Offices in Montague, Capt. W. A. Johnstone, Agent and in Souris, A. J. McDonald, Agent.

...The latest news, first of all.

...The branch office of the Charlottetown Guardian will be found in the store of A. J. McDonald & Co., Souris. A. J. McDonald is the agent. 6—30drtf.

...John Fraser, Montague, engineer of the steamer Enterprise has received the sad news of the death of his brother, Captain Roderick Fraser, of New York. The deceased had been ill for about a year, and for that time had been residing at his home in New York with his wife and two children.

...A. J. McDonald has been appointed representative of The Guardian at Souris, and will conduct a branch office at that place. All persons who have advertising, subscriptions, and news for this paper will do well to see or communicate with Mr. McDonald, who will give all possible attention to their requirements. The previous capable representative M. S. Acorn, resigned the position owing to other duties.

...St. Mary's Church, Montague, was the scene of a quiet but pretty wedding yesterday morning, when the marriage of Miss Florence A. Macdonald, youngest daughter of A. C. Macdonald, to Daniel J. Stolte, of Battleboro, Vermont, was celebrated by Rev. S. T. Phelan, P. P., assisted by Rev. Dr. McMillan, of Cardigan. The bride wore a semi-princess gown of cream messaline, with ball fringe and embroidered motifs. Her hat was of cream mohair with ostrich plumes and pearl cobochons and she carried a lovely boquet of white carnations and roses. The bridesmaid, Miss Helena Macdonald, sister of the bride, wore a gown of white point d'esprit with touches of gold, and a flower hat of pink roses and foliage. The groom was assisted by Temple Macdonald, of Georgetown. The church was tastefully decorated with potted plants and cut flowers. After the ceremony the immediate relatives assembled at the home of the bride's parents, where a dainty dejuner was served. The bride's travelling suit was of natural pongee silk, handsomely braided. A special train conveyed the happy couple and friends to Georgetown, amid showers of confetti and good wishes.

...The many friends of Capt. W. A. Johnson, Montague, will regret to learn that he is confined to his home through illness.

...The death occurred at Brudenell River, on Saturday morning last from paralysis of James De Lorie, aged 51, son of Benjamin De Lorie.

...The following are the Montague market prices:—Oats per bus. 50c, potatoes per bus. 25c, butter per lb 16 to 18c, eggs per doz. 16c, pork per lb 8 to 8½c and hay per ton $6 to $8.

ABILITY AND MERIT NECESSARY

OTTAWA, June 29—Civil Service reform will shortly be effectively extended to the Intercolonial Railway employees.

The Board of Management has decided that only the principle of promotion hereafter will be ability and merit, as evidenced by reports received regularly from all heads of Departments as to the manner in which individual employees are discharging their duties.

A DOUBLE DROWNING.

FORT WILLIAM, Ont., June 28—The twenty-year old bride of J. Loughton and her brother William Ward, were drowned in the Kaministiquia River about 5 miles above Kataboka Falls on Saturday.

Loughton, his wife, and brother-in-law went out canoeing.

Not only is the river at this point very deep but the current is swift and while Ward was changing his paddle from one hand to the other the current swung the little craft around and it capsized. Loughton supported his wife until she became unconscious and the eddies swept the woman from his arms. He was rescued by two men just as he was going down for the last time.

HER POINT OF VIEW.

Mrs. Oldwed—Of course, my dear, I suppose you sometimes quarrel with your husband? Mrs. Newed—Indeed I don't, but he—er—sometimes quarrels with me.

SCIENCE.

"I have been taking some moving pictures of lige on your farm." "Did you catch my man in motion?" "I did." "Ah, science can do anything these days."

ART AND THE ARTIST.

Miss Brush—I suppose you don't mind my being in your field, Mr. Goebel?

Farmer Goebel (heartily)—The longer you stay the better miss. Fact is the birds 'ave been very troublesome this season.—The Tatler.

HER CONCERN.

"I suppose you told him you would make him a good wife, and all that sort of thing?"

"Not I—my chief concern is to make him a good husband.

Proves Nerviline Cures Chronic Sciatica.

Solemn Statement of a Well Known Newark Merchant Establishes that Sciatica can be Cured Quickly.

It was four years ago I first was attacked by sciatica. The pains came and went, and at first were not severe. I took no precautions against relapse and the conditions grew permanent. Severe grinding pains like points of steel being forced through my flesh, affected my left side. I became almost a cripple, and on a damp or stormy day was afraid to leave the house.

"NERVILINE" was recommended and I rubbed on lots of it. In a week I improved, and by persevering with the Nerviline rubbing and taking it every night, twenty drops in hot sweetened water, finally got the disease under control. In eight weeks I was cured. I have never since felt a twinge or an ache, and for those affected with Neuralgia, Rheumatism, Lumbago, Sciatica, or any other muscular ailment, I can conscientiously recommend "NERVILINE."

For fifty years Nerviline has been a standard household remedy all over America. Many doctors and druggists use it in their own families because it is the best, strongest, most penetrating liniment made.

Beware of the unscrupulous dealer that endeavors, because of the extra profit on an inferior article, to induce you to take anything in place of NERVILINE. Large 25c. bottles at all dealers.

Any Guardian reader who receives a dimly printed, badly printed, badly folded, badly cut, badly addressed, badly wrapped, torn, soiled or incomplete paper of whatever issue will kindly notify the Subscription Department at once.

FAMILY HAD NARROW ESCAPE

LONDON, Ont., June 27—During a heavy thunderstorm that visited this vicinity yesterday, Mr. and Mrs. Riddle, 141 Bathurst street, had a thrilling experience. A lightning bolt struck their dwelling, passed through the door and floor of an upper room into the dining room below, where the couple were at dinner. It came within a few feet of Mrs. Riddle, and then passed out of the door. At Woodstock the lightning struck the home of Frederick White. The bolt struck one side of the room, passed under the cradle, containing a baby a few days old, and exploded with a crash like a cannon shot on the other side of the room. No one was injured, those present having miraculous escapes.

Nelson Auger, a farmer, who took shelter under a tree during the storm near St. Thomas, was struck by a bolt and is not expected to recover.

CONDITIONS OF THE BIBLE STUDY CONTEST

1. Persons may join the club at any time during the year, but must, of course answer the 50 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are studied.

2. Each contestant, or his or her family, must be a subscriber to The Guardian, during the continuance of the contest, in order to qualify for membership in the International Newspaper Bible Study Club and this Local Club.

3. Each contestant in this Local Club, must answer each of the written questions, for 52 consecutive weeks, commencing for Sunday Aug. 23rd, 1908, and the answers must all be in the possession of The Guardian within two weeks of the close of this period, which allows two weeks grace after the close of the contest.

4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write their answers on letter paper, about 8½ inches.

5. Each answer must have the name and address of the writer at the bottom of the answer, so it can be identified, given a number registered and the name cut off so the examiner may know it by number only.

6. Students should be careful to understand the question before answering. To do this, the lesson text must be read and especially the verse, or verses, upon which the question is based.

7. The answers from this Local Club must be delivered to this office, and they will be collected and warded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out to-day

BOARD ADJOURNS FOR A WEEK

SPRINGHILL MINES, June 27—The conciliation board met yesterday morning, but on the request of the men's counsel, C. R. Smith, the chairman adjourned the sitting until a week from today. The adjournment was granted in order that Mr. Smith might have suficient time to thoroughly investigate and prepare the men's case. The chairman, Mr. Justice Longley, on adjourning the board expressed the desire that everything be in readiness for the regular proceedings when the board resumed its work.

AT THE CAMP.

Yesterday afternoon and last evening, Charlottetown presented the appearance of a garrison city, the main streets being crowded with soldiers, coming from, and going out to Camp. Beyond a little squad drill, nothing else was done yesterday in the way of training, the soldiers' time being chiefly occupied in pitching tents, and getting things in readiness. By night fall a hard day's work was finished, and when at an early hour this morning the bugle sounds, routine work will commence. The following is the program for today. Eight-thirty, general muster, which will take about two hours. Then infantry squad drill, and manuel and firing exercises. Half of the Artillery will receive infantry drill, and half gun drill. This will take up all the morning, and the afternoon's work will be practically a repitition. This year more time and attention will be devoted to musketry drill than for sometime past. At all hours of the day Camp is an interesting place to visit and doubtless the number of interested spectators will be far larger today than yesterday.

UNFIT TO LIVE—MUST DIE.

The verdict returned a thousand times when corns get sore. Do them to death by Putnam's Corn Extractor; it cures painlessly in twenty-four hours. Use "Putnam's," the only vegetable remedy known.
