WINNIPEG, June 2 —(CP)— Winnipeg July could not hold all of its early five-cent advance today which had pushed a three-day rally to 13 3-4 cents. It made a strong comeback at the close despite bearish United States record-breaking crop estimates, to finish 4 3-8 cents up at 1.01 3-4; October 7-8-1 1-4 higher at 77 1-4-5-8. December closed 75 1-4b.

July forged above the dollar mark today and virtually wiped out losses in recent sessions that carried it down to 88 5-8 cents.

Dealings were spasmodic today but one large southern interest continued to buy Winnipeg July and orders from this source were largely responsible for the five-cent limitable advance at opening of trading.

Firmness at Liverpool and improved overseas demand for wheat were offset by the average of U. S. 1938 crop estimates placing probable production at 1,077,000,000 bushels, a new high peak.

Stocks Follow Uneven Course In Montreal

MONTREAL, June 2—(CP)—The Stock Market picture brightened a bit today although a few metals and oils were off color at the finish.

Papers went ahead from the start on steady investment buying and fractional improvement showed at the finish for Price Brothers at 10 1-4, St. Lawrence Corp. at 33-8 and the preferred at 1.3-8. Distillery stocks gathered small gains in light trade.

Unsteadiness of oils were traced by brokers to developments in western oil fields. Behind small amounts were International Pete and McColl Frontenac while Imperial Oil remained stationary. Rails, propelled by quiet buying advanced narrowly.

Ahead at the start, Nickel and Smelters backed fractionally but Hollinger and Noranda retained small early upturns. Ur fractions to more than a point were Dominion Bridge, Dominion Steel B and steel of Canada.

Total sales 47.800 shares; 12.800 Industrial, 35,000 Mining, Bonds $800.

TORONTO, June 2 —(CP)— The Toronto Mining market recorded a modest advance today under a low head of buying steam.

Waite-Amulet again featured the base metals and Kerr-Addison held the main interest in the golds These two issues with Buffalo-Canadian accounted for about 30 per cent of the entire turnover. Waite touched a new high at 3.15 and closed at 3.10 for a net gain of 24 cents. Kerr-Addison's advance of 25 cents was cut to 18 cents before the close. The penny issue, Buffalo-Canadian added a fraction.

Hudson Bay and Aldermac accompanied Waite to higher levels and Smelters and Nickel closed with minor declines. Eldorado held steady throughout the day and other silvers were lifeless.

Trades were less pessimistic about the western oils today over the proration cut. The close was up moderately for Davies, Home and Anglo-Canadian. Calgary-Edmonton and Okalta were unchanged.
