V-Day Committee Meets In S'side

At a meeting of the Victory Day Committee held in Summerside Town Hall last evening preliminary plans for the observance of that day were drawn up and committees appointed.

The Ministerial Association was appointed to arrange Thanksgiving services in the different churches. It was pointed out that any veterans of this war who may be home in that day should have an honoured place in the program. Some discussion was held on the lack of an official welcome to these returning service men. It was decided that the committee should meet every Tuesday evening at seven-thirty. Mr. John E. Campbell, the chairman of the committee, presided.

Owen Kiggins occupied seats in the Sanctuary. The pall-bearers were Messrs. Thos. Riggs, Joseph Sullivan, Dingwell McLeod, Wilfred Furness, Wm. Murphy and Owen McKenna. Interment was in the church cemetery.

FARM LABOR — According to Farm Labour officials in Charlottetown, the farm labour shortage which existed in the Province during the summer months has been greatly alleviated by the bringing in of soldiers from the mainland. The first draft, brought to the Province some weeks ago, consisted of about 150 men who were all placed at the stipulated wage of $3.00 per day. A week ago, 75 more soldiers were brought over and they have gone out according as requests for their services were made to the Farm Labour Bureau. About 25 of these men remain to be placed. In addition to this help there have been a number of farm labourers brought to the Province from points in Ontario and Quebec. It is now hoped that the farmers will be able to harvest the potato and turnip crops with a minimum of delay.

SANATORIUM ANNEX — All outside work on the new addition to the Provincial Sanatorium is expected to be completed early in October. The board coverings have been laid and men were busy yesterday putting on the roof coating except for the east wing of the annex where work was temporarily halted owing to a slight delay in the procuring of steel girders. All the main floor has been laid with concrete and the same work on the second floor is well under way. The new building will equal, approximately, in floor surface the original structure and its several additions. It runs for a distance of 240 feet along McGill Avenue and is 42 feet wide. There are also two ells running north, one 76 feet long and 70 feet wide, the other 50 feet long and 40 feet wide. The annex will take care of 75 more beds and the combined capacity of the old and new structures will be 175 beds.

W. M. S. Rally at Glenwood

The annual rally of the W.M.S. Auxiliaries of Prince County was held on Wednesday afternoon and evening, September 20th, in the Glenwood United Church.

Due to the unavoidable absence of the President, Mrs. E. R. Woodside, the sessions were capably conducted by Mrs. A. J. Matheson of O'Leary who was the past president. After the invocation and opening hymn, the opening devotional period was conducted by four ladies of the Glenwood Auxiliary. Their service of worship was well prepared and created a very fine atomsphere for the remainder of the afternoon session. The Scripture reading was from John 4, and told the story of the Samaritan woman at the well. The meditation which followed, given by Mrs. D. MacPherson and entitled "Living Waters," was very fine. Prayer was offered and a duet by Mrs. MacPherson and Mrs. Gorrill brought the devotional meeting to a close.

Mrs. Fred Leard was appointed secretary for the rally and the following committee was appointed for resolutions and courtesies Mrs. Lester E. Profitt, Mrs. Wm. Stewart, Mrs. MacLean Horne.

A cordial welcome was then extended to all on behalf of the Glenwood ladies by Mrs. John Sheen and Mrs. E. R. MacAusland fittingly responded on behalf of the visitors.

Mrs. R. F. MacAusland then called the roll of organizations. There were 12 organizations represented and about 95 present at the afternoon session including the three ministers present namely Rev. George Gaugh, Rev. J. M. Fraser, Rev. John Sheen. Several children from the Glenwood Mission Band were present.

Mrs. A. J. Mathieson then read a Message from the President Mrs. E. R. Woodside, who regretted very much not being able to be present. She stressed a wider scope of reading of Missionary books by auxiliary members. She spoke of the petition re bringing of refugees into Canada and hoped that all auxiliaries would sign and return it. She reminded us of the story of the Good Samaritan and said that surely we as Christians would not "pass by on the other side."

Mrs. John Wells of Alberton then sang a very beautiful solo: "The City Four--Square."

The message from Mrs George Bowness, Associate Members Secretary, was read by Mrs. D. A. MacPherson. She again called the members attention to the importance of this work, and urged that associate members funds be kept separate from regular funds.

Mrs. R F MacAusland then brought her message from her department of Community Friendship. She again urged the use of removal slips. In these days when so many of our young people are away from their homes either in the services or in war industry. She congratulated Glenwood on being the only auxiliary to make use of them. They used three of them.

Mrs. A. J. Matheson read the message from Mrs. Wm. Clark, Secretary of Temperance and Christian Citizenship. In this message Mrs. Clark spoke of the importance of temperance causes in Sunday Schools, Young Peoples, and other Youth organizations. She recommended the signing of the petition re refugees, spoke of the problems of social welfare, venereal diseases, gambling, etc. At the close of this message Mrs. Matheson who is the Branch Secretary for the same department spoke briefly on the main points brought up in this message urging mothers of teenage girls to see that they were educated and protected against these social evils.

Some questions which had been passed in were then read and dealt with by Mrs. George Gaugh.

A very pleasing exercise of reading and song was then presented by the Glenwood Mission Band.

The message on Literature from Mrs. Howard was read by Mrs Lavers She urged the use of the W. M. S. study book "West of the Date Line" and the study books for Mission Bands. She said every member should have and read the Missionary Monthly, which has in its pages a wealth of information and inspiration. She asked that all Auxiliaries send in reports of their meetings to the press. In these reports they should give the highlights of the meetings and items which might be of help to other groups.

CHRISTIAN STEWARDSHIP

The message on Christian Stewardship from Mrs. Pickering, was read by Mrs. Wm. Stewart of West Cape. This year's work in this department stresses teaching children the Christian use of money. The right attitude toward getting and spending of money if taught to a child with their small sums of money leaves a lasting impression to guide them in later years.

The message from the Presbyterial Treasurer, Mrs. J. A. Nicholson was then read by Mrs. John Ashley. She pointed out that tardiness in forwarding each quarters financial returns made it impossible for the Presbyterial Treasurer to have a full report at required date. And she urged that these amounts be sent in promptly regardless of whether the sums are large or small.

The message on Mission Circle work from Mrs. Clark MacQuarrie was read by Miss Eva MacLennan. Mrs. MacQuarrie urged any Auxiliary where there were sufficient girls of Circle age to organize as soon as possible.

Several more questions were read and answered at this time.

Mrs. George Gaugh then spoke on behalf of the Mission Bands and Baby Bands. Her display of Mission Band work was fascinating. She urged the organization of more Baby Bands and Mission Bands.

Hymn 390 "Work for the night is coming" was then sung.

An imitation radio broadcast was then staged of the programme "They tell me" modelled after the well known one put on daily by Clare Wallace. This was carried out by Mrs. A. J. Matheson and Mrs. George Gough. It was a short but pithy program packed with vital and interesting information on W. M. S. activities, presented in a novel and attractive form.

A very interesting and comprehensive report of the annual meeting of the W. M. S. Conference Branch held at Sackville was then given by Mrs. J. M. Fraser of Alberton This report was so well given that the audience almost felt that they were present and really hearing those wonderful sessions.

AFTERNOON SESSION

The afternoon session was brought to a close by a brief devotional period led by Mrs. A. J. Matheson assisted by Mrs. Carl Weeks.

A delicious lunch was served between sessions by the ladies of Glenwood.

The evening session opened with a devotional period conducted by three ladies from the West Cape Auxiliary. Hymn 568—"The day Thou gavest, Lord, is ended," was followed by prayer and scripture reading. A short meditation on "Remembering Our Friends" was given by Mrs. Colliout. Hymn: "What a Friend we have in Jesus" closed the devotional period. The offering for the evening was then received and an anthem sung by the Glenwod choir.

The speaker of the evening Miss Alice Gordon was introduced by Mrs. Matheson who spoke of Miss Gordon's close relationship to the "Missionary Gordons" who were the first martyrs from Canada, for the cause of Christ.

Miss Gordon's address dealt with her work in Gypsumville, Manitoba 160 miles north of Winnipeg. She recounted many of her experiences there and told of conditions there and of the great need for work of this kind among people in isolated communities. As usual she kept her audience enthralled during her whole address. At its close a very fitting solo "For a little bit of love" was sung by Mrs. John Wells.

RESOLUTIONS

The reportof the Resolutions and Courtesies Committee was read by Mrs. Lester E. Profitt. This was followed by an anthem "Seeking the Lost" by the Glenwood choir. Hymn 260 was then sung followed by the National Anthem and the benediction was pronounced by Rev. John Sheen.

The following are the resolutions adopted by the Rally.

1. Resolved that the thanks of this Rally in session today be extended to the trustees of Glenwood Church for the use of their lovely church; to our guest speaker Miss Alice Gordon; to Mrs. John Wells and the Glenwood choir for their beautiful service of song; to the Glenwood ladies for their cordial welcome and bountiful refreshments and to all others who in any way contributed to the success of this Rally.

2. Whereas we feel that at last the end of the present world conflict is in sight, and whereas we realize the heavy price in human lives, bereaved hearts, and empty homes, which has been paid and will still be paid for the peace which we hope son will be declared: therefore we resolve to do all within our power to make the post-war world a better place for our young people to live in thus justifying in part the great sacrifice so freely offered by those who have given their lives to protect us and ours: and we further resolve that the heartfelt sympathy of this Rally be extended to all those who have lost loved ones in this dreadful struggle.

3. Whereas we feel that our present ProhibitoryLaw though far from perfect is still FAR better than Government Sale, as proven by conditions in other provinces, therefore be it resolved that we urge our members to take a firm stand for temperance, and that they vote themselves and urge all with whom they have any influence NOT TO BE INDIFFERENT, but to stand firm and drive the liquor from our province and NOT vote to raise our revenue by giving our boys and girls to the drink traffic. We further resolve that we co-operate with our Ministers in their endeavour to establish more religious education in our schools and to encourage more temperance education in the homes and schools.

4. Whereas we very much regret the absence of Mrs Clark MacQuarrie whose ill health prevents her from being present today, we resolve that best wishes for a speedy recovery to health and strength be extended to her by this Rally.

5. Whereas we realize the privations and hardships of those of many of the countries of Europe and the countless numbers who are homeless as a result of the present conflict, and in many cases their brave resistance has protected us and ours, and whereas vast areas of our Dominion are as yet unsettled, be it resolved that we welcome these New Canadians to our shores and try to have them settled so they can mingle with Canadians who are already established here and become friends and thus overcome the difficulties which so often arise when the new comers settle in isolated groups.

Charges Gestapo Methods Employed Under Excise Act

Charges of "Gestapo methods" were hurled at the Excise Department by Mr. W. Henry Noonan defense counsel, in the cases of four men, charged with conspiracy, at Summerside yesterday. The four are Clovis Perry, Arthur Perry, Danny Gallant and Harry Gallant, and they are charged with conspiring to possess stills suitable for the manufacture of alcoholic liquor.

The charges are the result of seizures made by R. C. M. P. some time ago and the defendants were arrested at the time. Their preliminary hearings on these charges have been adjourned from time to time and were further adjourned yesterday till Oct. 5 on request of the defence.

In making this request Mr. Noonan reviewed the cases to date. He said that the four accused were found in the woods in charge of two stills and were arrested at the point of guns, manacled and lodged in jail, charged under the Excise Act with illegal possession of stills and under that charge the defense was prepared to deal in a summary way. They were greatly surprised then to have these charges withdrawn by the Excise Department and charges of conspiracy laid which, Mr. Noonan said, he objected to at the time.

The cases went on and certain suggestions were made between the defence and the prosecution counsel and the prosecution requested an adjournment to receive instructions from the department at Ottawa. The instructions finally came and on Saturday last a conference was held between counsel for the Excise Department, the Attorney General, Inspector Anderson, R.C.M.P. and counsel for the defense.

"At that time", stated Mr. Noonan, "proposals were made to me that the defense agree to have the cases summarily disposed of before Your Honor and to accept Your Honor's discretion on the penalty. I later advised counsel for the prosecution that I was prepared to accept that procedure. We came to court this morning for that purpose but find that some bright mind at Ottawa has decided to lay the substantive charges under the Excise Act in addition to the conspiracy charges."

Mr. Noonan said that he could only compare this mentality with "the fanaticism of Hitler and the persecutions of Himmler and the methods of his Gestapo" and added, "I now find myself unable to advise my clients without the advice of my senior counsel in Charlottetown."

He then asked for the adjournment which was granted by Magistrate W. E. Darby, K. C., who expressed the opinion that this matter has been before the courts for some time and should be proceeded with. Also present were Mr. J. Watson MacNaught, K. C., Crown Prosecutor and Mr. J. S. Desroches, K.C., counsel for the Excise Department.—S.
