Women Stay

dainty, immaculate now under their most trying hygienic handicap

OLD-TIME sanitary pads kept women in a state of embarrassment almost one-sixth of their time.

Now wear gayest, sheerest frocks; dine, dance, motor for hours, any time, any day, without a second thought.

"KOTEX" is a new and remarkable way . . . five times as absorbent as ordinary cotton pads.

Absorbs and deodorizes at the same time. Thus ending ALL fear of offending.

You discard it as easily as a piece of tissue. No laundry. No embarrassment.

You get it for a few cents at any drug or department store simply by saying "KOTEX." Women ask for it without hesitancy.

Try Kotex. Comes 12 in a package. Proves old ways an unnecessary risk.

LINES FOR THE DINING ROOM.

This room for cheers!
If you have scowls to scowl.,
Ilyo u have growls to growl
Grumbling or grumpiness,
Down-fi-the-dumpiness—
Don't bring them here.
There's all the rest of the house.
Here is the best of he house:
This room for cheers!

Happiness here!
Silver's a little scratched,
Linen's a little scratched,
Linen's a little patched,
Food's sort of simple, too,
Nothing much fine r new—
But never fear:
Daily we make our bread
Gadly to take our bread,
Happiness here!
—Nancy Byrd Turner.

Old John custodian of the bath houses at an old English resort was in the habit of entering Miss Augusta's compartment before she had completely reclothed herself.

One morning she said to him: "John, you ought to knock before you come in. Some day you might come in while I was undressed."

To which honest old John replied; "Lor' bless you, miss; no dangen of that. I allus peeks through the knot-hole afore I comes in."

Little Two Eyes

COLOR CUT-OUTS

THE TREE OF SILVER

This is one day's chapter of the story of "One Eye, Two Eyes and Three Eyes." Cut out and save the paper dolls and soon you will have the whole set.

Next morning when the sisters awoke there stood before the house the most wonderful tree with leaves and branches all of silver and fruit of gold. Nothing more beautiful and charming could be found in the whole wide world. No one but Little Two Eyes knew from whence the three had come. She noticed that it grew right out of the spot where she had planted the heart of the goat according to the instructions of the wise old woman.

The mother said to Little One Eye, "Climb up child and gather us some fruit." But every time Little One Eye tried to seize a golden apple the branch sprang out of her hand and try as hard as she would she could not pick a single apple.

(This is the queer little, old woman who has again befriended Two Eyes. Make her cape and hood grey. Her stick should be black.)

Dry Leaders Rap U. S. Executives

NEW YORK, Nov. 10— Twenty leaders of the dry forces, meeting at the Prince George Hotel today, expressed in turn their disapproval of the attitude on prohibition shown by President Coolidge, Secretary Mellon, Governor Smith Senator Walker, the mayor-elect of New York, and the Republican leaders in New York state. Dr. Widdenie, superintendent of the National Temperance Bureau in Washington, said that President Coolidge could have complete enforcement of prohibition simply by demanding it. The attack on Secretary Mellon was launched by Dr. Clarence True Wilson, general secretary of the board of temperance of the Methodist Episcopal Church.

"We must recognize from the start," he said, "that a liquor dealer is at the head of prohibition enforcement in this country. We are now at a crises. There is a scheme on foot to open hundreds of breweries to manufacture real beer."

Mrs. Ella A. Brole, of New York a worker in the W. C. T. U., said: "Everyone knows Senator Walker is leader of the liquor interests. Who knows but that he has been in the pay of the liquor interests all along? The wets are in control of New York state with Smith and Walker in office."

Declaring he was glad Walker was elected because the Republican candidates "were even less desirable," the Rev. Dr. D. A. Poling, of the Marble Collegiate Church, New York, attacked the Republican party leaders for "playing fast and loose with the prohibition issue.

Home-made Supply of Fine Cough Syrup

Better than ready-made cough syrups, and saves about $2. Easily prepared.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2½ ounces of Pinex, pour it into a 16-oz. bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is 16 ounces of really better cough syrup than you could buy ready-made and saves easily $2. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, hoarseness and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont

INSIDIOUS EYE STRAIN

We use this adjective advisedly.

Sufferers from Eyestrain may have perfect vision and therefore do not suspect the presence of any eye defect.

The motive power of the entire human organism is Nerve Energy.

Normal eyes, it is computed utilize about 20% of this Nerve Energy but when Eyestrain is present, a much larger proportion is required. Hence defective eyes, through their consumption of an excessive amount of Nerve Energy, may seriously affect the functioning of other organs of the body, and produce ill health.

Had Rheumatism and Bilious Spells

Mrs. Flora Prescott, North Hatley, Que., writes:—

"I was troubled with rheumatism, bilious attacks and headaches for over five years, and when in bed could not raise up without help. I tried almost every medicine I could think of, but did not get much relief until finally I decided to use Dr. Chase's Kidney-Liver Pills, through a friend's advice. They completely restored me, and the old symptoms from which I had suffered so long entirely disappeared."
