Criticized Terms Of Subsidy Contract

(Canadian Press)

OTTAWA, March 10.—In resuming the adjourned debate on the agreement between the Government and Sir William Peterson, providing for annual payment of subsidy in the House of Commons this afternoon, Brigadier General A. Clarke ventured the opinion that Sir William Peterson had already escaped any liability in the matter as there was nothing in the contract to prevent him from making any assignment so as to protect himself. He prophesied that any company to which this contract might be assigned would not succeed. Why, he asked, should any company build ships when according to Lloyds, six million tons of shipping are already idle. The Prime Minister said in return for the right to fix rates, money would be paid to Sir William ePterson only after the service was performed. Premier King pointed out that the Government was free to make a similar contract with any other country.

War Widows Urge Clemency For Capt. Pirie

OTTAWA, March 10.—The fate of John Buchanan Pirie, now in the county jail here under sentence of death on March 24, for the murder of his wife and two children, will probably be decided at a meeting of cabinet next week.

Today a petition bearing 3,125 names and urging commutation of the death sentence either to life imprisonment or confinement in an asylum, whichever the Minister should determine, was presented to Mr. LaPointe by Mrs. D. J. McKinney and Mrs. M. R. Sutton both war widows. The petition set forth that "there were many circumstances connected with the case which should influence the executive authorities of Canada to exercise clemency in favor of one whose crime is attributable to a diseased mind rather than criminal tendencies."

Will Accompany Him to Gallows

OTTAWA, March 10—Mrs. Molly Ranson Sutton of Toronto, psychic and spiritualist who has been appointed spiritual adviser to John Buchanan Pirie, under sentence to hang on March 24 for the slaying of his wife and two daughters, will accompany him on his death march to the gallows, she intimated today. Mrs. Sutton is the first woman in Canadian history to be appointed spiritual advisor to a man condemned to death and if she carries out her present plans, she will be the first woman known to accompany a murderer to the gallows in that capacity.

SOFT BLUE CREPE DE CHENE AFTERNOON FROCK IS TRIMMED WITH GRAY

Crepe de chine in a very soft blue with a tint of gray in it is used for the youthful frock sketched above.

A smart feature is seen in the trimming of gray net. Flaps of this net, applied about the edge of the skirt and about the collar are edged in the blue. Bands of gray crepe de Chine are added, with gray covered buttons down the front and a gray tie.

For later Summer wear this dress would be most attractive in white crepe de Chine with white net and cerise crepe de chine for trimming.

Oh! What a battle. But it's only one of the big thrill sensations in this melodramatic knockout.
You'll leap in your seat as the horses go tearing past you at Longchamps; feel the thrill of a mile-a-minute chase at sea; see a plunge from a liner's deck two hundred feet high; witness the fight for a woman's honor, and give her up the man she loves when duty calls her.
