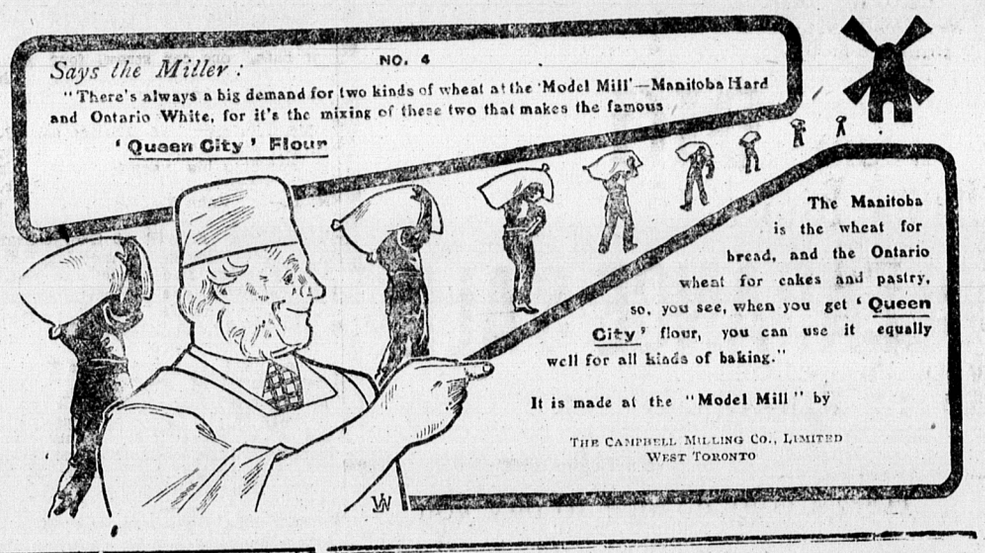
Says the Miller: NO. 4

"There's always a big demand for two kinds of wheat at the 'Model Mill'—Manitoba Hard and Ontario White, for it's the mixing of these two that makes the famous 'Queen City' Flour



The Manitoba is the wheat for bread, and the Ontario wheat for cakes and pastry, so, you see, when you get 'Queen City' flour, you can use it equally well for all kinds of baking."

It is made at the "Model Mill" by
