New York Hands Montreal First Defeat Of Season

NEW YORK (CP) — Camille Henry and Danny Lewicki each fired two goals Sunday night as New York Rangers defeated Montreal Canadiens 4-1 in a National Hockey League game.

Rangers threw a nearly impregnable defence around goalie Gump Worsley.

A capacity crowd of 15,925 in Madison Square Gard enchestered the Canadiens first setback of the season and the Rangers' rise into second place in the NHL.

NEVER HEADED

Little Henry, the smallest player on the ice at 150 pounds, broke a 1-1 tie early in the second period and the bluebirds never were headed.

The winning tally came with Montreal defenceman Doug Harvey in the penalty box for holding. Camille climaxed a power play by flicking the puck past Jacques Plante from just outside the goal crease.

Henry again came to his team's aid with his fifth goal of the campaign at 7:57 of the final period.

Lewicki added an insurance marker with less than four minutes left in the game.

Early in the game it appeared that Montreal was destined to remain unbeaten. Dickie Moore put the Canucks in front 1-0 midway in the first session.

But Lewicki evened matters after 50 seconds of the second period and then came Henry's tie-breaking goal.

Meeker To Be Interviewed For Coaching Job Monday

By IAN MACDONALD
Canadian Press Staff Writer

ST. JOHN'S, Nfld. (CP) — Howie Meeker will be interviewed for a coaching job Monday by the Memorial Stadium commission and the former NHL player, manager and coach says money isn't his main object.

"I want to find a place where I can settle down and bring up my four children," he told reporters. "In hockey you don't have a real home. It's travel all the time as a player and coach.

"I've promised myself that my next move would be the last. I want to settle down somewhere where I would be happy, teach hockey if possible because I love it, and probably invest in a business.

ACCEPT REASONABLE OFFER

Meeker said he didn't foresee any financial obstacles should he decide to accept a job coaching some 2,000 junior and senior Newfoundland hockey players for the commission. "I think St. Johns would be reasonable and I also will be."

If he takes the job, which also involves grooming a junior and senior all-star team for the provincial finals, Meeker would sell his New Toronto home, a fishing lodge at Armstrong, Ont., and his interest in a pin ball machine company.

Another consideration is his wife, who has an arthritic condition of the knee. "If I went home and told her we were going to Newfoundland that would be alright. But I'd like to bring her down and let her look at the city for herself." Because she has difficulty climbing stairs, Meeker would have to buy a low - level house.

Pacific Coast League Clubs Are Due To Seek New Homes

COLUMBUS, Ohio (AP)—Minor league baseball is about to change its entire map, with the majority of the 28 circuits due for franchise changes and realignments before spring.

Much of the turmoil will be caused by the shift of the New York and Brooklyn National League clubs to the west coast.

At least four and possibly five of the Pacific coast League clubs are due to seek new homes. As the coast loop dips into lower class territory to stay alive, indications are that Phoenix, Ariz. now of the class C Arizona-Mexico, Denver of the American Association, and Salt Lake City of the class C Pioneer Circuit will become new members.

Spokane and Tacoma, Wash., neither with a current affiliation also may wind up in the newly constructed league. The changes, it occur, will force each of the minor leagues which lose member clubs to scurry around for replacements—which may be drafted from lower loops and cause more changes.

The International League has claimed Jersey City as a franchise site, and there's a chance Brooklyn may house a minor league club in historic Ebbets Field.

Toronto Maple Leafs Beat New York Rangers On Sat.

TORONTO (CP)—Rookie centre Frank Mahovlich scored two goals Saturday night as he led Toronto Maple Leafs to a 3-0 victory over New York Rangers before 12,789 National Hockey League fans.

It was Leafs' second victory in seven starts this season and both were shutouts. Tey blanked Boston Bruins 7-0 a week ago.

The game was sloppy in stages with the shooting of both clubs erratic on several occasions. The power plays of both teams were particularly inept Leafs had a man advantage three time surging the game and on two occasions failed to get a shot at the Ranger net. On the third they managed only one weak drive. Rangers didn't get any scoring chances on three of the four times they had an extra man.

Besides Mahovlich's pair of goals, right winger Ted Sloan scored late in the third period. Mahovlich gave Leafs a 1-0 lead with less than three minutes remaining in the first period and made it 2-0 midway through the third.

Summary

First period 1. Toronto, Mahovlich (Stewart, Duff) 17:56. Penalties Fontinato, Mahovlich 4:00, Stewart 6:26, Fontinato 2:35.

Eskimos Defeat BC Lions 29-0

By THE CANADIAN PRESS

Edmonton Eskimos, as if toying with a kitten, crushed British Columbia Lions 29 - 0 Saturday night in a Western Interprovincial Football Union game before 14,000 fans, smallest crowd of the season here.

And in Regina, the last-place Saskatchewan Roughriders, out of the playoffs, ran Calgary Stampeders into the ground for a 32-14 victory before 8,500 fans.

LIONS OUT

The Edmonton victory, 13th in 18 starts, ended any hope Lions had of catching Calgary for the third and last playoff berth, leaving the Lions three points behind Stampeders and with only one game to play.

Eskimos have clinched first place.

Joe Mobra and Normie Kwong, Johnny Bright and Jim Shipka handled the Eskimos scoring. Mobra kicked two field goals, two singles and three converts for 11 points and Kwong, Bright and Shipka each scored a touchdown.

The game marked the first time this season that Lions have failed to score.

MARLOW BIG GUN

Bobby Marlow, who scored three Saskatchewan touchdowns and found holes in the Calgary line all day, was the big gun in the WIFU game at Regina.

The other Saskatchewan touchdown was scored by Sam Wesley.

All were converted by Reg Whitehouse. Riders' other four points came on two safety touches, one conceded and one credited to R on Atchison.

Calgary's two touchdowns were scored by Dick Washington and Ernie Warlick. Bud Korchak converted one. Ted Duncan booted the other Stampeder point.

Spinney Wins Ch'ship Race

TORONTO (CP) — The hunch players probably stayed at home Saturday when Spinney, a four-year-old California-bred, won the $60,000 Canadian championship, the country's richest horse race. They had everything going for them.

Overlooked in the betting by most of the 15,564 crowd at New Woodbine, Spinney galloped home a length in front of long-shot Canadian-owned Grand Canyon. Another nose back in third place was Find, considered a cinch to take the first-place $42,900 purse for owner Alfred Gwynne Vanderbilt of New York.

Just a year ago, trainer Horatio Luro and jockey Juan Sanchez combined to win the big race with Misty Flight, who finished in the money on Find, making him prohibitive 1-to-3 favorite. Spinney owned by Louis Rowan of Los Angeles, was fourth behind on the tote board.

Grand Canyon won $10,000 for owner Ken Kolman of Toronto. Find was never worse than fifth over the slow track. Vanderbilt's share of the purse was $6,000.

Flying Trapeze picked up fourth money of $2,500 for owner M. J. Boylan of Toronto.

Clermont, South American horse racing his first year in Canada. It is its initial appearance in Canada. They were back again with Spinney, also making its how to Canadian racing, and these factors alone were enough to send hunch players on the double to the pari-mutuels.

SPINNEY RATED FOURTH

But the crowd plunked its money on Find, making him prohibitive 1-to-3 favorite. Spinney owned by Louis Rowan of Los Angeles, was fourth behind on the tote board.

Grand Canyon won $10,000 for owner Ken Kolman of Toronto. Find was never worse than fifth over the slow track. Vanderbilt's share of the purse was $6,000.

Flying Trapeze picked up fourth money of $2,500 for owner M. J. Boylan of Toronto.

Clermont, South American horse racing his first year in North America for owner Paul Butler of Hinsdale, Ill., was fifth, nearly six lengths off the pace, and Wise Margin, second favorite Saturday and owned by Sam Tufano of Los Angeles, was sixth.

Pink Velvet, three-year-old filly from the Bill Beasley stable of Toronto and considered the pick of the seven Canadian - owned horses in the race, was a badly-beaten ninth.

Bill Hartack Has Record Season After Win Saturday

CAMDEN, N.J. (AP) — Nadir won the $277,150 Garden State Stakes Saturday, giving Bill Hartack a record - breaking 41st stakes victory over the season and throwing the two - year - old championship into turmoil.

It was the second straight year that Hartack had won the big race. He booted home the Calumet Farm's Barbizon in the 1956 event.

With such bigshot colts as Misty Flight and Jewels Reward finishing up the track, Nadir barged home a two-length winner over R. D. Prewitt's Terra Firma, in the world's richest horse race.

Terra Firma nosed out Rose Trellis, from the Foxcatcher Farm of Willis Du Pont in photo finish, and it was another length back to Mrs. Anna Cannuli's Chance It Tony in the field of 13.

FIRST BIG ONE

Nadir is owned by the Claiborne Farm of Arthur B. Hancock and this was his first stakes victory in four attempts. The win shoved the colt into the middle of the title picture and stamped him a horse to watch for the 1958 Kentucky Derby and other classics.

Hartack, who was tied with Eddie Arcaro at 40 stakes wins for one year going into the race, came out the new champ as his 41st for 1957 brought his purse loot in stakes alone to $1,589,858.

A week ago he won the Garden's for juvenile fillies, and hauled down a purse of $101,750. Thus, at the usual 10 per cent, he accounted for $25,679 pocket money in a week, since Nadir's share was $155,047.50.

Misty Flight, ridden by Arcaro, wound up fifth. The crowd of 40,284 had made Misty Flight the 8-to-5 favorite.

The winner, a bay son of Nasrullah, paid $9.80, $5.80, and $4.60. Terra Firma, ridden by Larry Gilligan, paid $17.20 and $11.40, and was worth $55,430 second money.

Montreal Canadiens Defeat Boston Bruins Saturday

MONTREAL (CP) — Maurice (Rocket) Richard's goal at 12:41 of the third period gave Montreal Canadiens a 4-3 win over Boston Bruins Saturday night and nullified a superb three - goal comeback by the hustling Bostonians.

The goal was number 501 in the National Hockey League career of the illustrious Rocket and also his eighth goal in seven games this season.

The loss was Boston's fourth straight—all on the road—after a four - game winning streak. Canadiens remained undefeated in seven games, with five wins and two ties, and improved their first-place margin to four points.

LEAD SEEMED SAFE

Canadiens ran up a 3-0 lead on first - period goals by Henri (Pocket Rocket) Richard and Bernie (Boom Boom) Geoffrion and another by Bert Olmstead early in the second period.

But the Bruins struck back viciously with goals by Vic Stasiuk, Larry Regan and Fleming Mackell before the second period ended.

The rugged game produced three minor casualties for a total of 17 stitches. Goalie Don Simmons and centre Bronco Horvath of Boston each had six stitches taken in cuts near the eye and Dickie Moore of Montreal had five taken in a cut on his lip.

The teams drew five penalties each, including a misconduct penalty to Jerry Toppazzini of Boston and a tripling penalty to goalie Jacques Plante of Montreal, who was making his first appearance this season following a sinus operation.

St. Dunstans University Blast Moncton Hubs 39-0

A.J. MacAdam's young S.D.U. football team showed signs of maturity Saturday afternoon when they swamped Moncton Hubs 39-0 in an exhibition contest at the S.D.U. Field. A crowd of some 600 spectators braved 32-degree weather and a biting wind to watch the contest.

The visiting Moncton team was shorthanded due to sickness in their ranks, but the 17 who dressed were no match for the eager Saints, who showed plenty of scoring power and a stout defence. Saints, who showed plenty of scoring power and a stout defence, gave platoon. St. Dunstan's were without Gil Collins, their first-string quarterback and field general, but Pic Bilodeau and Brian Noonan handled the offensive QB chores in creditable fashion.

SCORING DIVIDED

The Saints showed marked superiority on the ground all afternoon, grinding out 302 yards from the split-T formation as opposed to only 116 for the Hubs. In the air, Moncton completed three out of 11 forward passes while S.D.U. clicked on 2 out of 5—both to end Ray Hache.

The Red and White machine piled up its winning margin on six touchdowns, three of which were converted by linebacker Don Hengen. The scoring was well distributed, with Jean-Marie Bouchard, Paul Arsenault, Ray Hache, Jack James, Pic Bilodeau and Vince MacIntyre going over for majors.

S.D.U. led 7-0 at the end of the first quarter, and then went ahead twice in the second quarter to lead 30-0 at half time. Two unconverted TD's in the third quarter made it 36-0 and the winners added another in the last canto, which Hengen converted, to make the final score read 39-0.

FIRST QUARTER

Moncton kicked off, and Noonan ran it back to the SDU 25. Jean-Marie Bouchard galloped 30 yards on the first down to centerfield.

The Hubs took over but were thrown for three successive losses on their own 20. Saints took over and Tooke ripped through the line for a first down and Bilodeau pitched out to Bouchard who skirted left end for the touchdown. Hengen converted. Score 7-0. Bilodeau completed a 30-yard heave to Hache on the Moncton 26, but SDU fumbled on the next play and Moncton took over.

SECOND QUARTER

Saints were pushed back to their own 10, but James kicked for 50 on third down. The Hubs got nowhere and their kick was short to the SDU 40. Arsenault, Tooke and Bouchard found the holes in the Moncton line and rolled to three consecutive first downs. With the ball on the Moncton 10 after a recovered fumble, Arsenault sniffed through off tackle for the major and Hengen converted. Score 14-0. Saints kicked off and George Ward was stopped on the 10. The Hubs gambled on third down with two to go, but were stopped on their own 18. On the second play, Noonan fed Hache with a button-hook on the 10 and Ray went over easily for the TD. The convert attempt was wide. Score 20-0.

SECOND HALF

Saints kicked off and Hengen intercepted a Moncton pass and ran it to the Moncton 30. Tooke and Bouchard drove for a first down on the 10. Tooke rolled through for 6 and Jack James went over center on the next play for the major. The convert attempt was blocked. Score 26-0. The Hubs rolled to two first downs on a run by Ward for 30 and a Maloney - Murray pass, but Saints tightened. Arsenault, Bilodeau and Tooke carried for first downs and moved to the Moncton 2, but they were stopped cold. John Kane intercepted a pass on the 15 and on the next play QB Bilodeau carried around end for the TD. The snap was muffed on the convert attempt. Score 32-0.

FOURTH QUARTER

Saints kicked off. Moncton fumbled on their own 30 and Tooke crashed through the line for 12. Bilodeau went around end for 9 and Arsenault went off guard to the 26 for another first down. Bouchard picked up 10 on a Bilodeau pitchout. Noonan was stopped, but Tooke went 9 on the second down. On the third, Bouchard got the yardage and was stopped on the Moncton 2. On the first down, Vince MacIntyre went off tackle for the TD and Hengen converted. Score 39-0. Late in the quarter, Moncton connected on a long Richardson pass to playing-coach Maloney, who broke into the clear but was taken out on a nice tackle by George Trainor on the SDU 34.

Japanese Golfer Wins International Golf Cup

TOKYO (CP)—Little Torakichi Nakamura of Japan Sunday scored a sensational seven-stroke victory over leading professionals of 30 countries to win the Inter. 72 national golf trophy. He joined with Koichi Ono to capture the Canada Cup by nine shots.

Canada, represented by Stan Leonard of Lachute, Que., and Al Balding of Toronto, was sixth in the team championship. They had a 576 total made up of Leonard's 71-71-70-71—283 and Balding's 74-73-71-78—293.

Leonard, a former winner of the International trophy, was tied with Ono near the top of the heap.

The favored American team of Sam Snead and Jimmy Demaret, who have won scores of titles over a 20-year span, was second in the team competition and Snead had to shoot a last-round 69 to win a tie for second in the individual battle.

BRILLIANT TOUCH

Nakamura, who is a great five-foot-four with little hitting power but she touch of a safecracker around the greens, reeled off rounds of 68-68-67-71 over the par 72 Kasumigaseki Country Club for a 72-hole total of 274.

"This kind of golf would have won a tournament anywhere," said Snead. "It wasn't a fluke. This is a legitimate championship golf course and there can be no alibis—the Japanese just played better golf."

Snead, after an opening round 67, lost his putting touch on the coarse kobi grass greens and finished with 75, 71 and 69 for 281. This gave him a tie with 23-year-old Dave Thomas of Wales, who had a final 71, and Gary Player of South Africa, who climaxed his four rounds with a 68.

Ono, slender, Manchurian-born former caddy, and Leonard followed at 283 and then came Demaret and Australia's Bruce Crampton at 285, Peter Thomson of Australia at 287 and a trio at 289—Peter Allis Jr. of England, Harold Henning of South Africa and Antonio Cerda of Argentina.

In the Canada Cup team competition the Japanese tandem had a score of 557. South Africa followed at 569 and then came Australia with 572, Wales with 573 and Canada with 576.

A crowd of 14,000 poured over the course for the final round.

The Japanese golf crowd maintains complete silence while the ball is in play. Only after Nakamura and Ono had sunk the final putts was there a demonstration at all. There was a loud cheer and fans rushed to the final green to offer congratulations and get autographs.

The championship was started in Canada in 1953, the brainchild of the late John Jay Hopkins, former board chairman of Canadair Limited.

The two-part tournament, the purpose of which is to promote golfing goodwill, travels from country to country and probably will go to Australia next year.
