TORONTO, May 28 —(CP)—Winding up the week with its fourth consecutive gain, the Toronto stock market showed more confidence, from a bullish angle than at any other time in a month or more. Mining and industrial stocks netted index gains of about half a point and the western oils had a slight margin on the up side at the finish. Turnover of 286,000 shares was the heaviest Saturday trade since April 15.

Profit-taking shaded the cheaper gold prices for a time but the list tightened up again in the final stage. East Malartic backed to 2.-65 and closed there for a loss of 5 cents and the close was down slightly also for O'Brien, Powell, Sheep Creek, and Wright-Hargreaves. McIntyre advanced 1 1-4 to 57 1-4 and minor advances were boarded by Preston, Beattie, Central Patricia, Little Long Lac, Siscoe pfd Teck Hughes.

Imperial Oil eased the minimum fraction while B. A. and International Pete held unchanged. The steels were slightly lower.

Royalite turned heavy in quiet trading but the cheaper western oils displayed an improved tone. Anglo-Canadian firmed 2 cents, Brown and Davies a fraction and Calmont a cent. Home held steady.

Japanese Officials Threaten To Keep Troops In Kulangsu

SHANGHAI, May 26—(AP)—Japanese naval officials declared tonight that their minimum demands for withdrawing a landing party from Kulangsu, International Settlement of Amoy, was the addition of three Japanese to the Amoy Municipal Council.

The Japanese said they would station troops at Kulangsu, an island in Amoy Harbor, indefinitely if Great Britain, France and the United States do not accept their terms.

(In 1938 the Kulangsu Council included two British, two Japanese one American and three Chinese members.

(The Japanese demands were addressed to Britain, the United States and France because each of those nations landed forces of 42 men—each precisely matching the Japanese landing party's strength—on Kulangsu.)

The answer of foreign commanders and the municipal council was not disclosed but they have refused so far to accede to demands which would give the Japanese control of the International Settlement.

Japanese dispatches from Amoy, meanwhile, said Japanese naval authorities had rejected an appeal of the Kulangsu Municipal Council for relaxation of a blockade of traffic between the island and the Chinese mainland.

Import Control Will Make Big Changes

(By J. C. GRAHAM
Canadian Press Correspondent)

AUCKLAND, N. Z., May 26—(CP)—Drastic import cuts which the New Zealand Government has imposed in an endeavor to build up the Dominion's Sterling funds abroad will mean some big chances in everyday life in this country. Complete prohibition of cigarettes and tobacco imports, for instance, means that only locally produced lines will be available. When existing stocks of liquors are used whisky, gin, brandy and wine moy disappear from the market.

Another method of removing hot dish marks from polished tables is to make a paste of salt and oil and coat the marks thickly with this. Leave on an hour or so, and after polishing in the usual way it will be found that all the stains have disappeared.
