Arrested for Spitting.

The man who carries the dread germs of consumption, and who deliberately, or even carelessly expectorates in public places is certainly deserving of punishment. Any other person who is afflicted with a cough or cold is very susceptible to the germs which float in the air (and the air is crowded with these germs), cast off by Consumptives and persons suffering from kindred disorders. A great many cases of Consumption arise from this most reprehensible habit. If you are suffering from a Cold and Cough the only safe-guard is to heal the irritated surface of the throat and lungs which the cough has produced. Shiloh's Cough and Cousumption Cure is *the* sure remedy—the *only* sure remedy—it is guaranteed to be *sure*. If you do not feel satisfied with the results by the time you have used two thirds of the bottle take the remainder back to your druggist and he will refund you the *whole* of the money you paid him. But you *won't* take it back, you will have been too much benefitted.

Shiloh will Cure that Hacking Cough

"S. C. Wells Co., Toronto. *Sirs*:—My husband was a car cleaner and as healthy a man as you would find anywhere. One day he got a bit of a cold—such as he had had often before and shaken off easy enough, but this one was followed by a cough and before long he was awful bad. The Doctor said he must have inhaled something poisonous. We got medicine from the dispensary but it did him no good. One day his foreman came to see him and brought part of a bottle of **Shiloh's Consumption Cure** which had been left over after an attack of croup which his little boy had had. It seemed to do my husband good from the start and three other bottles of it set him on his feet again. I have no doubt that it saved his life. He's quit cleaning cars for good. Yours truly, Mrs. Susan McNully, Pt. St. Charles, Montreal."

Sold in Canada and United States, at 25c., 50c. and $1 00 a bottle. In England at 1s.2d., 2s.3d. and 4s.6d.

MUCH sympathy is felt for Mr. and Mrs. Colin McKay of Bedeque in the almost sudden death of their eldest daughter Florence which occurred yesterday evening of inflammation of the lungs. She had been ill only about forty-eight hours. To her sorrowing parents and family THE GUARDIAN extends its deepest sympathy.

THE funeral of the late Mr. Wm. Wright, of Bedeque, whose death occurred late Thursday took place Saturday afternoon, and was very largely attended. Mr. Wright was 67 years of age, and leaves a widow, one daughter Miss Maude Wright, and three sons, Messrs. Joseph at home, Harry, a student in the Baltimore Dental Parlors, and Frank, who arrived home on Friday from the United States having been advised of his father's illness. The pall-bearers were:—Messrs. Mayor Wright, Colin Wright, Isaac Wright. Morris Wright, Jesse A. Wright and Mr. John Gardiner.

The prisoner Sanderson alias Dutchemin alias A. J. Perkins, the latter given on oath in court, whose arrest for forgery was recorded Saturday morning, was tried yesterday before His Honor the Stipendiary Magistrate. Messrs. David Rogers, A. C. Duchemin, Charlottetown, W. S. Green and W. J. Green, of the Merchant's Bank of Halifax and policeman McDonald were examined as witnesses. The evidence was substantially the same as already reported. The stub of a check found on the prisoner when searched by the policeman was produced in court. It corresponded with the check he had passed on Mr. David Rogers and was shown to have been torn out of a check book in the Merchants' Bank of Halifax here. When the usual caution was read to him and he was asked what he had to say, he replied. "I was drunk and presume, I am guilty," He was remanded for trial in the June term of the Supreme Court.

Major-General Sir Leslie Rundle.

Major-General Sir Leslie Rundle, D. S O., who is one of the youngest generals in the field in South Africa, is the son of a captain in the Royal Navy, and his mother was the daughter of a commander in the same service. He was born in 1856 at Newton Abbot, in Devon, was educated at Woolwich, entered the Royal Artillery in 1876, and in 1887 married Eleanor,

MAJOR-GENERAL SIR LESLIE RUNDLE.
Commanding the 8th Division.

daughter of Capt. H. M. Campbell. R. A. By that time he had seen service in the Zulu War in the Boer War of 1881, and in the Egyptian War of 1882, in the Nile expedition, and with the Soudan frontier field force. Subsequent work in Soudan operations culminated in his adjutant-generalship of the Egyptian army, and the right-hand place he held to Lord Kitchener in the campaign that may be said to have closed with the Battle of Khartoum. Returning home, General Rundle took the command of the South-Eastern District, and three months ago became deputy adjutant-general to the forces, a post of responsibility he now leaves to take up his position at the front.

HEED THE DOCTOR.

"Why are business men so generally afflicted with Dyspepsia and Indigestion."

The question was asked by a prominent lawyer, the other day, of an equally prominent physician.

"My experience has taught me that business men and professional men in nine cases out of ten suffer from dyspepsia and Indigestion," answered the doctor. 'And when I was first struck by the circumstance, I began to look into the cause of this state of things. I have never ceased to investigate, so far as I can, every such case with which I come in contact.

"I have found that in the vast majority of cases the trouble is due to one of two causes."

"And what are they?" queried the lawyer.

"In the case of a merchant, for instance, you'll find that worry and anxiety, 'business cares,' are the predisposing causes.

"In the case of a lawyer, who has little time to spare from business, the lunches he eats every day cannot help but give him Dyspepsia. They are very frequently ill-cooked; the bread buns, etc., are only half baked; the tea or coffee is swallowed almost boiling hot, the food is 'bolted rapidly, and the lawyer rushes off to work again"

"There's not much hope of a change in that direction," said the lawyer.

"No, but if the lawyer and the merchant were to carry in their vest-pockets a few of Dodd's Dyspepsia Tablets they would find that they would never again be tortured by Indigestion or Dyspepaia, for Dodd's Dyspepsia Tablets themselves digest the food. They are the only medicine I know of that will positively prevent and cure Dyspepsia, Indigestion, and all other Stomach Troubles."

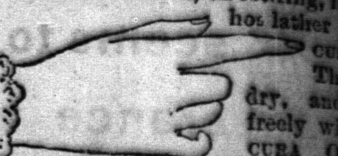
Cuticura SOAP

For the Complexion

To purify and beautify the skin and prevent pimples, blotches, blackheads, redness, roughness, yellow, oily, mothy skin, chapping, tan, sunburn, and many other forms of skin blemishes, no other skin or complexion soap is for a moment to be compared with CUTICURA SOAP, because no other soap reaches the cause, viz., *the clogged, irritated, or inflamed* condition of the PORES.

For Red Rough Hands

SOAK the hands, on retiring, in a strong, hot lather of CUTICURA SOAP. Thoroughly dry, and anoint freely with CUTICURA Ointment, the great skin cure and purest of emollients. Wear during the night old, loose kid gloves. For red, rough, chapped hands, dry, fissured, itching, and feverish palms, shapeless nails with painful finger ends, this one night treatment is simply wonderful.



For Hair and Scalp

SHAMPOO with CUTICURA SOAP, rinse with warm water, dry and apply a light dressing of CUTICURA, purest of emollients, gently rubbed into the scalp. This simple, refreshing, and inexpensive treatment will soothe irritated and itching surfaces, stimulate the hair follicles, clear the scalp and hair of crusts, scales, and dandruff, supply the roots with energy and nourishment, and make the hair grow, when all else fails.

For Sanative Uses

ITS remarkable emollient, cleansing, purifying properties, derived from CUTICURA, the great skin cure, warrant the use of CUTICURA SOAP, in the form of baths for annoying irritations, inflammations, and chafings, for too free or offensive perspiration, and also in the form of internal washes and solutions for ulcerative weaknesses, and for many sanative antiseptic purposes which readily suggest themselves to women, and especially to mothers. The use of CUTICURA Ointment with CUTICURA SOAP will also be of advantage in the severer cases.

Complete External and Internal Treatment for Every Humour.

CUTICURA THE SET Consisting of CUTICURA SOAP, to cleanse the skin of crusts and scales, and soften the thickened cuticle, CUTICURA Ointment, to instantly allay itching and irritation and soothe and heal, and CUTICURA RESOLVENT, to cool and cleanse the blood. WORST OF RECORD.

A. N. Wideman's Case Attracting Great Attention to Dodd's Kidney Pills.

DUNTROON, Feb. 26.—Mr. A. N. Wideman's case has been attracting a great deal of attention lately. Mr. Wideman is a resident of this place and consequently well known here. His case was truly remarkable. For five months he lay in bed bent, twisted, distorted by rheumatism. He was actually in agony, sometimes with pain. Bed sores came out on his body, one of which was poulticed [illegible] hundred times before it healed. Until Mr. Wideman started to take Dodd's Kidney Pills it was through that death was the only way out of his misery.

Mr. Wideman was treated by doctors to no avail. They gave him medicine containing mercury which made his teeth break off, but which absolutely failed to cure him. Mr. Wideman was cured by Dodd's Kidney Pills. His case is regarded as the most severe on record and his cure by Dodd's Kidney Pills is the most successful cure of rheumatism known. Mr. Wideman gets letters from all over the country enquiring about Dodd's Kidney Pills.
