Triple Crown Captured By Assault

Cards Drop Back As Giants Hand Them Double Setback

(By The Canadian Press)

Brooklyn Dodgers threw off the latest threat to their National League lead yesterday as they nipped Cincinnati Reds twice 2-1 and 1-0, while the second-place St. Louis Cardinals were absorbing a couple of losses at the hands of New York Giants.

The day's proceedings left Dodgers a full 3 1-2 games ahead of St. Louis and checked the onrushing Reds, who had crept within five games of the Flatbush gang before yesterday's setback.

Cards lost a pair of tough ones dropping a heartbreaker 1-0 in the opener and then being edged 7-6 in 11 innings in the nightcap.

The day's other double bills both were split. Chicago Cubs dropped their first one to Boston Braves 6-3 and then came back for a thumping 8-2 victory. And at Pittsburgh, the Pirates blanked Philadelphia Phillies 5-0 in the opener and then stood back as Phils unleashed a hit barrage for a 10-3 win in the finale.

A crowd of 32,291, largest of the season at Cincinnati, saw Les Webber of Brooklyn and big Ed Heusser stage a rattling pitching duel that wasn't decided until the 11th inning. Augie Galan tripled to open the inning and Stevens singled him home.

The second game saw some masterful pitching by Brooklyn's Art Herring and Hugh Casey, who held Reds to four safeties. Dodgers got the winning tally in the first frame when Ed Stanky walked moved to second on a groundout and scored on Dixie Walker's single. Herring pitched hitless ball for the first five innings, but was lifted for a pinch-hitter in the sixth after he pulled a muscle in his arm.

At St. Louis, Bill Voiselle held the anxious Red Birds to five hits and coasted to victory on a third-inning tally that was all they needed. In the nightcap, Buddy Blattner came to bat in the 11th inning and blasted out the game-winning homer. An earlier grand slam clout by Walker Cooper in the fifth inning had almost put the game on ice for the Giants, but Cards fought back to send it into extra innings.

A rookie outfielder, Marvin Rickert, helped Claude Passeau to his fourth win of the year in Chicago's winning effort. Rickert used a single, double and a long fly to bat in five runs as well as score one himself. Passeau did his part with a well-twirled five-hitter.

Mort Cooper scored his third win as Braves took the opener with a four-run blast in the first inning.

Rip Sewell came back to the game yesterday for the first time since his collapse May 5 and pitched a brilliant four-hitter in chalking up his shutout over the Phillies.

Hole-In-One Is Shot By Joe Mahar

Joe Mahar, member of the Belvedere Golf Club, had for the second time yesterday the thrill that comes once in a lifetime to the odd golfer—that of making a hole-in-one.

Joe got this season's first "hole-in-one" on the sixth hole, when he saw the ball land directly in front of the pan make a couple of bounces and disappear into the cup. The drive, 145 yards, was made with a no. seven iron and the player hit the ball low and into the wind.

The one-shot was no new experience for Joe was qualified for entry into the exclusive "hole-in-one" Club in 1942 when he sank the ball on the tenth hole on a drive with the same iron. The distance was 155 yards.

Playing with Joe yesterday when the shot was made were "Bubby" Dowling, Wilfred Dowling, Maurice Dowling and Pud Beer.

Mahar has been playing golf for the past six years.

Newhouser Has 13 Strikeouts In 10-2 Win

(Canadian Press)

Hal Newhouser unwound his willowy left arm for 13 strikeouts Sunday and became the season's first nine-game winner as he twirled Detroit Tigers to a 10-2 win over Washington Senators in the only game played in the American League.

Three other scheduled double headers were washed out by the blanket of dew that enveloped the eastern United States.

Lefty Hal's win, accomplished with the help of four hits by rookie Dick Wakefield in five trips to the plate, left Tigers just four points behind the Senators and made up for Saturday's game in which the Griffiths men scored a 5-3 win.

In other Saturday games, St. Louis Browns edged New York Yankees 4-3 and Philadelphia Athletics unleashed some long bent up feelings by burying on Cleveland Indians and hammering them 10-4 at Shibe Park.

Home runs by Johnny Berardino and Walt Judnick in the sixth brought the Browns to a 3-3 tie and then Al Zarilla knocked in the winner with a seventh-inning single.

Chicago at Boston were rained out Saturday also.

Work Is Underway On Athletic Field

Held up for the past couple of weeks due to unavoidable circumstances, work was commenced Saturday on the new athletic field at Victoria Park and it is expected that the new baseball diamond will be ready for the league opening on Sunday next.

In the meantime, the Director of Physical Fitness, Bill Reid stated that a temporary diamond now in condition for teams to practice on has been scraped and graded on the site of the old West Kent School diamond behind Cannon Hill. Work will be speeded up on the athletic field that will include a quarter mile track so as to get the summer sports program underway at the earliest possible moment.

Rovers Practice

Rovers ball team will hold practice tonight at Victoria Park at 6.30. It is imperative that everyone be on hand.

Coscarart To Play In Mex. League

PITTSBURG, June 2 —(AP)— Pete Coscarart, veteran Pirate infielder who was sold Saturday to San Diego of the Pacific coast League said last night it's the Mexican League for him.

Making no secret of his displeasure over being sold to the Padres, Coscarart said he plans to leave for Mexico Monday.

Club officials said the sale of Coscarart was a step in paring down the Pirate squad to meet the 30-player limit by the June 15 deadline. Six others must be released.

Mt'l Colored Player Leads International

(By The Associated Press)

NEW YORK, June 2 — Jackie Robinson, Montreal's negro second baseman isn't knocking down any fences, but the fast-stepping infielder has batted his way to first place in the International League's individual batting tournament.

Playing in all of his club's first 37 games, Robinson collected 47 hits in 132 trips to the plate to jump from sixth place to the lead with a mark of .356. He replaced Chuck Diering of Rochester, last week's leader, as the top hitter.

Included in Robinson's hits are one home run seven doubles and three triples. Robinson also leads the circuit in number of hits, 47, and runs scored, 38.

Al Clark of Newark Bears has clouted the most homers, eight. Al Chicoki of Baltimore leads in triples with four and Eddie Joost of Rochester and Norman Jaeger of Jersey City, have banged out the most doubles, nine. Joost also paces the loop with runs batted in with 36. Marv Rackley of Montreal has stolen 22 bases to lead in that department of play.

Southpaw Herb Karpel of Newark has the best mark among the hurlers, four won and none lost. Bud Byerly of Rochester and Earl "no-hit" Harrist of Syracuse have won the highest number of games, five.

The above figures include games of May 29.

"Big Train" Losing Ground

(By The Associated Press)

WASHINGTON June 2—Physicians attending Walter Johnson, seriously ill in Georgetown hospital, said at noon today the former pitching star for Washington Senators had "lost ground in the last 24 hours."

Eight hours later his condition was reported to be unchanged. Johnson, suffering from a brain tumor, has been unconscious most of the time since last Tuesday.

Last week saw the most action in local sporting circles since prewar days. The inter-city boxing matches between Moncton and Charlottetown started the ball rolling on Tuesday night before a good crowd with the grunt-and-groaners and the horse parade sharing the spotlight on Thursday evening. Bike racing made its revival a successful one on Friday night, being witnessed by many spectators all along the course. Summerside badminton and softball teams also invaded the city on Friday for matches with Charlottetown teams to climax the busy week.

✦ ✦ ✦ ✦

Baseball is the only sport conspicuous by its absence but something definite should be forthcoming at tonight's meeting of the City Baseball League. Lack of a playing field is the main holdup, the work which was started on the new playing field had to be postponed when the workmen were called away to attend to more urgent matters. As the work is purely a voluntary gesture on the part of the government the league can do nothing but mark time until the diamond has been levelled and marked off.

✦ ✦ ✦ ✦

However the league entries are making the most of their days of grace and have been going through regular practice sessions. LPU Anchors are showing the best preseason form with such former starry performers as Charlie Ryan and Boo McCallum leading the workouts. Coach George Hawkins is whipping the Rovers into shape with the help of Ernie Robin, Freddy Whalen and other experienced ball tossers. Ev. McNeill is in charge of the Legionaires who are placing the accent on youth and has announced they will be out every night from now till the scheduled opening in an effort to get into tip-top condition.

✦ ✦ ✦ ✦

"Ace" McCluskey was belted out in the second round by New Waterford's dusky Joe Pyle in their scheduled 10-round bout at Glace Bay on May 24th but he got well paid for his inconvenience. The ex-Charlottetown fighter had been guaranteed $750 or 20 per cent of the gate by promoter Gussie MacLellan and after witnessing the sell-out crowd cannily elected to take the 20 per cent cut of the gate thereby making himself an extra $130—$800 for five minutes' work. The gross gate was $6,202.50.

✦ ✦ ✦ ✦

The management of the Tam O'Shanter Golf Club at Chicago is making fairly certain that the players in the big professional tournament wear identifying numbers despite the strong objections of some of the prima donnas. Those who do not wear numbers will have about 16 per cent of their prize money deducted, so the winner instead of securing $10,500, with number, would receive but $9,082.50 without the identifying numeral. Byron Nelson has won the past four times in five starts. With an average of probably $9,000 per start, Mr. Golf has picked up a total of $45,000 in this event alone, not bad dough for whaling the tar out of a little white pill.

✦ ✦ ✦ ✦

With a little less than three weeks to go before he meets Joe Louis for the heavyweight boxing championship of the world, Billy Conn is sharp as a razor according to reports from his training camp. Conn himself says he wishes the fight was tomorrow and veteran observers who have seen both him and Louis in training agree with him as the challenger is away ahead of the Brown Bomber in his training grind. Louis is still considerably overweight and will benefit from the extra training while Conn's followers are afraid he may become stale before fight time.

✦ ✦ ✦ ✦

The most thankless job in baseball, says Joe Beggs of Cincinnati, is relief pitching—thankless, that is, in the pay envelope. Beggs recalled his rookie year, 1940, with the Reds. He was strictly a fireman. He won twelve and lost three. Ten of his victories happened under severe pressure in extra innings. He won nine in a row. Came the winter and Beggs thought he was entitled to a salary befitting a regular pitcher. But he says he didn't get one. He says Cincinnati's front office told him: "You are only a relief pitcher."

✦ ✦ ✦ ✦

"Only a relief pitcher," said Beggs talking to a reporter the other day. "As if being a relief pitcher was a snap job. Why, a good relief pitcher is more valuable than your average starter. But not many clubs realize that. Apparently the Giants didn't. That's why Ace Adams jumped to Mexico."

✦ ✦ ✦ ✦

It wasn't until late in the 1943 season that Beggs finally persuaded Manager Bill McKechnie to start him. He made four starts and completed all of them. The next year Beggs opened the season in Cincinnati and beat the Pirates. Then he enlisted in the navy and served two years as a gunnery officer aboard a convoy escort ship plying the North Atlantic. "This spring," Beggs said, they wanted me to be a relief pitcher again. But I objected. They just don't pay you enough when you work the bull pen shift."

A relief pitcher also gets the reputation of being unable to work nine innings he claimed. "But let me tell you, relief pitching is tough," argued the pitcher. "You are in that bull pen throwing every day whether you get in the box score or not. And you're saving a lot of games for somebody else. Pitching like that wears out the arm."

Fredericton Team Winners Track Meet

(By The Canadian Press)

ROTHESAY, N. B., June 2—Fredericton High School won the New Brunswick interscholastic track and field championship Saturday, defeating the defending champions, Rothesay Collegiate School, 62-33. They were the only schools represented in the meet by a team.

Barry King of Fredericton broke one record and tied another. His time of 10 2-5 for the 100-yard dash equalled the record for the meet and it was the second year in succession he posted the mark. His time of 52 seconds in the 440-yard dash was a neat two seconds below the previous record. The Fredericton team lowered the record for the mile relay from 3.46 to 3.44 2-5.

Riverside May Be Scene Of Open Meet

(By The Canadian Press)

SAINT JOHN, N. B., June 2—Feasibility of holding a Maritime open golf tournament at the Riverside Golf and Country Club late in the summer is under consideration, Percival Streeter, president of the club, said Saturday night in an address at the club's opening dinner. It would be the biggest tournament east of Montreal since the Canadian Open at Riverside in 1939.

The meet, if approved would be sponsored by the New Brunswick and Prince Edward Island Golf Association.

British Open Title Captured By Bruen

SOUTHPORT, Lancashire, England, June 2 — (Reuters) Eire's Jimmy Bruen became the first post-war British amateur golf champion Saturday, defeating California-born Robert Sweeny 4 and 3 in the 36-hole final.

Bruen, a "boy star" of 10 years ago was defeated in the 1939 final —the last played before this year —beat his 33-year-old opponent with a dazzling display of putting in heavy rain.

With a lead of two, built up during the morning's first round, Bruen soon consolidated his position in a brilliant spell from the second to the eighth hole of the second round. Though he lost the ninth and 11th and missed a yard putt for a victory at the 13th, Bruen became dormie four at the 14th and won at the 15th hole which was halved.

Sweeny generally was straighter in his long shots, but could not match his opponent's skill on the greens.

REMEMBER WHEN

By The Canadian Press

Lou Gehrig, slugging New York Yankees first-baseman, made baseball history 14 years ago today when he smashed out four consecutive home runs at Philadelphia, to help Yanks beat the Athletics 20-13. Ed Pelehants did the same trick in 1896.

Illinois Runner Beats World Record

(By The Associated Press)

CHAMPAIGN, Ill., June 2—Herb McKenley, lithe Illinois speedster from Jamaica Saturday won the 440-yard run in the big ten track and field meet in 46.2 seconds, bettering the world record by two-tenths of a second. Illinois won the conference team title with 66 3-4 points.

McKenley, running yards ahead of the field but obviously trying for a record, ignored a light rain which sprinkled the track. The accepted world record of 46.4 was set in 1932 by Ben Eastman of Stanford and tied in 1941 by Grover Klemmer of California.

Whether McKenley's performance will get the blessing of the National A.A.U. and the International Amateur Athletic Federation was conjectural. For approximately the first 300 yards the Jamaican ace was favored by a 6.2 miles per hour wind. The remainder of the distance he bucked the wind.

Comes From Far Back To Make Belmont One-Horse Show

By SID FEDER

NEW YORK, June 2 — (AP)— The clubfoot comet from the wide open spaces—lanky, sizzing Assault —became the seventh triple-crown king of the turf Saturday by running away with the Belmont Stakes in his greatest job of galloping.

Roared to the finish by a chilled crowd of 43,590 at Belmont, the chocolate champ with the deformed foot came from far back to waltz to the wire by three lengths over Natchez in a show of running power that made his Kentucky Derby and Preakness prancing look like simple cakewalks.

A field of seven—including Lord Boswell and Hampden—ran in this longest of all classic grinds for three-year-olds. Windfields, owned by E.P. Taylor of Toronto, was scratched.

Assault was all alone at the wire. The Philadelphia dark-horse, Natchez, led the others home, a length and a half in front of Cable, from the barn of Mrs. Aksel Wichfeld Palm Beach, Fla., society woman, and another head in front of William Du Pont's Weary and fading Hampden. In fifth place, in what was probably the most disappointing race of this career, came sleek, handsome Lord Boswell. He was supposed to be able to whip anything on the race track with his stretch rush, if given half a chance, but he must have left his running shoes home Saturday.

This was more of a shock to the assembled cash contributors than the sudden cold switch in the weather because they'd backed "the lord of Maine Chance Farm" down to the favorite's role, despite Assault's wins over him in the Derby and Preakness. As a result, when the paying teller's window opened, Assault's supporters wound up with $4.80, $3.10 and $2.70 across the board, while Lord B's backers had only their uncashed mutuel tickets.

Coming out of the gate Assault stumbled, and then lost ground through the first mile until he was 10 lengths away from the pace with which Hampden and Natchez were burning up the race track up ahead.

After a mile though, Jockey Warren Mehrtens put the big question to the galloping grandson of Equipoise, and Assault had the answer. He left Lord Boswell, went past War Watch and closed in on the pace-makers. Rounding the turn, Mehrtens flicked him once with the bat and that did it. He ran over the leaders and came swinging home in 2:30 4-5 for the mile and a half.

L.P.U. Practice

L.P.U. Anchors daily workouks will be continued at the Knights of Columbus diamond tonight at 6.30 and Manager McCabe stresses the point that he would like to have every player on hand.

Ryan And McCallum To Remain Here

Despite an article carried in a mainland paper on Saturday Charlie Ryan and Bruce MacCallum will not perform with Arrows of the Halifax City Baseball League, it was learned last night.

In conservation with Charlie he acknowledged that officials of the Arrows had been in touch with him but he has decided to stick with the L. P. U. entry for this season as will also MacCallum.

Departure of Ryan and MacCallum would have been a body blow to the L. P. U. as officials of the local squad were banking on the pair heavily due to form they have been showing and their decision to remain here will be generally welcomed.
