Sudden Changes of Temperature

Bring Hosts of Coughs and Colds—Serious Results are Prevented by the Use of

Dr. Chase's SYRUP OF Linseed and Turpentine.

Coughs and colds usually arise from sudden changes of temperature. It may be change of weather, passing from a warmer to a colder room or exposure to a draught.

It is not always possible to prevent exposure in these ways, but it is possible to prevent serious results by using Dr. Chase's Syrup of Linseed and Turpentine.

This great medicine has saved thousands of lives by preventing pneumonia, consumption and other forms of lung trouble.

It is mother's favorite remedy for croup, bronchitis, whooping cough, and the coughs and colds to which children are subject. Being pleasant to the taste, the little ones delight to take it.

It is prized by the old people because of the prompt and thorough relief it brings for asthma and other chronic ailments of the bronchial tubes.

The very fact that the sale of Dr. Chase's Syrup of Linseed and Turpentine is more than three times that of any similar remedy, and was never so large as it is to-day, is sufficient proof of its merit. In the great majority of homes it is kept on hand for cases of emergency.

Blood Disorders

Are simply kidney disorders. The kidneys filter the blood of all that shouldn't be there. The blood passes through the kidneys every three minutes. If the kidneys are in their work no impurity or cause of disorder can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most imitated blood medicine there is.

Mrs. Wm. Bingley, Grand Tracade, P. E. I., Has a Very Trying Experience, but Thanks to

MILBURN'S HEART AND NERVE PILLS

She has been restored to perfect health.

She writes: "About seven months ago I was badly run down in health and became very weak. I was troubled with fluttering of the heart and shortness of breath. When lying down at night I was almost afraid to go to sleep for fear I would never wake up. When I arose in the morning I would feel a little better, but as soon as I started to work my heart would start fluttering, my head would become dizzy, faint weak spells would come over me and it seemed as if black objects were floating before my eyes. I was growing worse every day until I got a box of Milburn's Heart and Nerve Pills. When the box was half gone I could feel that they had done me good and by the time it was finished I was in excellent health and would advise all sufferers from heart and nerve troubles to try them."

Price 50 cts. per box, or 3 for \$1.25, all dealers, or THE T. MILBURN CO., Limited, TORONTO, ONT.
