# CHARLOTTETOWN and QUEEN'S COUNTY

It pays to buy in this Province.

The mail special from Georgetown arrived in this city at 12.25 Saturday.

Miss Maggie Peters, city, expects to leave this morning on a visit to Montreal.

Rev. H. E. and Mrs. Thomas, city, will commence to move to the new parsonage today.

The many friends of B. J. L. Garnham, city, will regret to learn that he is unable to attend to his duties through illness.

The funeral of the late Benj. Rogers, Sr., city, will take place tomorrow afternoon and will be under Masonic Auspices.

The condition of Mrs. A. W. Carleton, city, who is suffering from a stroke of paralysis, was reported as a little better last night.

On Saturday evening a team driven by Mrs. Warren, of North River, broke through the ice near Brighton, out fortunately was rescued.

The condition of Miss Annie B. Fraser, daughter of John E. Fraser of Mayfield, who is undergoing treatment in the P. E. I. Hospital was reported to be unchanged at a late hour Saturday evening.

On Saturday the Earl Grey had a very heavy trip to Pictou, encountering much ice. She had extremely difficult work to get to Pt. Prim but behaved splendidly. After this the way was easier and loose ice and occasional good leads were met with until opposite Wood Islands. The Minto did not experience any great difficulty in reaching Georgetown.

The Amherst News of Jan. 18th says: A meeting of the Wallace Presbytery was held yesterday forenoon for the purpose of presenting to Rev. E. H. Ramsay, pastor of Knox Church, the call extended to him by St. Andrew's Presbyterian Church at Truro. The matter was then discussed by the members of the Presbytery, and on motion the call was placed in Mr. Ramsay's hands. Rev. Dr. Sedgewick, from Tatamagouche, and Rev. Mr. Stewart, of Pugwash, both expressed the view that Mr. Ramsay's work for the time being was here in Amherst, and in connection with the Wallace Presbytery. It is stated that St. Andrew's congregation offered the Rev. Mr. Ramsay a larger salary than what he is receiving here, and also a manse. The additional salary and the free use of a manse would probably be equivalent to from $500 to $600 a year over and above what he is receiving in Amherst. In dealing with the call, Mr. Ramsay stated that he was at first very uncertain with regard to whether he would accept or not. He realized that there was important work to be done in Truro. It was a large congregation that had given freely in the past for the schemes of the church and it was a field that should not be left unworked. However, at this time he did not see how he could accept the call tendered to him as he felt it was his duty to remain with Knox Church. The decision arrived at by Mr. Ramsay will be learned with much pleasure, not only by the members and adherents of Knox congregation, but the citizens of the town in general. It is not often in a mercenary and commercial age like this where the almighty dollar plays so prominent a part, that a man will brush monetary considerations aside, to listen to the call of what he deems to be his duty.—Mr. Ramsay is a native of this Province.

### AMERICANS UNPREPARED

(Continued from page 1.)

that our army is too small, that our navy is practically helpless because we have no merchant vessels as an auxiliary.

"In case of a contest we would need for transports 250 vessels. We have not in both oceans combined 20 vessels fit for this purpose. We are more helpless today than was Russia at the beginning of war with Japan.

"I do not prophecy a war with Japan. It would be a crime against humanity, but the only guarantee of peace on the Pacific Ocean is to be prepared for war.

"Japan has 600 merchant vessels on the Pacific fit for transportation. The United States has six. Japan can transport 500,000 trained troops at one time. The United States not more than 10,000.

This afternoon's session of the Lake Carriers was principally taken up with the election of officers and naming of the executive committee. The officers were re-elected and the executive committee stands practically the same as last year.

(Continued from page 1.)

ond son of Nathanial Smith. He was converted in early boyhood and joined the Methodist church, of which the late Dr. John McMurray was minister and with whom he was a subsequent co-laborer and lifelong friend.

He entered the ministry of the Methodist church in 1841 at the instance of Rev. Dr. Richey.

His circuits and charged were Newport and Windsor, Amherst, and Parrsboro, Halifax, Cornwallis, Guysboro, Wallace, Amherst, York, P. E. I., West St. John, Sussex, N. B., Lunenburg, Annapolis Royal, Middleton, Barrington, and as supernumerary, Oxford street, Halifax. His largest circuit was 100 miles in extent, with forty regular preaching places. It is estimated he travelled in ministering not less than 60,000 miles, preaching 15,000 sermons.

He was a Methodist minister for seventy years, a baptized Methodist for 91 years and over. His ministerial work reached that of Wesley, for he received a person into the church whom Wesley baptized. More than fifty years ago Mr. Smith married Miss Elizabeth S. Smith, eldest daughter of the late S. S. B. Smith, of Halifax. The children are Mrs. E. L. Harris, Mrs. (Rev.) H. R. Baker and Rev. John B. Smith of the New York east conference of the Methodist Episcopal church. He has a son and grandson in the ministry.

Rev. Richard Smith was a remarkable man, vigorous, earnest and evangelical, and his memory will long be cherished.
