One Doctor

Ask your doctor about Ayer's Cherry Pectoral for throat and lung troubles. Doctors have prescribed it for 70 years. J. C. Ayer Co., Lowell, Mass.

Have only one doctor—just one! No sense in running from one doctor to another! Select the best one, then stand by him. No sense in trying this thing, that thing, for your cough. Carefully, deliberately select the best cough medicine, then take it. Stick to it.

These services have been largely attended all week wherever held and the benefit derived from them can not be measured by mere words.

The Prohibition case against Edward Fraser, Vernon, was adjourned yesterday until next Thursday. This came up before the County Court.

A few days ago, at the instigation o f Prosecutor Gough, Constable Brown, raided three places in Kensington from which he took eighteen bottles of whiskey and a quantity of beer which will be analysed.

A. A. Bartlett will lecture in St. James Hall next Friday evening, the 14th inst, on Scicily, a lovely but cruel land. One hundred handsome views will be thrown on the canvas including scenes from the recent earthquake.

At the City Police Court yesterday morning Herman Essory was convicted of a first offence against the Prohibition Act and was fined $100 and costs or three months. The case against P. P. Gillis for fourth offence was dismissed.

The following special program will be shown at the Bijou tonight:—The Warrior's Sacrifice, a beautifully colored film, a million dollar mix-up and an Indian's wife's devotion. At 4 p. m. there will be a matinee. The admission is five cents.

C. G. Gilbert, Supt of the Poultry Department of the Experimental Farm, Ottawa, will address a meeting of the Marshfield Farmers Institute in the Hall at Marshfield, on Monday Jan 10th at 7.30 p.m. Subject—The Poultry Industry. All come.

Miss Cosgrove took the January entrance and her many friends in Wellington and elsewhere will heartily wish her success.

The Minto left Pictou yesterday morning at the usual hour and arrived in Georgetown about eleven a. m. The special with the mails and passengers arrived in this city at one o'clock. The Earl Grey left this port yesterday morning and will sail today, weather permitting. The local reference yesterday was misleading as the Minto crossed over from Georgetown to Pictou and not from Pictou to Georgetown as incorrectly stated.

Poultry raisers in this Province will find some pleasing news by reading the ad of F. J. Holman & Co which appears in another column. This firm has been steadily increasing their poultry business and this season's trade has far eclipsed all others. In the past year there has only been three or four weeks that they did not handle any and the reason for this was that there was none offering at those times. They intend handling all kinds of good quality poultry during the coming year and require large quantities immediately so any one having good chickens, fowl, geese or turkeys, should call and see them before selling elsewhere.
