Currencies

MONTREAL, Feb. 14 —(CP)— The Pound Sterling advanced 9-32 of a cent to $5 02 1-8 on Montreal foreign exchanges today while the French franc held about even at 3.29 27-32 cents. The United States dollar declined 1-64 cent at 3-64 per cent discount.

NEW YORK, Feb. 14 —(AP)— Major European currencies rung up new gains in terms of the United States dollar today.

The French franc, slipping .01 3-4 of a cent to 3 30 was an exception.

The British pound advanced 1-8 of a cent to 5.02 5-16, the guilder rose .07 of a cent, the belga .01 of a cent and the Swiss franc .02 of a cent. The Canadian dollar was unchanged at 1.00 3-64.

GRAIN

WINNIPEG, Feb. 14 —(CP)— Firmness at Chicago and higher stock markets were constructive factors in steadying futures in the Winnipeg grain exchange today which closed still holding half of the early gains.

Dearth in export business and lower overseas wheats caused recessions from top levels. Closing values were 3-8-5-8 cent higher, May 1.27 7-8, July 1.19 5-8 and Oct 1.00 1-4.

Trading was generally at a minimum with light intermarket spreading and scarcity of offerings features of the day.

Top grades of cash wheat advanced a cent, No 1 to 16 cents premium over May future and No. 2 to eight cents premium. A better demand was reported although business continued on a small basis.

Coarse grains closed a featureless session with minor gains, oats 3-8, barley 1-4, flax 3-4, and rye 1-8 cent.

Petroleum Helps Support Country

The petroleum industry, along with other industries, has always been willing to support a reasonable and equitable tax program. But when discriminatory taxation reaches the point when the taxes paid annually by a single industry equal the total annual payroll, it is time that effective steps were taken to combat a situation that can only end in economic disaster.

As collectors of the gasoline tax, filling station operators large and small, may labor under the delusion the public is paying the tax bill and the vendor himself is not loosing any money in the operation. That is not the case. When one third of the amount the customer pays goes to the government, a good proportion of that one third would otherwise go into the purchase price of more petroleum products.

No one disputes that governments must levy taxes. But in recent years there has been a tendency either to make it too much or to shift more of the load on the back of industry.

Unfortunately political reasons have sometimes been back of such policies. "Letting George run the government" has opened the door for politics and closed it to statesmanship.

Slight Gains Registered On New York Mart

(By Frederick Gardner)

(Associated Press Financial Writer)

NEW YORK, Feb. 14 — Buyers pushed stocks a little higher in today's market, with leaders marked up for gains of fractions to a point or more.

Steels were in most active demand as traders noted reports inventories were being cleared from the books in good order. Buyers likewise sought selected building material shares and a few of the specialties.

Interest in carrier issues was stimulated to an extent by renewed discussion of proposals to create an official board to aid in rehabilitation of the railroads. Utilities were neglected and while there was activity among the coppers, price changes in this group were narrow.

Gains predominated on the Canadian list. Fractionally higher were Dome, International Nickel McIntyre, Quebec Power and Ford. Walkers dropped 1 3-4 points to 40 1-4 as Imperial Oil receded slightly.

The Associated Press average of 60 stocks gained .4 of a point at 44.2. Transfers totalled 400,870 shares against 387,410 on Friday, the slowest full day since Feb. 1935.

TORONTO, Feb. 14 —(CP)— Trading in the heaviest volume since Jan. 10, the Toronto market registered narrow gains in all index groupings today. The heavy action was in the secondary and junior golds and the majority of the list closed with moderate gains. Western oils changed hands in substantial volume at higher prices late in the day.

Six of the cheaper golds traded 40,000 to 88,000 shares and all closed higher with one exception. Hard Rock was under active profit-taking and it backed down 4 cents to 1.71. MacLeod-Cockshutt advanced 16 cents and Preston and Bidgoo-kirkland firmed 11 cents. Augite and Leitch added small gains. Dome, Lake Shore and McIntyre registered minor gains.

Noranda, up more than a point, was the strongest of the base metals. Ventures irmed 10 cents. Pend Oreille was subjected to a 17-cent loss in fairly active selling on a report that the mill would curtail operations. Silvers staged a dull market.

Royalite led the western oils with an advance of 3 3-8 to close at 45 3-8.

The first world 18.2 balkline billiards championship tournament started in the Grand Hotel, Paris, 35 years ago today. There were four entries—two each from France and the United States—and play ended in a three-cornered tie six days later.
