This was a "sign" of Defeat

Greatest moment in the career of one of Britain's greatest soldiers, Field Marshal Montgomery watches General Kinzel sign the surrender that handed over more than a million German soldiers, sailors and airmen to the British and Canadian armies.

Sign your name for Victory

To Canada's gallant fighting forces a great portion of the credit is due for Victory over the Nazis, climaxed by the signing of Allied terms for unconditional surrender. While we at home put forth our united efforts to supply material help towards achieving this result, the debt to our Sailors, Soldiers and Airmen still remains. Nor will the slate be wiped clean until every man and woman who returns is happily re-instated in a Canada at peace, offering better opportunities and more attractive prospects for the future than ever before.

Now that the world at large is again at peace, we must fearlessly tackle the tasks that lie ahead. Let us keep unnecessary spending down by keeping the volume of Victory Bond Sales up! Let us, in a true spirit of gratitude, unite in a combined effort to make sure that our boys and girls who offered their all for Canada and the cause of freedom, may come into their heritage. Every Bond each one of us buys is a token of our whole-hearted sympathy in the common cause.

NORTH WILTSHIRE W.I.

The October meeting of the North Wiltshire W.I. was held at the home of Mrs. Frank Mitchell with the president presiding. The meeting was opened in the usual manner with nine members and some visitors present. Roll call was answered by naming "an improvement I have made or would like to have made."

Reports of committees were received and new ones appointed as follows: Lunch, Mrs. Morrison, MacLean and Mrs Cecil Campbell; School, Mrs. Lane and Mrs. Gordon MacLean. Correspondence was read and discussed. Delegates to the T.B. League annual meeting are Mrs. Mitchell and Mrs. Deacon.

W.I. news and federated news were passed to the members. It was reported that the Christmas cards were almost all sold. It was decided to collect clothing in the district for the National Clothing Drive and pack a bale at the home of Mrs. Morrison MacLean. This has since been done and a large bale sent to Charlottetown.

The program for November is "Home Economics", roll call to be answered by a snapshot or clipping of an attractive home. Mrs. Geo. E. MacLean invited the members for the annual meeting. The meeting closed by singing the National Anthem and a dainty lunch was served by the committee assisted by the hostess.

Coal Miners Strike In U. S. Called Off

NEW YORK, Oct. 17 — (CP)— The biggest strike to hit the United States since the war ended was called off today and hopes of settlement brightened in several areas of the troubled labor front.

The major work stoppage, in the soft coal industry, was called off by John L. Lewis, president of the United Mine Workers, who instructed 216,000 union members away from the pits in six rich coal-producing states to resume work Monday "in the public interest."

Mr. Lewis' sudden order, coming after collapse of government conciliation conferences, was hailed by the soft coal industry and cheered the steel, cotton and other industries where production was curtailed sharply or menaced by the long, widespread walkout.

LONDON — (CP) — City busmen, worried by complaints of incivility, are appealing to conductors and public for "toleration on both sides at awkward moments."
