STOCK QUOTATIONS

Stock Markets At A Glance

WINNIPEG, Jan. 4 — (CP) — Rye futures prices on the Winnipeg Grain Exchange today declined slightly in a dull session. Hesitation in Chicago values influenced the local market.

CHICAGO, Jan. 4 — (AP) — Belief that considerably more cash corn and oats have been bought recently than reports indicate touched off more active selling of all grain futures today and prices were lower most of the time.

MONTREAL, Jan. 4 — (CP) — Majority trends were downward in transfers today on the Stock Exchange and Curb Market in the face of some profit-taking after recent rises. Utilities managed to make some headway along with banks in the indices but papers, industrials and golds were down on average.

NEW YORK, Jan. 4 — (AP) — Selected rails and industrials negotiated a timid rally in today's Stock Market although many leaders failed to climb out of the losing column and dealings were relatively sluggish.

Improved tendencies appeared after an irregularly lower opening with carriers favored. Best gains running to 2 or more points were reduced or cancelled in numerous cases at the close and even some rails backed away. Final prices were notably uneven.

TORONTO, Jan. 4 — (CP) — The Stock Market rounded out the final session of the week with index gains for the Base Metals and Western Oils while the golds took a small index loss. Although the medium-price golds were off narrowly the heavy trading in some of the junior issues at firming prices gave the list a tinge of confidence.

Sherritt-Gordon held top interest throughout the day. It traded 340,000 shares and swung between 1.92 and 2.50. It closed at the top for a net gain of 51 cents. The Base Metals as a whole firmed .56 to a new high for several years.

W. C. T. U. NOTES

THE NEW YEAR

Another year—and oh the promise
of the days that are to be!
What depth of solemn thought,
What majesty of words,
What miracle of deeds,
Await the one whose courage and
whose faith
May lead him far upon untravelled
ways,
That he may voice new wisdoms
of the universe.
Take solace, oh dear heart; for thee
new days appear,
And opportunity comes riding on
each dawn;
The power is thine to take — to
nobly dare
To win thy inmost heart's desire
Then falter not, the way is thine
to tread
And thine the goal—distant, yet not
too far
Awake! Awake! To meet the coming
year.

THE CHURCH PASSES BY ON THE OTHER SIDE

"This year (1945) to date, Ontario has seen twenty-one trials involving the charge of murder. Commenting on this grimly alarming situation, Deputy Attorney-General Cecil Snyder says that not only is this the largest number on record, but that a particularly disturbing feature consists in the fact that many slayings were the result, not of premeditation, but of extremely brutal attacks by youth."— Brantford Expositor.

As we noticed previously, from an article in Maclean's Magazine, Ontario leads the Dominion in consumption of liquor, therefore, though shocked, we are not surprised to note the outbreaks of crime there. That is what we shall have to expect here, now that the Government, by the six-months amendment, (which was passed contrary to the expressed wishes of the majority of the electors) are exploiting the youth of our Island, and leading them into ways of sin, while the people stand by in helpless grief, and the churches pass by on the other side.

We are sorry to have to say it, but it is, alas, too true. Where the liquor business is concerned, the churches (with a few notable exceptions) are, like the priest and the Levite of old, passing by on the other side. It is hard to understand why this should be so, when we realize that: "the ravages of the liquor traffic are greater than those of war, famine and pestilence combined." "Is it nothing to you, all ye (churches) that pass by" (on the other side) that our youth are being exploited and led into sin? Is it nothing to you that many of these slayings were the result of "extremely brutal attacks by youth"? Ontario youth are not any worse than Prince Edward Island youth, it is just that they get more liquor to drink. Youth is being ruined and wasted, yet the churches pass by on the other side.

The churches talk about their Youth Programs. The brewers have their "Youth Program" too. It is that millions of young people, who do not now know the taste of beer, shall be given an appetite for the stuff, and the greed of the dealers and the cupidity (and stupidity) of the Government will do the rest.

The Churches have a modest Youth Plan by which they hope to capture some scores of young people for Christ. The brewers have an ambitious Youth Plan, by which they expect to capture millions of young people for the Devil, and they are beating the churches to it. Yes the brewers, openly and brazenly, like Hitler in "Mein Kampf" plan to debauch millions of our youth, for the greed of gain, and the Church of the Living God passes by on the other side.

The Sunday Schools, as a general rule, are doing good work with the W. C. T. U. temperance lessons, but how many temperance sermons do you hear in a year? Do you hear one? Not long ago we heard a good one in the Baptist Church in Hazelbrook, but such events are so rare as to be noteworthy.

The reason, alas, is not far to seek. Sad to say, the devil, in the form of the liquor traffic, is getting into the churches and crippling them. Perhaps some wealthy member likes a drop himself, perhaps he owns shares in brewery, or some other liquor stocks, and his feelings must not be hurt, perhaps he is a member of the Government, and must not be offended. All the water of the ocean cannot sink the ship so long as it stays outside, but when it begins to get into the ship, then trouble begins; and all the liquor in the world cannot hurt the Church so long as it remains outside, but when it begins to get into the Church, then trouble comes.

The time has come when the churches, and all of us, need a great spiritual awakening. We are crying: "Peace, peace" when there is no peace, we are trying to persuade ourselves that all is well, when the world is full of noisome and cankerous sores, of which probably the worst is the liquor traffic. We are too fond of being at ease in Zion. "Awake, thou that sleepest, and arise from the dead, and Christ shall give thee light." —(St. Paul.)

"The liquor traffic would destroy the Church if it could, the Church could destroy the liquor traffic if she would," but not by passing by on the other side.—Edith Sterns.

A PLEA AGAINST GAMBLING

Mrs. W. Y. King, Dominion Secretary of Anti-Gambling, writes: "According to a statement by the Dominion Dept. of Agriculture, which supervises betting at race tracks, in 1944, more than $37,000,000 was wagered in Canada.

May our members, with God's help, stand apart from every form of gambling, and by example and words influence our young people against this growing evil.

C.C. King.

CHRISTIANITY

One final lesson I feel we may well draw from our war experiences, and that is the debt we owe to Christianity in teaching us to hold on to our respect for human life and for human dignity. It's significant that in Germany from a quite early stage in the war not only enemies and critics of the Nazi regime, but harmless old people of their own race, mental patients, and incurable invalids have been sent in thousands to the gas chambers and crematoriums. —Dr. Letitia Fairfield.

Two mothers were discussing their children's eating problems.

"You say you never have any trouble making your Jackie eat his bread crusts? Why, Johnnie always leaves his crusts beside his plate. How are you so successful?" the dubious mother inquired.

"Oh, that's easy," the second answered, "I always give him the heel of bread, then he doesn't know which part to leave.
