FINANCE

By Frederick Gardner
Associated Press Financial Writer

NEW YORK, Oct. 15—(AP)—Steels and utilities led a belated rally in the stock market today after pivotal issues had spent most of the session moping in the rear ranks.

Canadian issues were easy. Distillers, Dome and Lake Shore Mines, Ford and Imperial Oil dipped fractions. International Nickel and Walkers were steady.

Activity broadened on the last-minute come-back and transfers for the full proceedings totalled 547,400 shares compared with 402,350 yesterday. The Associated Press average of 60 stocks was up .3 of a point at 44.2, its best mark in a week.

Prominent on the right-about were U.S. Steel, Bethlehem, Youngstown Sheet, Consolidated Edison, North American, Public Service of N.J., Westinghouse, Allied Chemical, Chrysler and American Smelting. Resistant throughout were Pathe, Loew's, Paramount, Montgomery Ward, Great Northern, Standard Oil of N.J., and General Electric.

Losers included American Can, Texas Corp., Douglas Aircraft U. S. Rubber and Union Carbide. General Motors was unchanged with numerous others.

Among the day's items of market interest were: another substantial increase in Federal Reserve Bank Commercial Loans; Defence Commissioner Knudsen's warning against "spiraling prices," and reports the army was preparing to place orders for some 78,000 motor trucks.
