AMENDMENTS TO THE PROHIBITION ACT

PUT FORTH BY THE GRAND DIVISION S. O. T.---THEY WILL BE ASKED FOR AT THE COMING SESSION OF THE LEGISLATURE TO MEET NEXT WEEK.

In pursuance of the suggestions of the Grand Worthy Patriarch, Rev. A. D. MacDonald in his report and the Resolution unanimously adopted thereon at its recent session, the Grand Division, S. O. T. has had the following amendments to the Prohibition Act prepared by Inspector Edwards, who, having spent the best part of his life-time in temperance effort in connection with our Order and having during the past few months made a special study of the defects of said Prohibition Act, is well qualified for such a task.

The Grand Division now thanks the Legislature for past favors and respectfully calls upon it, at its first session, to incorporate these amendments in said Act.

(1) Section 2 Subsection (a) to be amended to read thus:

In this Act unless the context otherwise requires (a) the expression "Liquor," "Liquors," or "Intoxicating Liquor" shall include all spirituous and malt liquors and all combinations of intoxicated drinks and drinkable liquids and all malt beer, ale, porter, and all other productions of the brewery capable of being drunk for their intoxicating effect, without any regard for the percentage of alcohol which they contain or are supposed to contain.

(2) Section 4 Subsection (1) amended by inserting the phrase "keep for sale" to read as below.

From and after the coming into force of this Act no person shall by himself, his clerk, servant or agent, directly or indirectly, on any pretence or upon any device, keep for sale, sell, or barter or in consideration of the purchase of any other property give to any other person any intoxicating liquor.

3 Search warrant clause to be substituted in place of subsection (a) of search warrant in said Act. Any Stipendiary Magistrate for the city, town or country, when information is given him on the oath of any inspector, police officer, policeman, constable or prosecutor that there is reasonable ground for belief that any liquor is being kept for sale or sold contrary to the provisions of this Act in any place within his jurisdiction, shall grant a warrant under his hand to search whereof it shall be lawful for the person or persons named in such warrant at any time or times within thirty days from the date thereof to enter, if need be, by force, the place named in the warrant and every part thereof and the premises connected therewith and to examine the same and search for liquor therein and for such purposes such persons may, if necessary, with such assistance as he deems expedient, break open any door, lock or fastenings of such premises or any part thereof or of any closet, cupboard, box or other article suspected to contain any such liquor, and in the event of any liquors or beer pumps or any appliances or articles similar to those usually found in places where liquor is sold being so found on any such premises, the occupant thereof shall until the contrary is proved be deemed to have made sale of liquors contrary to the provisions of this Act and may be arrested by such officer or person having the warrant for search as aforesaid, and any person so arrested shall be liable to be charged and dealt with as provided under this Act and may be fined or imprisoned therefor as provided in section 7 of said Act.

(4) To be added to section bearing on search warrants: Any Inspector, Policeman, Constable or Officer for the purpose of preventing or detecting any violation of this Act or any of the provisions thereof which it is his duty to enforce, without any such warrant as is required by sub-section (a) but vested with all the authority and powers thereby given, may enter, if need be by force at any time or times every house, building or place where an offence has been proved to have been committed against this Act or any other Act forbidding the unrestricted sale of liquor, and may search every part thereof and of the premises connected therewith, as also any place, house or premises occupied by any person or persons any one of whom has been convicted of such offence in some other house or place being within the bounds of this province and being suspected of selling or keeping for sale such liquor.

(5) To be added to the Act: Any person hereafter arrested and who shall come up for trial under the charge of being intoxicated or under any other charge, and who at the time of arrest evidently was partially intoxicated, shall be required to give evidence as to where and from whom he obtained the liquor and such evidence shall be reduced to writing by the Stipendiary, and may by an Inspector or other officer be used to convict the person guilty if the same shall prove a violation of any of the provisions of this Act.

(6) To be added to the Act: When any Inspector, Policeman, Constable or Officer in making or attempting to make any search under or in pursuance of the authority conferred by this act or under the warrant mentioned in subsection (a) search warrent clause, shall find in any house or place where liquor is alleged to have been sold, or kept for sale, any liquor or appliances or articles similiar to those usually found in places where liquor is sold, having been so found on or about said premises, and the occupant thereof having been arrested and brought into court he may be asked to give evidence as to the owner of said liquors and premises and if it shall appear that some other person is the real owner and has been employing said individual or any other person to violate any of the provisions of this Act, he the owner shall be held to be equally guilty and each of them shall be liable to the full penalty of the Act as provided in section 7 thereof.

Any and all portions of said Act as it now stands, which conflicts with these amendments to be forwith repealed.

A BLOATED STOMACH.

Distressed and painful stomach indigestion speedily yields to Nerviline. When you get an attack of stomach trouble take a stiff dose of Nerviline, which is perfectly harmless but marvellously quick in effecting a lasting cure. "I was once taken ill with stomach trouble" writes Edward Rowell of Rochester. "I was in great pain and distress but half a teaspoonful of Nerviline fixed me up in a few minutes. I can recommend Nerviline for sick headache and cramps and consider it an invaluable household remedy." Try it yourself. Price 25c.

Bronchitis, Stubborn Coughs, Incipient Consumption, Debility and Wasting Diseases.

The above and similar ailments are best treated with Jamieson's Emulsion of Cod Liver Oil with Hypophosphites. The value of this remedy is so well known that no argument is necessary. It builds up wasted tissues and renews vitality.

No emulsion can be better made than ours, while it has the important advantage of being always fresh.

WAS CURED OF ASTHMA.

"I first used Dr. Chase's Syrup of Linseed and Turpentine with my daughter who suffered from a severe form of asthma. The least exposure to cold would lay her up and she would nearly suffocate for want of breath. I must say I found it to be a most satisfactory treatment and it has entirely cured her."—Mrs A. A. VanBuskirk, Robinson Street, Moncton N. B.

What Colds Lead To.

NOT THE LUNGS ONLY BUT EVERY ORGAN OF THE BODY IN DANGER FROM NEGLECTED COLDS.

Dr. CHASE'S SYRUP OF LINSEED and TURPENTINE

Most people know that such ailments as pneumonia and consumption have their beginning in a cold, but all do not realize that other vital organs of the body are almost equally liable.

Not infrequently colds settle on the liver or kidneys, causing serious disease of these organs.

In other cases colds hang on until the system is run down and exhausted, and so left in a fit state to fall prey to contagious diseases.

The only safe way is to speedily get rid of all colds before they become fastened on the system.

This can best be accomplished by the use of Dr. Chase's Syrup of Linseed and Turpentine.

This medicine has come to be considered indispensiable in the home as a cure for colds, bronchitis, croup, asthma and whooping cough.

Mrs. Richmond Withrow, Shubenacadie, Hants Co., N. S., writes:—"I have used Dr. Chase's Syrup of Linseed and Turpentine with good success. My second daughter was troubled with bronchitis from the age of three weeks. Oftentimes I thought she would choke to death. The several remedies we got did not seem to be of much use but the first dose of Dr Chase's Syrup of Linseed and Turpentine brought relief and further treatment made a thorough cure. This trouble used to come back from time to time but the cure is now permanent.

Dr. Chase's Syrup of Linseed and Turpentine has saved us many doctor bills and I would not be without it in the house for many times its cost."

Dr. Chase's Syrup of Linseed and Turpentine, 25 cents a bottle at all dealers, or Edmanson, Bates & Co., Toronto. To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every bottle.
