URIC ACID IN MEAT CLOGS THE KIDNEYS

TAKE A GLASS OF SALTS IF YOUR BACK HURTS OR BLADDER BOTHERS

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.

Opportunity and vacant lots must be improved to make them profitable.

GETTING TOO FAT? TRY THIS—REDUCE

People who don't grow too fat are the fortunate exception. But if you find the fat accumulating or already cumbersome, you will be wise to follow this suggestion, which is endorsed by thousands of people who know. Ask your druggist (or if you prefer write to the Marmola Co., 864 Woodward Ave., Detroit, Mich.) for a large case of Marmola Prescription Tablets, 75c is the price the world over. By doing this you will be safe from harmful drugs and be able to reduce two, three or four pounds a week without dieting or exercise.

WEDDING BELLS.—A pretty wedding took place at the residence of Mr. and Mrs. O. B. Wadman, Crapaud, on Wednesday at 4 p. m. when their only daughter Winnifred M. was united in marriage to Mr. John S. Shirley of Boston, Mass., eldest son of Mr. Thos. Shirley of Sydney, N. S. The ceremony was performed by Rev. P. A. Fitzpatrick pastor of the Crapaud Methodist church, in the presence of the relatives and friends of the contracting parties. The bride who was given away by her father, was dressed in a travelling suit of blue, with black hat and sable furs and carried a beautiful bouquet of pale pink and cream roses. Immediately after luncheon the happy couple left for Charlottetown in Mr. F. Newcome's car. Numerous beautiful and substantial gifts were received, including a number of cheques among which was one from the bride's uncle Rev. J. W. Wadman, D. D., in far off Hawaii. The bride is very well known throughout the Province being a graduate of Prince of Wales College and after teaching school for a few years resigned to take charge of her father's business in Crapaud on his becoming an invalid and has hosts of friends who are extending to her their best wishes for her future happiness. The groom is a popular newspaper man, having worked in the various newspapers throughout the United States, and is now connected with the Boston Globe. Mr. and Mrs. Sterling will visit friends on the Island for a few days after which they will leave for their future home in Boston. The Guardian joins in extending best wishes to the happy couple.
