The WEEK at S. D. U.

Frank P. Aylward has been chosen Validictorian for this year's graduating class

The College Choir has been practising for some time in preparation for Holy Week Services at St. Dunstan's Basilica.

Public Speaking: At the regular meeting of the Senior-Junior Group presided over by V. G. Murnaghan, short talks were delivered by several members. P. Steele spoke on the lower organisms and their operation, A. MacDonald on student attitudes, A. F. MacDonald on the highlights of Polish history, A. MacKenna on Homer and his works.

The Sophomore group conducted a mock trial on one of its members. The prosecuting attorneys Joe J. MacDonald and Joe A. MacDonald ably upheld the crown against F. J. O'Keefe and Kay McNeely who made brilliant attempts to save the defendant Jim Smith. The defendant was, of course, found guilty of the charges brought against him and was sentenced to be married at the earliest opportunity.

The Freshmen group held a successful debate on the resolution that the Science Course at S. D. U. is more beneficial than the Arts Course. This subject was ably debated and the division was given W. MacDonald and L. Griffin who opposed the affirmative speakers J. Wood and B MacDougall.

With the ending of the hockey season the boys are finding an outlet for surplus energy on the handball alleys.

Basketball: On Thursday the 22nd our senior team by its 31—13 victory over the Y squad gained a tie with the R. C. A. F. in the City Basketball League.

The same day our second team in its first game this season defeated the 2nd P. W. C. basketball team 33—29. Des Burge was top scorer for the Saints, collecting thirteen of his team's total points.

OBEY! That Impulse! Enlist to-day

HERE'S a challenge that you cannot ignore! . . . Would you deprive a fighting man of his opportunity to fight? Do you want some fighting man do your job? If you don't, why don't you join the C.W.A.C.?

Canada needs another 5,000 women to supplement her fighting establishments—spirited young recruits to join the Canadian Women's Army Corps and play their part in the world-wide struggle for freedom.

Sixteen thousand women have already donned the smartly-tailored C.W.A.C. uniform and are filling an active, and vital place in the Canadian Army, at home and overseas. But another 5,000 are urgently needed, and the quota for Nova Scotia and Prince Edward Island is 500 as listed below.

The call is greatest for qualified stenographers, typists, clerks, dental assistants, postal assorters, drivers and cooks, along with volunteers who can be trained in these occupations. Don't let the call go unanswered!

If you are medically fit, have Grade VIII or better education, have no dependents, and are between the ages of 18 and 45, you can qualify.

Enjoy the thrill that comes with joining the Canadian Women's Army Corps—plus the satisfaction of knowing that you are doing your duty. Remember, it is still true that every girl who enlists in the C.W.A.C. allows one more soldier to join the fighting overseas.

U. B. Asbestos Plastic and Roof Cement is specially designed for Boat Bottoms and General Roof Protection. United Builders Liquid Asbestos Fiber Roof Cement and Asbestos Plastic Cement was used extensively last year with good results on fishing boat-bottoms. This material is not a paint, it is a heavy-bodied Liquid Cement that will not crack, made to keep out water on any surface—get ready for your seasons work now.

Used also on Buss and Transport-truck Roofs, Fox Ranches, Factories, Warehouses and all other types of Industrial, Commercial and Institutional buildings. Concrete basement walls treated with this material will never take in water. Farmers say it has no equal for resurfacing and leak-proofing their buildings. Put up in containers from one gallon cans to fifty gallon barrels. Also Asbestos Plastic Cement for Laps and Nail Heads, Holes in Roof, Gutters and leaks around Flues prevents Asphalt Shingles from blowing up with the wind, in cans and pails up to fifty pounds.

Write or Phone for circular, Prices and list of users, you will get it by return mail and give me the size of your roof and I will give you an estimate of the cost. No obligation. Paint prices on request.
