Coming race meetings are Moncton this afternoon and Monday, September 2nd; Montague September 2nd; Bridgewater September 2nd; Chatham September 2nd; Pictou September 4th, etc.

—O—

The following trainers with their horses left for Chatham, N. B., yesterday afternoon to race there on Monday: James Arbing with Jimmie A. and Guy Harvester; Pat McKenna with Colleen Adam 2.12, Midnight Melody and Helen Budlong; Len O'Meara with Winnie Scott 2.10½, Guy Spencer, Marlene Budlong and Buddy Kalmuck. Willard Kelly is expected to take Wait N'See and Kelly's Nightmare to Moncton for the races Saturday, returning in time to race at Montague Monday.

—O—

We have received from Secretary Fred J. E. Wright the complete entries for the Futurity Races of the Prince Edward Island Harness Racing Club. These events will be held in connection with Goodwill Races September 11th and 12th. The Two Year Old Futurity has eight entries, the Three Year Old Futurity eleven entries and the Four Year Old Futurity also eleven entries. These will appear listed with the other entries for Goodwill meet in next Saturday's Guardian. The two-year-old entries are all from Prince Edward Island with the exception of one, Quaker's Dud, from Dartmouth, N. S. The three-year-olds include one from Chatham, N. B., Peter H.; one from Centre Acadia, Nelda A. Volo; and one from Lower Sackville, N. B., the remainder being from P. E. I. We look to see some good racing in these events, possibly the best in years.

—O—

Elsewhere in this issue will be found the classes for Goodwill Races Wednesday and Thursday, September 11th and 12th. Besides the futurities there are seven open classes ranging from a Free For All Trot and Pace to 2.25 pace. It has been difficult to combine sufficient classes to suit all the stables in a two day meet but the management has done its best, offering ten classes with purses of over $5,000. It is hoped and expected that this year's Goodwill races will be the best since their inception in 1941. The track which was considered slow and was undoubtedly so, at Old Home Week, is being given a lot of going over with the prospect of its being as fast or almost as fast as at any time in its history.

—O—

Racing this week was featured at the Nova Scotia Exhibition, Truro, Tuesday, August 27th and Thursday, August 29th. Wednesday's races were unfortunately rained out, also postponed events which were to have been held yesterday and will be held today. Summerside was rained out on Wednesday but held their meeting on Thursday afternoon. The Rain Maker is no respecter of persons and few realize what a strain the weather places on the nerves of a promoter of outside sport.

—O—

Following is a short summary of the races at Truro: Tuesday's races consisted of three classes, the 2:28 Trot and Pace, purse $600, was won by Peerless Hanover, owned by B.C. Cruickshanks, Halifax, and driven by A. Allan with 1-1-1; Queenie Dewey, owned by F. C. Coates Amherst, driven by F. Baxter, 2-2-2; Shanghai 3-3-dr; five other starters; best time 2:18. The 2:19 Trot and Pace, purse $600, was won by Colonel Dan, owned by Stevenson and McKinnon, Glace Bay, and driven by Earle Semple, with 1-1-2; Previous (Campbell) 5-6-1; Tracey Hanover (L. Walker) 2-2-8; Mona Direct (Harrison) 3-4-3; five other starters; time 2.13½, 2.14, 2.15½. 2.13½ is a new record for Colonel Dan, five-year-old by Calumet Fingo. The 2:15 Trot and Pace was won by Sandy D., owned by H. W. S. Allingham, Gagetown, N.B. and driven by Johnny Conroy, with 1-1-2; Cyclonic, owned by Wesley Vickers, Sydney Mines, was 4-2-1; Lee McKillop 2-3-4; Bright Spot 3-4-3; time, 2.15½, 2.15, 2.14.

—O—

Thursday's races at Truro saw P. E. I. owned horses winning all three events on the program. The 2:25 Trot and Pace went to Eleanor G., owned by Urban Gillis, Miscouche, and driven by George Sobey, with 3-1-1; Money Maker, (J. O'Brien) 1-2-2; Jean Budlong (E. Semple) 2-3-dr; three other starters. Time, 2.16½, 2.16, 2.16¾. The 2:22 Trot and Pace was won by Lucky Spencer, owned by MacArthur and Simmons, Kensington, and driven by M. MacArthur, with 1-2-2; Baldwin G. (F. Baxter) 1-2-3; Mac Fingo (O'Brien) 3-3-1; Sweet Little Echo 4-4-4; best time 2.17½. 2:13 Trot and Pace was won by Kavola, owned by P. R. McCormac and driven by Roy Barnett with 2-1-2; Joe Direct (Baxter) 1-2-3; Gay Law (Hood) 3-4-1; two other starters; best time 2.11½ by Joe Direct.

—O—

Fine weather and a fairly good track at Summerside Thursday afternoon resulted in good racing in the four classes. The Free For All went to the old reliable Wait N'See, owned and driven by Willard Kelly, with 1-3-1; Bonnie's

Hogan Takes 1-stroke Lead In Tourney

LOS ANGELES, Aug. 30—(AP) —P.G.A. champion Benny Hogan chiseled out a five under par 66 today to take a one-stroke lead in the first round of the $15,000 Golden State Golf Tournament at the California Country Club.

The 135-pound Hershey, Pa., professional, fresh from his victory in the National P.G.A. tourney, never went over par and clocked off five birdies—over the hilly 6,328-yard course. He was out in 34 and back in 32.

One stroke behind was Herman Keiser, Akron, O., with 33-34—67.

A trio of shotmakers was grouped at 69—Toney Penna, Cincinnati O., veteran; Jack Gage, San Bernardino, Calif., pro, and Art Stewart, young Los Angeles driving range instructor.

City League Playoffs Start Here Tomorrow

Opening gun of the City baseball League playoffs will be fired tomorrow afternoon at 2.30 when Westend Anchors and Northend Rovers clash in the opening game of what is expected to be a red-hot series that many fans think will go the limit.

Both squads have been getting in practice licks at every opportunity and both will have their strongest lineup on hand for the tussle.

Anchors fresh from their two straight wins over the Legion in the semi-finals have their bat-sights trained on taking the Rovers in the same manner; but with two evenly matched teams competing against each other this is considered rather far-fetched in the opinion of the more conservatively-minded fans.

However, there should be lots of action no matter how far the series goes with both teams trying to atone for humiliations suffered during the league schedule.

Williams Gets Lone Hit As Sox Sweep Twin Bill From A's

BOSTON, Aug. 30 — (AP) — With Tex Hughson and Jim Bagby giving artistic pitching performances, Boston Red Sox today swept a doubleheader with the lowly Philadelphia Athletics, 6-0 and 6-2.

Hughson limited A's to four scattered singles while gaining the shutout that marked his 15th victory. The Sockers collected all nine of their hits against starter Luther Knerr before chasing him from the mound with a five-run barrage in the fifth.

While Bagby was limiting the visitors to five hits in the nightcap, Rudy York bashed out his 15th homer for the Sox against Phil Marchildon, who also went the full distance. The loss was the Penetanguishene, Ont., hurler's 13th of the season, against 11 victories.

Ted Williams was credited with only one hit—a bunt—for his six tries during the twin bill.

Elmer Valo, however, robbed Williams of a homer in the sixth of the opener, when, with two on and two out, he made a leaping glove-hand catch of a drive that was ear-marked for the right field bullpen.

New Trotting Record Set By May Wonder

(By The Associated Press)

DUQUOIN, Ill., Aug. 30—A season's trotting record for two-year-olds was set twice today as Grand Circuit racing came to a close at Duquoin State Fair. Way Wonder, owned by the Gainsway Farms of Lexington, Ky., and driven by Tom Berry, turned the first mile of the Matron Stakes two-year-old trot in 2:05½, fastest trip for horses of that age and gait this year. Then he came back to clip off another quarter second, 2:06¼ on his second trip.

This performance stole the show from Chestertown, Hambletonian winner and also driven by Berry, who won the three-year-old trot in handy style. His chief rival, Victory Song, did not start. Ben White drove Don Scott, another Hambletonian contender, to second money.

Berry won his third event of the day when Poplar Byrd edged out a great field in the Matron Stakes for two-year-old pacers. It was the colt's second win of the week.

H. B. Johnson's Ensign Hanover driven by Sep Palin, again proved his claim of the three-year-old pacing crown by taking that division of the Matron Stakes in stride. Berry snatched second on the first trip with De Sota Hanover.

Thinks Last 5 Games Will Decide Issue

(By The Associated Press)

ST. LOUIS, Aug. 30 — Eddie Dyer, never one to take a long lead off base when it comes to making predictions, pondered today the fast-mounting wave of optimism over the Cardinals' pennant chances and said:

"I think it'll be a close race with Brooklyn right down to the wire.

"It's going to be a tough race, and we and the Dodgers, have each other to beat. I wouldn't be surprised if the last five games here — two with Cincinnati and three with Chicago—are decisive."

Sockers Take First Game From Kids

Last evening before a large gathering of fans the finals in the Knights of Columbus Ladies Softball League between the Cundall Kids and Bobby Sockers got underway when they played six full innings to an 18-15 count.

Both teams had a bad innings in their second turn at bat, the Kids driving in nine runs and the Sockers twelve, after which they settled down and played real ball.

As was predicted these two teams are going to show some real class before the final out of the last game takes place.

Each side had their group of fans present ,and they were not slow in applauding the good plays of their favorites.

L. McMahon and S. McNeil clouted a home run each for the Sockers and Llewellyn one for the Cundall Kids.

L. McMahon had two smart catches the latter one laying the set-up for a double play. Archer, Smith and Currie pulled down several nice catches, as did also McNeill, Lund and Betts.

They lined up as follows:

Bobby Sockers: McNeill, McMahon, Pickard, Griffin, J. MacDonald, Lund, S. MacDonald, Betts, Rogers.

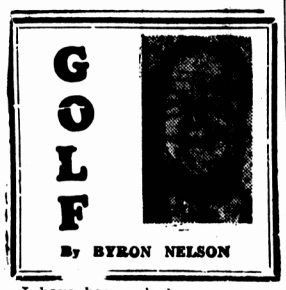
Turns In Polished Performance In Final Match Of Tournament

Miss Priscilla Bailey of the Ashburn Golf and Country Club, Halifax, yesterday added the tri-province Ladies' Golf Championship of these seaside provinces to her Nova Scotia Provincial title by defeating Mrs. George Buntain of the Belvedere Club, Charlottetown, 6 and 5.

Miss Bailey, who is a physical instructress at Milton High School near Boston, Mass., U. S. A., outdistanced her opponent in driving and turned in a polished performance with the irons in winning the first Maritime Ladies' Championship since 1939.

Mrs. Buntain, who plays left-handed, played a sparkling game in keeping pace with the Nova Scotia champion, but lost ground in the early stages of the match when, on three occasions—the 3rd, 5th and 6th holes—the pellet rimmed the cup for costly extra putts.

The match ended on the 13th green when Miss Bailey scored a six for the par five hole and Mrs. Buntain a seven.



I have been asked on a number of occasions recently if I thought that a novice golfer could learn anything from an instructional golf book. My answer is that I think that the novice golfer can get a great deal out of such a book, otherwise I wouldn't have consented to collaborate on the one which was published under my name.

However, I don't think that the novice can get as much out of a golf instructional book as he can from actual instruction by a competent professional. The professional can size you up and teach you the kind of a game most suited to your physique. But such competent instruction is not always available to those who want to play golf and in the absence of it a golf instructional book can be of great help.

My advice on the use of a golf book is to work out your golfing problems with some other player. That is while using the book as your guide, have the other player check on you to see that you are playing your shots as close to the way that the book tells you to play them as it is physically possible for you to do.

The reception golf fans have given my book, "Winning Golf", has been very gratifying to me and to my publishers, A. S. Barnes & Co. The idea of writing a golf book never occurred to me until last year during the St. Paul Open when Otis Dypwick, who had helped Patty Berg prepare her book on golf, came out to that tournament and asked me why I didn't get one out. I told him that the idea was a good one, but that playing golf was my business and that I didn't know anything about writing a book. He offered to help with the planning, writing, photographs and other details which would have overwhelmed me; so I agreed to go ahead with the book.

During my mid-winter vacation from the tournament circuit Otis came down to Forth Worth and we went to work. It took us almost a month, but judging by the reception the book has had, the time we put into making it a different kind of golf instructional book was worth while.

When we started to work on it our objective was to combine the photos and the text in such a manner as to give as clear a picture as possible of the right way to play each stroke. Our next objective was to make everything simple and direct. We worked hard to keep out the confusion which so often resulted when golf pupils attempted to use some of the golf books I have seen.

Until I worked on that book and these columns I never realized there was so much interest in written and pictorial golf instruction. I find that writing these articles and the book has made me more conscious of the other players and how they play the game. Of course, I have always compared my theories on the game with those of other players, but now I find that I go into that phase of golf deeper than I ever have in the past.

But don't get me wrong, I still think I am a golfer, not a golf writer. However, I do enjoy the opportunity this column gives me to sound off about my favorite game. Moreover, putting my ideas in print seems to clarify them because I put a little extra time and effort into thinking about them.

LARGE GALLERY

A large gallery, including two former Maritime lady champions, toured the course with the players and applauded the many well played shots. Immediately the match was decided Mrs. Buntain congratulated the winner and was followed by Miss Maisie Howard, Halifax, 1939 winner and Miss E. Bauld, Halifax, who has won the title no fewer than ten times.

In the outgoing nine Mrs. Buntain won the first hole, but Miss Bailey rallied to win the next three and go two-up. The players halved the next four holes and on the 9th the Nova Scotia titlist went three-up.

Miss Bailey took the 10th and 11th. The 12th was halved with Mrs. Buntain rallying with a fine approach shot to gain a par after her opponent had made a beautiful drive to land the ball eight feet from the cup.

The Nova Scotia champion secured the longest drive of the match on No. 8 fairway, known as "The Range", when the ball dropped into the bunker for a good 200 yards.

Other Matches

Mrs. R. T. Holman, Charlottetown, defeated club-mate Mrs. E. W. MacKinnon, 7 and 6 to win the Championship Consolation.

Mrs. J. P. Clarke, Charlottetown, won the First Flight by defeating Mrs. M. Barter of Truro 5 and 4.

The First Flight Consolation went to Mrs. R. Norman, Charlottetown, who defeated Mrs. Stirling MacDonald, also of the Belvedere Club, one-up.

French Davis Cuppers To Play In Mt'l.

MONTREAL, Aug. 30— (CP)— Charles W. Leslie, president of the Canadian Lawn Tennis Association, said today that Bernard Destremau and Pierre Pellizza members of the 1946 French Davis Cup team, would play a series of exhibition matches here Sept. 9 against leading players from the district.

No opponents for the French stars have been named so far but the Quebec Lawn Tennis Association, which will choose the players, said they would be taken from the best available in the Province.

Mr. Leslie said the French players will be in Ottawa Sept. 9, and in Toronto Sept. 11.
