CARRY ON CANADA CORPS HELD IN SOURIS

A very enthusiastic meeting of the Eastern King's "Carry On Canada" Corps was held in Souris on July 5th, with representatives from all the outlying districts present who expressed their anxiety to have the districts they represented included in the territory covered by this branch of the Corps. Among the visitors expressing such sentiments were Mr. Saville, M.L.A., Annandale, and Mr. Creed, of Dundas. These gentlemen, in their remarks, showed the enthusiasm with which the activities of the Corps are accepted by the residents of their localities and they promised their support and co-operation in all efforts made by the organization for the further progress of the cause.

Also present were Rev. Dr. Croken and Rev. Mr. MacQuarrie, of Souris, whose encouraging remarks were most stimulating, each expressing their sentiments of co-operation and offering suggestions that were most gratefully accepted by the president, Mr. Holland, and his executive.

The meeting discussed the Constitution presented by the executive committee, and after some discussion and suggestions offered by A. F. McQuaid, Judge A. L. Fraser and others, the Constitution was passed and became operative.

Sub-committees were appointed, the following members being named as chairman of each committee:

Publicity—P. A. McLellan; Internal Security, H. D. McLean; Refugees, A. T. McDonald; Recruiting, L. Wadman; Membership, R. C. McLean; Home Defence, F. Grady; Grievances, W. L. Wright.

It was decided that all clergymen, resident in the territory of the Corps be asked to accept an honorary position on the Executive Committee, and it was suggested that the Hon. J. J. Hughes be elected honorary president.

Meetings will be held regularly in rooms which will be available shortly for permanent use, and it is expected that all male residents of the territory covered by this branch will enroll in the organization and become active participants in the cause: "For Canada and Continued Civilization." God Save the King.

CROP REPORT

WINNIPEG, Man., July 12 — Weather conditions have been excellent in Alberta but some deterioration, due to lack of precipitation, is in evidence in central and southern Saskatchewan and northern Manitoba. Rains are currently reported from much of this territory which should arrest deterioration. There is no damage reported from rust, very slight insect damage and a small amount of hail damage in Alberta and Saskatchewan. Wheat is coming into head in every district and present conditions point to slightly more than the long term average yield, according to the weekly crop report of the Department of Agriculture, Canadian National Railways.

BLANKETS CONTRIBUTED TO RED CROSS

Blankets contributed to the Canadian Red Cross Society during its recent appeal have not been sent to France, Dr. Fred W. Routley, Toronto said yesterday.

"Although these blankets were intended for the suffering refugees and wounded soldiers in France, we couldn't take a chance on their falling into German hands," the national commissioner said. "The first shipment had been authorized before the French armistice, but we were able to divert the blankets to England, where they will be stored until needed. The remainder, about 60,000 will be held in Canada."

Dr. Routley gave assurance that every blanket contributed would be needed in the days to come. Already, he said, the Canadian Red Cross had been asked by the Dominion Government to loan a quantity of blankets to equip the colonist trains carrying refugee children from Britain to destinations in Canada.

"We shall have blankets, sheets, pillow cases, towels, and so on, waiting for the children at the port of arrival," Dr. Routley said.

Among the blankets contributed during the Canadian Red Cross appeal were 20,000 from the paper companies of Canada.
