MAY IMPORT REINDEER.—A recent press despatch from St. John's, Nfld., states that Dr. Grenfell is considering the introduction of reindeer at St. Anthony on the Northern Newfoundland coast. It will be remembered that the few hundred left of the herd of 1,500 reindeer imported by Dr. Grenfell some years ago were recently disposed of to the Canadian Government, and that the government steamer Anramore conveyed them for greater safety to Anticosti Island.

MIGHT HAVE BEEN SERIOUS.—What might have been a serious accident occurred last Saturday on the outward Western train when a young lady, thinking the train was going to stop at a siding a few miles out of the city, stepped off. The heel of her shoe caught on the step, causing her to fall. Fortunately she escaped from being thrown under the car wheels. She received a few bruises and also received a bad fright. She wishes to impress upon others the fact that the oft-repeated warning "Never step off a moving train," is not a thing to be casually ignored.

STORM AT SOUTHPORT.—Southport suffered heavily from the storm. Mr. Matthew Ellis' worth's large new machinery building was completely wrecked, a wagon of the second floor being blown some yards, while the binder on the lower floor was left intact when the building blew down and was strewn all over the field. Fences and trees were levelled generally and Mr. H. H. Crossman's \$150 yacht at the wharf was smashed to pieces, as the waves rose forty feet over the wharf. Fortunately the vessel anchored at the wharf escaped with just minor damages.

WILL HAVE FUNERAL CAR.—We understand that Mr. G. D. Wright, one of our most enterprising citizens in his particular line of business, is about adding to his already up-to-date equipment one of the latest automobile funeral cars, specially designed for our roads. It is Mr. Wright's intention to place this car at the disposal of the general public without any additional cost, which will enable him to cover a much larger territory in less time than heretofore. Now that automobiles are being used so extensively at funerals we feel that Mr. Wright is to be commended for his consideration of the public need.

A COMING EVENT.—The only bachelor member of the New Brunswick Legislature has been captured by Dan Cupid and next month will bid adieu to single blessedness. We have reference to Mr. Lewis Smith, the junior member of a young lady from Newfoundland was recently announced. Those who know Mr. Smith look upon him as a pretty good catch and it is a cause for wonder that he was not rounded up long ago. This genial bachelor has been attending the sessions of the Legislature since 1917, and now he has found it necessary to go all the way to the Ancient Colony for a life partner. The eligible maidens of Fredericton have certainly allowed a golden opportunity to slip past them—Fredericton N. B. Mail.—(Mr. Smith is a brother of Mrs. Percy W. Turner of Charlottetown, and has visited here on a number of occasions. Mr. Smith was recently elected a municipal councillor for the Parish of Coverdale, Albert County, N. B.)

SURPRISE FAREWELL TO MISS TILLIE SMITH

On Friday evening Sept. 14th a large number of people of the congregation of Wheatley River Methodist Church and surrounding districts gathered at the home of Mr. and Mrs. Jacob Smith to bid farewell to their daughter Miss Tillie who was leaving for the U. S. on an extended visit to her sisters and brothers there. Miss Smith has been organist and choir leader of the church for many years a position that she was well qualified to fill having received her training from many teachers including some of our leading professors and being herself blessed with more than ordinary musical talents.

Although quite a lot of her time was devoted to teaching yet she was always ready and willing to attend to anything for the benefit of the church where she will be greatly missed. Also in the Sabbath School where she was always a willing worker and for several years an efficient teacher.

After the meeting was called to order by the chairman, Rev. Mr. Peters came forward and read an address while a purse containing a nice sum of money was presented to her on behalf of the congregation by Miss Verna Ling.

Miss Smith thought almost overcome by so sudden a surprise replied very gracefully thanking all for their kind remembrance.

The evening passed quickly by there being quite a programme of music including choruses, vocal and instrumental solos etc.

After disposing of the refreshments provided by the ladies all joined in wishing Miss Smith a very pleasant trip after which they departed to their homes hoping that ere long she would again return to her old home where she will be very heartily welcomed.

Following is the address. Miss Tillie Smith. Wheatley River. It is with deep regret that we ask you to accept from us, your co-workers, our brief farewell. We feel that there will be a large vacant space in our social life for you always contributed to such occasions helpful co-operation and genial companionship. We could count on you to do your full part. You will be greatly missed in your church because you performed with faithful and efficient service as organist, and as we saw the choir surrounding you we felt that much of your effort and sacrifice was represented in their steady service.

Had we realized in full that you were rendering service with great physical difficulty we surely would have expressed our appreciation much earlier. Realizing that the hour of a brief parting has come we can assure you that going with you is our sincerest good wish for your speedy recovery of good health and early return to our midst.

That you may possess tangible expressions of our hearty good will and wishes we ask that you except this small remembrance from us. In our hearts we cherish memory of genial home social and church fellowship and also that soon again our gatherings may be graced by your genial presence.

Signed on behalf of church and community. O. H. Peters, Norman Ling, John Chandler, T. G. Ling, A. T. Rackham. (Patriot Please copy)

STEWART'S CREAM

How to have beautiful hair

For really beautiful and attractive hair, just follow this simple method:

Dissolve a tablespoonful of Lux into a gallon of very hot water. Whisk into a foamy lather. Cool down with cold water, then work the lather through the hair thoroughly, rubbing the scalp briskly with the tips of the fingers. Rinse with fresh water, gradually cooling it. Dry by gentle rubbing—in the sun, if possible—but not with strong heat.

LUX
For all fine laundering

Sold only in sealed packets—dustproof.

EVERYBODY ADMIRES her beautiful hair—

It is so richly luxuriant, soft and silky, and always so delightfully fresh-looking.

And when her friends openly admire it and beg her for the secret of its lustrous beauty, she always smiles and answers, "Really it's so simple. I just shampoo it frequently with Lux."

Try a Lux shampoo the next time and you will be both surprised and delighted with the result. The creamy, soothing Lux lather will leave the scalp fresh and healthy, and will bring out the natural wave and colour in your hair, making it soft, silky and bright-looking.

ALLEY

It's the favorite of Lord Renfrew

"Runnin' Wild"! That captivating fox-trot! And so all evening long on the Empress of France, out on the high seas, the orchestra played "Runnin' Wild" for His Lordship to dance to!

"RUNNIN' WILD" is Lord Renfrew's Dance favorite! And no wonder! Hear The Great White Way Orchestra play it on "His Master's Voice"—Victor Record No. 19063—and then you'll say he has rare judgment.

To cap the climax—on the reverse side there's "Little Rover." Once you hear the International Novelty Orchestra play this fox-trot you're sure to say "I hope His Lordship has this record."

"Runnin' Wild" is equally as good in song. Hear Miss Patricia (accompanied by The Virginians) sing it. On the reverse side Aileen Stanley and Billy Murray sing "You've Got to See Mamma Ev'ry Night". Tell "His Master's Voice" dealer you want "His Master's Voice"—Victor Record 19027.

And then have "His Master's Voice" dealer play these great big hits for you too.

TORONTO DAILY STAR
THURSDAY, SEPTEMBER 13

Miss Margaret Parker the pretty sub-debutante, who was one of the two Toronto girls to dance with Lord Renfrew on the Empress of France, arrived in Toronto today after a summer abroad.

The prince danced every evening except one. He spent most of the day walking about the deck playing tennis and exercising in the gymnasium. (The favorite dance was Runnin' Wild. Miss Parker also and the princess danced it for him all the time.)

It is and whenever the prince was dancing a played twice as long. In fact as it is, within the power of an orchestra, it was determined to give the five young women, with whom he danced on the passage over something to remember the rest of their lives.

Red Seal Records are now double-sided. Two selections for practically the price of one. Ask for free new catalogue.
