,000; stocks higher, 79; lower 43; unchanged 55; new highs 5; new lows 5.

Stocks Rally At Closing Of Market

(By Victor Eubank, Associated Press Financial Writer)

NEW YORK, Sept. 26—(AP)— Stocks generally rallied in the final hour today after the market had spent most of the session loafing over an irregular terrain.

The Associated Press 60-stock composite was up .7 of a point at 64.2 with the comeback since Tuesday amounting to 3.1 points.

Canadian stocks were strong, with mines leading the upward trend. McIntyre was up 1 and Dome Mines 3-4. Canadian Pacific gained 1-4. Hiram Walker recovered from its noon slump closing unchanged.

Prominent on the revival were U. S. Gypsum, up 6 points at $112; Johns-Manville 4 at $130, Goodyear 3 1-2 at $59.87, Du Pont 3 1-4 at $184, Union Pacific 3 1-4 at $123.25, Chrysler 2 1-2 at $91.50 and Woolworth 2 3-8 at $52.

Ahead were U. S. Steel, Bethlehem, General Motors, Goodrich, Montgomery Ward, International Harvester, Douglas Aircraft, American Telephone, Western Union "A", Kennecott, Eastman Kodak, Southern Railway, Northern Pacific, Standard Oil (NJ), Burlington Mills (on an extra dividend), General Electric and American Smelting.

Dow Chemical yielded 2 1-2 at $165 and Allied Chemical 1 at $163. Lesser casualties were Chesapeake & Ohio, Great Northern, U. S. Rubber, J. C. Penney, Air Reduction and Caterpillar Tractor.

Tip Unfruitful

CORNWALL, Ont., Sept. 25—(CP) —The "Mounties" may always get their man, but here's one case where the R.C.M.P.'s highly-trained dogs can't.

Constable J.L. Thompson, handler of R.C.M.P dog "Duke" has given up an attempt to track down William Lama of nearby Harrison's Corners, wanted on murder charges. Thompson admitted today that Lama, a fugitive for 38 days, was "too smart a woodsman" for the dog, confusing him by sticking to farm trails well-used by other persons.

Yesterday police followed up without success a tip that Lama had been seen near the village of Moulinette. They found a few pieces of bread, cheese and a bottle of wine, which someone dropped in haste.

Lama has been sought since Aug. 16 when his wife and nine-year-old daughter were found in their farm home, slashed to death by a knife.

The tenderer must state the use to which the building or buildings, or materials contained therein, will be put, as this will be a determining factor in deciding the acceptance of any tender.

Tenders received after closing time cannot be considered. The highest or any tender may not necessarily be accepted. Cheques or Bank Drafts will be returned to unsuccessful tenderers.

The successful tenderer will, when notified of acceptance of his or her tender, be required to furnish a certified cheque or bank draft for the remaining 90 per cent of his or her tender, and in addition, a certified cheque or bank draft for an amount equal to the estimated cost, of restoring the site or sites, as a guarantee that he will comply with all the terms and conditions of the tender. This cheque or bank draft guaranteeing restoration will not carry interest and will be returned upon the satisfactory completion of the terms of the tender.
