To the Public of Prince Edward Island

BOY SCOUTS "CARRY-ON" CAMPAIGN

February 26th. to March 2nd.

Five years ago the Boy Scouts Association of Prince Edward Island, simultaneously with the other Provinces of Canada, undertook a financial campaign known as the "Welcome to Baden-Powell Campaign" to increase the Canadian membership from 65,000 to 100,000 before January 1, 1940.

This has been accomplished, and in reaching these figures, Prince Edward Island stood out as the banner Province in the Dominion. Our membership expanded from 265 to 1183 thus showing the amazing increase of 445 per cent.

It will be readily realized that our administration expenses have increased very substantially. For the first time in the history of Scouting on the Island we have a permanently employed paid Executive Secretary in the person of Captain Eric I. H. Ings, M.C., and also a full time office secretary. Let me say here that all the leaders and other members of our organization give their services without charge.

We need money to maintain the central office and camp sites, to purchase and maintain miscellaneous equipment, to pay the salaries mentioned and travelling expenses. The latter are incurred in connection with the supervision of the numerous Packs and Troops throughout the Province and particularly the organization and instruction of classes for present and prospective leaders who formerly could not receive their training in this Province.

The value of Scout training in instilling self-reliance and initiative, in building character, with good citizenship as the objectve, cannot be too strongly stressed. This objective is sought through methods which appeal to the boy. The Scout, through his training, has opportunities of earning proficiency badges for First Aid, Swimmer, Rescuer, Fireman, Navigator, Missioner, Ambulanceman, etc., as well as badges for hobbies which appeal to all boys.

The War has emphasized the need for such supervision of our boys by the fact that so many of the parents and natural leaders have gone into active Military Service.

On behalf of our boys, I appeal to the people of Prince Edward Island to give generously in this Campaign and make certain that the men of tomorrow will not be denied the opportunities for development which Scouting affords.

I. L. PALMER,

President Provincial Council,
Boy Scouts Association,
Prince Edward Island.
