Georgetown and Vicinity

Friends of Mrs. Nettie Ross are sorry to hear that she is confined to her home through illness and all wish her a speedy recovery.

Mr. Roy Yorston has returned to his home after being a patient in the Veterans' Wing of the Prince Edward Island Hospital.

Miss Janie Llewellyn was a recent guest at the home of her sister, Mrs. Leonard Campbell of Montague.

Mrs. Joseph MacPhee and son Alan left on Thursday for Calgary, Alberta, where they will visit for several months with Mrs. MacPhee's daughter, Mrs. Ward Dryden.

Mr. Albert Lavers of Charlottetown, Canadian National Railways trackmaster visited Georgetown during the week, on a routine inspection trip over the C. N. R. sections on the Charlottetown to Georgetown line.

The boys of the town between the ages of 12 and 15 years, met on Tuesday and organized their hockey club for the coming season. Billy Hatch was elected president and Donald MacDonald was elected secretary. Team captain will be John Walsh. The boys plan on purchasing blue and white sweaters with suitable crests. In an effort to raise funds for operational expenses the boys will seek permission of the local branch of the Canadian Legion to sell candy at a number of the picture shows in the Town Hall. It is very probable that a league of teams from the various age groups will be formed this winter with entries from Montague, Murray Harbour and Georgetown. Those young boys merit all the support and encouragement that can be given them, as they participate in good, clean and healthful sport.

CHUNGKING, Nov. 29 — (AP) —The Chinese government streamlined itself today and prepared to abandon Chungking and follow its armies, as Red troops surged to within 70 miles of the city. Just when the signal to quit Chungking would be given seemed to be up to the oncoming Communists.

NORFOLK, Va., Nov. 29 — (AP) —Excellent results were reported today by scientists who sent balloons 97,000 feet above the equator to get information on nuclear energy. Dr. M. H. Shamos, assistant professor of physics at New York University, said analysis of the data will require about a year. Shamos is one of 16 scientists who took part in the experiments, which were conducted from the aircraft carrier Palau under the label "operation skyhook." The operation was conducted Nov. 10 to Nov. 19 in the vicinity of Guantanamo, Jamaica and Haiti.

OTTAWA, Nov. 29 — (CP) — The Government, through Prime Minister St. Laurent's parliamentary assistant, declined to allow T. C. Davis, Canadian Ambassador to China, to appear before the Commons committee on external affairs. External Affairs Minister Pearson told the committee last week he had no objection to Mr. Davis appearing but he pointed out the possibility of difficulties arising if the envoy returned to China after making public statements here. Mr. Davis is home for consultations on the Chinese Communists' request for recognition.

IN MEMORIAM

MRS. JAMES P. TRAINOR

At the home of her sister, Mrs. Fred Matters, Sr., of Kelly's Cross there passed to her eternal reward a beloved and highly respected resident of Kelly's Cross in the person of Mrs. James P. Trainor.

Mary as she was familiarly known was born at Crapaud some seventy seven years ago. The daughter of the late Mr. and Mrs. John Stordy she spent a few years in Salem, Mass. and shortly after her return she became the wife of James P. Trainor, a resident of Kelly's Cross who predeceased her several years ago.

She was of a jovial disposition and to know her was to love her, always ready to extend the helping hand when needed. Some eight or nine years ago her health began to fail owing to a heart ailment but was generally able to be about daily up to a couple of weeks before her death. On October 11th despite all that medical skill and loving hands could do she passed away peacefully, fortified by the last rites of the Roman Catholic Church of which she was a devout member. Her funeral under the direction of Mr. Percy Dawson of Crapaud took place on the morning of October 13th, to St. Joseph's Church and was a splendid tribute to one who had been held in such high esteem by friends and admirers. Requiem Mass was celebrated by her pastor who also conducted the services at the grave.

The pallbearers were: Gordon E. Waddell, Heath McAvittie, Louis Hagen, Patrick Haughey, Joseph Kelly and J. P. Carragher.

Mrs. Trainor is survived by one stepson Everet Trainor of South Melville and one step daughter, Mrs. Elwood Patten of Elsworth, Maine, also three brothers, Albert, Thomas and Bertram Stordy of Crapaud and two sisters, Mrs. Heath McAvittie, Westmoreland and Mrs. Fred Matters of Kelly's Cross, with whom she made her home for the last number of years. One brother Russel of Crapaud and one sister, Mrs. Harry Howatt of Arlington, Mass., predeceased her a few years ago. The family wish to express their appreciation of the many kindnesses received during their recent sad bereavement, especially to the pastor, Rev. W. Keefe and those who send Mass Cards, cards and letters of sympathy a list of which follows:
