DISTRICT BUSINESS REVIEW

SHOP AND SAVE IN YOUR OWN COMMUNITY

The merchants of Summerside and district will give you better service than you'll get elsewhere. In the first place they have to live here, too, and it is in their interests to please their customers. In the second place they realize that by giving value received, they are helping to make this a better community in which to live. And they have shown in the past by their generous support of all projects that would benefit the community that that is one of their aims. Want to make a good resolution? Just decide to shop at home in the future. In this way you will be helping your community stay busy and prosperous while giving yourself a better break on services that you receive when shopping at home.

The businessmen in Summerside and district have built up centres of which they are justly proud and which they are continually striving to improve.

WALLACE LTD.

The business of the Wallace Warehouse and Cortage Ltd. by the nature of their work makes them more than an Island concern, so their depots are spread over a wide area, not the least of which is located in Summerside at the central position at 11 Spring St., and is in the capable hands of Mel Petley. This depot opened in 1931 and Mel, who has been with the firm for the past 5 years, took charge of the branch two years ago. His former appointment was at Moncton, N.B.

His close application and personal attention has caused the business and private interests of the town and district to depend upon the valuable, expert services of this firm who are reputable specialists in their line. Their slogan "we move you anywhere at any time". They do all packing, crating and shipping of all goods including furniture, and save the sender incalculable time, money and worry, and our local agent, Mel Petley is an important factor in this service. A great volume of his work, lies at the airport to which he is constantly attentive, while he is personally interested in the importance of the facilities of storage here and elsewhere.

The firm acts also as agents for the Allied Van Lines and keeps Mel Petley a very busy man indeed, with slender time for his sporting indulgence of curling. When you have a need to move anything, anywhere, at any time, give Mel a call at 2037.
