NEW YORK

NEW YORK (AP)—For the third straight session, more stocks declined than advanced Wednesday but stock market averages were contradictory. A late rally cut many losses and moved some market indicators higher.

The ticker tape lagged in the closing minutes as some of the high-flying glamor stocks gained several points.

The Dow Jones averages ended with a loss of 3.67 at 791.59 after having been down as much as 6.07 to 789.19 earlier.

The late improvement was so strong that two big market indicators erased early losses and ended with net gains. Standard and Poor's 500-stock index advanced .03 to 80.45 and the New York Stock Exchange index rose 3 cents to $43.59.

In the list of 1,417 issues traded, however, losses outnumbered gains 617 to 535.

The drift was reflected by the Associated Press average of 60 stocks which fell .9 to 291.2 with industrials off 1.2, rails off .8 and utilities off .3.

Sperry Rand was the most active stock, up 1¼ at 28⅝ on 201,700 shares.

Among Canadians, McIntyre was up ¼ and Distillers Seagram ⅛. Walker Gooderham was down ⅝ and Alcan and Inco fell ⅛.

Prices were irregularly lower on the American Stock Exchange.

Scurry-Rainbow fell ⅝, Canadian Marconi and Jupiter ⅛ each and Molybdenite 1-16.
