Montreal Stocks

MONTREAL (CP) — The stock market was buoyant at the close Thursday. Improvements ranged to about 2½ points as several issues regained the ground lost in the recent downdrift.

Papers closed on a firm note, though some early edges were pared. Selected strong spots carried the miscellaneous industrial group higher. Utilities and senior oils displayed narrowly improved tendencies. Steels moved up. Constructions and beverages drifted to irregularly higher territory. Rail equipments were unchanged to slightly higher. Base metals dipped irregularly lower while banks were steady to easier. Western oils were trendless in quiet trade.

Among the stronger spots were Lowney, Building Products, Fraser, Powell River, Ogilvie, Aluminium, Stelco and National Steel Car.

Prominent on the downside were Canada Cement, Asbestos and Seagrams.

Mines showed a forward movement, led by gold issues. Coppers were generally firmer in a 5-cent range. Feature traders were Bouzan, Canadian Lithium, Gunnar, Hollinger and Louvicourt.

New York Stocks

NEW YORK (AP)—The stock market took time out for consolidation Thursday in its strong recovery drive from Monday's severe break.

At the opening it looked as though the market would score three straight advances in its effort to erase Monday's losses.

That didn't hold to the close. A lot of backing and filling brought the market to within sighting distance of the finish, and then it turned definitely lower.

Railroads braced the list almost the entire day. In the final hour they weakened and closed lower despite several good plus signs on the leaders.

The Associated Press average of 60 stocks was down 90 cents at $174.10. That compares with a total advance of $4.90 on the two previous days and a loss of $11.40 on Monday.

The industrial component of the average was lower by $2.10, rails dropped 30 cents, while utilities remained unchanged.

General Motors "when issued" was the day's most active issue, as it was Wednesday, and remained unchanged at 48⅜ on 54,200 shares.

It was followed by Textron up 1⅝ at 22, New York central unchanged at 44½, Merck and Co. up ⅝ at 22 and the old General Motors stock off ¼ at 144½.

Among key losers were Standard Oil 1⅜, U. S. Gypsum 6, American Smelting 1⅞, U. S. Steel 1 and Sears Roebuck 2.

Canadian stocks were mixed. Lower were Distillers Seagram, off 1¼, and Dome Mines and Hiram Walker, each down ⅛. Canadian Pacific gained ½ and others higher included McIntyre, up ¼, and International Nickel, ahead ¼.

On the American exchange, Lake Shore and Royalite Oil both added ⅛.

Mines moved mostly in a narrow range but Gunnar warrants added 1⅛. Gefo and Consolidated Denison each irmed ¾. Gains in the 15-25 cent bracket went to Bicrot, Rayrock, Consolidated Sudbury, United Keno, Preston East Dome, Teck-Hughes and Lamaque. Hudson Bay, Noranda and International Nickel eased ¼.
