Magnesia Best For Your Indigestion

Most people who suffer, either occasionally or chronically from gas, sourness and indigestion, have now discontinued disagreeable diets, patent foods and the use of harmful drugs, stomach tonics, medicines and artificial digestants and instead take a teaspoonful or four tablets of Bisurated Magnesia.

Magnesia is a little water after meals with the result that their stomach no longer troubles them, they are able to eat as they please and they enjoy much better health. Those who use Bisurated Magnesia never dread the approach of meal time because they know this wonderful anti-acid and food corrective which can be obtained from any good drug store, will instantly neutralize the stomach acidity, sweeten the stomach, prevent food fermentation, and assist digestion same. Try this plan yourself but be certain to get Bisurated Magnesia especially prepared for stomach use.

Splendid Cures Of Islanders

All who have the interest of suffering humanity at heart should be glad to know that many splendid cures are still being effected in our midst. For example:

A little girl who suffered much from infantile paralysis, now able to run around and play like other children.

A lady who suffered much for a number of years as a result of bronchitis, and unable to do any work all winter, is now entirely relieved.

A boy confined to his bed with rheumatism, and unable to raise his arms, after only a two weeks' treatment, well on the way to recovery.

A gentleman who suffered much from sciatica and piles, entirely relieved.

Another man, who was unable to work for nearly a year as the result of rheumatism, nearly as well as ever.

All this is due to the splendid work of the Paradox. Names and addresses given for the asking.

Mr. J. E. Perry, Summerside, is agent for the Paradox in that locality.

Paradox Representative,

—LEAVING FOR ONTARIO—Mr. T. Wesley Murray has sold his valuable farm on Littlefield Road near Summerside, and is leaving on Monday for Bridgeburg, Ont., where he has taken an important position. His neighbours, amongst whom he is very popular are very sorry to see him leaving the district, especially as the property he has disposed of had been in the family for four generations. On Wednesday evening Mr. Murray was tendered a surprise party by his neighbours and friends, when he was presented with a well filled purse, accompanied by an address expressive of regret at his departure and wishing him all future prosperity, to which he suitably replied. A dainty luncheon was then served by the ladies present and a very pleasant social hour was spent.—S.

—CONCERT ENJOYED— The concert in Anderson's Hall, St. Peters on Sept. 25th, under the auspices of the Ladies' Aid of the United Church, was a splendid success. The night was all that could be desired, the program varied and interesting, and the best of order prevailed. The proceeds amounted to $108. Supper was served to those taking part in the program, at the home of Mrs. E. Quigley, and much enjoyed by all present. The concert committee wish to thank all those, who in any way, contributed to the success of the concert, especially the friends from Charlottetown, who gave their services free, and who entertained so delightfully, with their fine quartette selections and solos.

—DEATH OCCURRED — The death occurred at the Prince Edward Island Hospital, on Saturday, Oct. 5th of Mrs. Brehaut, of Southport, aged 28 years, sister of Mrs. George Trenton, of Georgetown. She had been ill for a short time but hopes for her recovery was entertained. The deceased before her marriage was Miss Christina Crossman, daughter of Mr. Crossman, of Southport. She was a lady of a beautiful character, and her home was the centre of hospitality to a host of friends, who always enjoyed her kindly welcome. She was devoted to her home and her children, and her passing away in the prime of life has been a shock to her many friends. She leaves to mourn, besides her grief stricken husband, two sons Richard and Raymond, also her father, three brothers and five sisters. The sisters are Mrs. George Trenton, Georgetown; Miss Rose Crossman of Southport; Mrs. Percy Hunter and Mrs. L. Warner, New York; Mrs. Andrew Campbell, Tyrone. The brothers are Wallace, in Stanford, Conn.; Will in Sydney, and Victor in New York. The many beautiful floral tributes and letters of sympathy show the high esteem in which she was held.—S.
